

A black and white illustration of a man in a light-colored, short-sleeved button-down shirt, smiling as he works on a car chassis. He is using a tool, possibly a screwdriver, on a component of the engine or transmission. The chassis is mounted on a workbench. Various tools are scattered around: a wrench, a screwdriver, and a pair of pliers. To the right of the chassis, there is a circular object, possibly a fan or a wheel, and some papers or a manual. The background is dark and textured, suggesting a workshop or garage.
