1972 Film Annual Screen World Vol 23:

American International Pictures Rob Craig, 2019-03-05 *American International Pictures* was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company *The New York Times Book Review* ,1972-10 *Cinema* ,1971 *New Serial Titles* ,1985 **French Film Theory and Criticism, Volume 2** Richard Abel, 2021-05-11 These two volumes examine a significant but previously neglected moment in French cultural history the emergence of French film theory and criticism before the essays of Andr Bazin Richard Abel has devised an organizational scheme of six nearly symmetrical periods that serve to bite into the discursive flow of early French writing on the cinema Each of the periods is discussed in a separate and extensive historical introduction with convincing explications of the various concepts current at the time In each instance Abel goes on to provide a complementary anthology of selected texts in translation Amounting to a portable archive these anthologies make available a rich selection of nearly one hundred and fifty important texts most of them never before published in English *The Publishers' Trade List Annual* ,1976 *Subject Guide to Books in Print* ,1996 *Theatre World* , 1973-1974 Willis, John Willis, 1975-03 *Inside the Hollywood Fan Magazine* Anthony Slide, 2010-02-26 The fan magazine has often been viewed simply as a publicity tool a fluffy exercise in self promotion by the film industry But as an arbiter of good and bad taste as a source of knowledge and as a gateway to the fabled land of Hollywood and its stars the American fan magazine represents a fascinating and indispensable chapter in journalism and popular culture Anthony Slide's *Inside the Hollywood Fan Magazine* provides the definitive history of this artifact It charts the development of the fan magazine from the golden years when Motion Picture Story Magazine and Photoplay first appeared in 1911 to its decline into provocative headlines and titillation in the 1960s and afterward Slide discusses how the fan magazines dealt with gossip and innuendo and how they handled nationwide issues such as Hollywood scandals of the 1920s World War II the blacklist and the death of President Kennedy Fan magazines thrived in the twentieth century and they presented the history of an industry in a unique sometimes accurate and always entertaining style This major cultural history includes a new interview with 1970s media personality Rona Barrett as well as original commentary from a dozen editors and writers Also included is a chapter on contributions to the fan magazines from well known writers such as Theodore Dreiser and e e cummings The book is enhanced by an appendix documenting some 268 American fan magazines and includes detailed publication histories *Annotated Bibliography of New Publications in the*
