Commonweal , 1972 PACAF Basic Bibliographies for Base Libraries: when to Buy what United States Air Force Department, 1972 The Oxford Handbook of Religion in Modern Ireland Gladys Ganiel, Andrew R. Holmes, 2024 This volume offers a range of sociological political and historical perspectives on religion in Ireland from 1800 to the present Going beyond the usual Catholicism Protestantism dichotomy and adopting an all island approach the book s contributors address religion s interaction with several contemporary themes and debates in modern Ireland The Frontiers of Catholicism Gene Burns, 1994-08-17 Why does the Catholic Church take a politically conservative stance on some issues such as abortion and birth control while on others such as social programs and nuclear policy it resembles the left Why do some Catholic groups reject the legitimacy of Church hierarchy and yet choose to remain within its fold To explain these apparent contradictions Gene Burns examines the origins of contemporary diversity and conflict in the Catholic Church as well as the processes of ideological change With valuable insights into the American Catholic Church the modern papacy and the Latin American Church *The Frontiers of Catholicism* is as much a political study of ideological dynamics as it is an institutional study of religious change **The Catholic Periodical and Literature Index** , 1975 Area Handbook for Kenya Irving Kaplan, 1976 **Kenya, a Country Study** , 1982 **The Publishers' Trade List Annual** , 1976 **Union List of Periodicals** North Suburban Library System (Wheeling, Ill.), 1999 The Times Literary Supplement Index , 1940 **Books in Print** , 1979 **TŁS, the Times Literary Supplement** , 1982 **America's Religions** Peter W. Williams, 1990
Undergraduate text chronologically surveys the development of religion in the US from colonial beginnings to the present day focusing on individual religious traditions as they have developed in the context of each other and the broader American culture Annotation copyright Book News Inc Portlan **Area Handbook for the Philippines** Nena Vreeland, 1976 The Preaching of Archbishop Fulton J. Sheen Timothy H. Sherwood, 2011-11-01 This rhetorical study seeks to understand how and why Archbishop Fulton J Sheen s preaching was so persuasive to the people of his day Though many associate Sheen with his five years on prime time television in the 1950s it was the decades he spent preaching that wrought a religious tone to the Cold War and led the way in a national renewal of religion **PADRES** Richard Edward Martínez, 2010-01-01 From the 1848 Treaty of Guadalupe Hidalgo to the 1960s Mexican American Catholics experienced racism and discrimination within the U S Catholic church as white priests and bishops maintained a racial divide in all areas of the church s ministry To oppose this religious apartheid and challenge the church to minister fairly to all of its faithful a group of Chicano priests

formed PADRES Padres Asociados para Derechos Religiosos Educativos y Sociales or Priests Associated for Religious Educational and Social Rights in 1969 Over the next twenty years of its existence PADRES became a powerful force for change within the Catholic church and for social justice within American society This book offers the first history of the founding activism victories and defeats of PADRES At the heart of the book are oral history interviews with the founders of PADRES who describe how their ministries in poor Mexican American parishes as well as their own experiences of racism and discrimination within and outside the church galvanized them into starting and sustaining the movement Richard Martinez traces the ways in which PADRES was inspired by the Chicano movement and other civil rights struggles of the 1960s and also probes its linkages with liberation theology in Latin America He uses a combination of social movement theory and organizational theory to explain why the group emerged flourished and eventually disbanded in 1989 **Great Awakenings** David Horn, Gordon L. Isaac, 2022-05-03 This book is an engaging look at spiritual awakenings that have happened in the church throughout history It examines how these extraordinary movements of God translate into the larger cultural analysis of today Spiritual awakenings have refreshed the people of God from the very origins of the church What about these past movements can be instructive for the church today Can we expect God's awakening presence in our day These questions brought about the Surprising Work of God Conference in the fall of 2015 in which speakers traced awakening movements from the Old and New Testaments to the present day Great Awakenings represents the culmination of this conference as the collected works of notable speakers Chapters address questions about spiritual awakenings through historical theological and sociological lenses They look at the events that precipitated these awakenings evaluating whether their causes were purely religious or otherwise and finally suggest what about the awakenings is normative for the church today
