1985 86 Hormel Meat Packers Strike In Austin Minnesota:

Women, Community, and the Hormel Strike of 1985-86 Neala Schleuning, 1994-01-30 The strike by Local P 9 against the Hormel Co in 1985 86 marked a turning point in American labor history The central role played in the strike by the Austin United Support Group brought the issues of economic justice and community survival to the forefront of the labor movement agenda In response to isolation from their traditional communities these women created a vital and successful strike culture that was characterized by cooperation solidarity and a variety of institutions to meet the economic social and spiritual needs of the 1 500 striking families This work is important because it shows the strength of the women and their vision of economic justice how deeply committed they remain to their ideals and their struggle and how little the passage of time has diminished their anguish This work is important also as a portrait of a typical midwestern company town where community life is colored strongly by economics

An Injury to All Kim Moody, 2016-02-23 Over the past decade American labor has faced a tidal wave of wage cuts plant closures and broken strikes In this first comprehensive history of the labor movement from Truman to Reagan Kim Moody shows how the AFL CIO s conservative ideology of business unionism effectively disarmed unions in the face of a domestic right turn and an epochal shift to globalized production Eschewing alliances with new social forces in favor of its old Cold War liaisons and illusory compacts with big business the AFL CIO under George Meany and Lane Kirkland has been forced to surrender many of its post war gains With extraordinary attention to the viewpoints of rank and file workers Moody chronicles the major but largely unreported efforts of labor s grassroots to find its way out of the crisis In case studies of auto steel meatpacking and trucking he traces the rise of anti concession movements and in other case studies describes the formidable obstacles to the organization of the unorganized in the service sector A detailed analysis of the Rainbow Coalition s potential to unite labor with other progressive groups follows together with a pathbreaking consideration of the possibilities of a new labor internationalism

Nonviolent Action Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject

The 1985-86 Hormel Meat-packers Strike in Austin, Minnesota Fred Halstead, 1986 The hard fought strike against Hormel opened a round of battles by packinghouse workers that together with strikes by paper workers cannery

workers and western coal miners marked a break in the rout of the U S unions that began with the 1981-82 recession Photos map chronology notes Defending Principles Bill Brust,1993 The Case Against Immigration Roy Howard Beck,1996 Beck s book redefines a flashpoint issue for America s future and for the 1996 elections showing how current high immigration far beyond traditional levels benefits mainly the rich and why immigration rates must be drastically lowered to ensure that America remains a society of opportunity for all its citizens including recent immigrants *Ramparts of Resistance* Sheila Cohen,2006-09-20 Ramparts of Resistance examines the experience of British and US workers during the last three decades to show the urgency of the need for a new independent politics of trade unionism The twentieth century saw great changes in the trade union movement from waves of strikes in the 1970s to a battery of employer and state onslaughts culminating in the anti union legislation of the 1980s and 1990s Looking at grassroots labour struggles Cohen explores issues of reformism trade union democracy and the political meaning of ordinary workplace resistance and puts forward ideas for change Ramparts of Resistance examines the failure of the union movement to rise to the neo liberal challenge and calls for a new politics of independent unionism and an explicitly class based renewal of workers power Coming at a time when union activity and membership involvement continues despite the odds this book is an inspiring guide to the direction that unionism should take **Library of Congress Subject Headings** Library of Congress,2004

Cataloging Policy and Support Office,2004 **Voices of a People's History of the United States** Howard Zinn,Anthony Arnove,2004 Letter poems speeches and essays are collected in this book that tells the story of the United States from the perspective of people left out of history books such as women workers Native Americans and Latinos Original 60 000 first printing *Power At Work* Marcel van der Linden,Nicole Mayer-Ahuja,2023-07-04 Between working men and women which may include free wage earners chattel slaves indentured labourers sharecroppers domestic servants and many others and those employing them there has always been a constant mostly silent but sometimes overt struggle concerning employers discretionary power and over the interpretation of formal and informal rules There is a constantly shifting frontier of control that is an ongoing struggle for control in the workplace with managers and supervisors trying to increase their power over their subordinates and their subordinates in reaction trying to maintain and increase their relative autonomy The detailed case studies in this volume span three centuries and cover different parts of the world Still they speak to each other in many ways highlighting the fact that power at work whether on the shopfloor or beyond results from a wide range of complex interrelations Between technological innovations and the ways in which they are actually implemented Between the division of labour at the site of production or service provision and changing standards of social segmentation beyond the premises of the company which can be reinforced or weakened by management strategies of utilizing labour power as well as workers reaction to these strategies And finally between politics in production which shape the relations between capital and labour on the shopfloor

and state politics of production which cannot be understood without reference to broader developments in economy and society

Negro and White, Unite and Fight! Roger Horowitz, 1997 This pathbreaking study traces the rise and subsequent fall of the United Packinghouse Workers of America UPWA Roger Horowitz emphasizes local leaders and meatpacking workers in Chicago Kansas City Sioux City and Austin Minnesota and closely examines the unionizing of the workplace and the prominent role of black workers and women in UPWA In clear anecdotal style Horowitz shows how three major firms in U S meat production and distribution became dominant by virtually eliminating union power The union's decline he argues reflected massive pressure by capital for lower labor costs and greater control over the work process In the end the victorious firms were those that had been most successful at increasing the rate of exploitation of their workers who now labor in conditions as bad as those of a century ago The definitive study of unionism in the meatpacking industry for the period since the 1920 s James R Barrett author of *Work and Community in the Jungle Chicago's Packinghouse Workers 1894-1922* A volume in the series *The Working Class in American History* edited by David Brody Alice Kessler Harris David Montgomery and Sean Wilentz Supported by the Illinois Labor History Society ***Classified Index of Dispositions of ULP Charges by the General Counsel of the National Labor Relations Board*** United States. Encyclopedia of U.S. Labor and Working-class History Eric Arnesen, 2007 Publisher Description **Subterranean Fire** Sharon Smith, 2018-07-17 A concise well written history of U S working class struggle and radicalism from the author of *Women and Socialism Class Race and Capital Solidarity* Smith explores how the connection between the U S labor movement and the Democratic Party with its extensive corporate ties has repeatedly held back working class struggles And she closely examines the role of the labor movement in the 2004 presidential election tracing the shrinking electoral influence of organized labor and the failure of labor management cooperation business unionism and reliance on the Democrats to deliver any real gains Sharon Smith brings that history to life once again blasting through the myths of the working class that Trump era narratives cling to in order to connect us once again to the possibility of building broad solidarity Sarah Jaffe author of *Work Won't Love You Back* A veteran worker intellectual brilliantly addresses the crisis of the labor movement skewering those who believe

that renewal can come from the top down and encouraging those who are fighting to rebuild it from the bottom up Mike Davis author of Planet of Slums *The Encyclopedia of Strikes in American History* Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation's history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry's various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the work's appeal Struggling with "Iowa's Pride" Wilson J. Warren, 2000 a Recognized between 1880 and 1910 by its trademark label Iowa's Pride John Morrell and Company is best known for contributing one of the most important local unions to the progressive United Packinghouse Workers of America During the 1930s and 1940s its members pursued a militant brand of unionism By the early 1950s the local's militancy became a source of contention among the membership By explaining the effect of Morrell Ottumwa's union leaders on local and state Democratic politics especially in the development of the Congress of Industrial Organizations Iowa State Industrial Union Council and the AFL CIO's Iowa Federation of Labor Wilson Warren makes an important contribution to the literature on labor's involvement in the Democratic party's ascendancy across much of the industrial North following World War II This history of Ottumwa's meatpacking workers provides insights into the development of several forms of labor relations including the evangelical Christian paternalism welfare capitalism and unionism that were distinctive to one blue collar community but that also reflected workers' experiences in many other rural midwestern industrial communities By carefully analyzing all relevant labor and industrial sources and by revealing the deeply held aspirations and concerns expressed by both workers and managers Warren constructs a window through which Iowa's industrial and labor history over the past 120 years can be viewed
