BEHIND HER PROSPECTED  
 DAUGHTER WOULD BE  
 PLAYMATE OF THE YEAR

Twenty-two-year-old India Allen is Playboy's Playmate of the Year for 1988. Along with her title and sparkling crown, India receives \$100,000 and a custom-built California Coastland Roadster valued at \$40,000.

India is Playboy's 19th successful beauty to be named Playmate of the Year. She appears on the cover and in a 13-page pictorial in the June issue of Playboy.

"I'm still walking around in a daze," says India, a 5'11" beauty, of her new honor. "It sure's hot as yet."

The announcement comes as no surprise to India's mother, a psychic who predicted both her daughter's first appearance in Playboy and her Playmate of the Year success.

"She always told me, 'Your picture is going to be seen everywhere,'" India says about her mother, who uses "mom" for

low budget independent studio style of filmmaking directly in the reader's hands. Thus we learn how to develop and write a knock out screenplay, raise funding, find locations and cast actors, hire a crew, obtain equipment permits and music rights, all for little or no money, make incredible special effects for 0.79 each, charm, schmooze and network while on the film festival circuit and finally make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off the wall, decidedly maverick yet consistently proven advice on how to fully develop one's idea for an independent film. **Video Hound's Golden Movie Retriever, 1991** David J Weiner, Thomson Gale, 1991

Variety's Complete Home Video Directory, 1989 **In Black and White** Anant Singh, 2021-11-01. It all began with Charlie Chaplin flickering in black and white on a makeshift screen in their modest home in Springfield, which later led to the neighbourhood children happily handing over their coins to 10 year old Anant Singh and his younger brother Sanjeev. At age 13, deeply affected by the passing of his father, Anant found solace and escape in the moving image to which his father had introduced him. The combination of a deep and abiding passion for film and an entrepreneurial spirit were the sparks that lit the flame for Anant as he rewound 16mm reels in a film rental store in Durban, first for R1 a day and then for R25 a week. In South Africa in the 1970s, there were not many career options for a Black person who dreamed big in any business, let alone the film industry. But before his twentieth birthday, Anant was the owner of that store and in a business in which no person of colour had ventured. Restrictive legislation was not the only problem; all public facilities, including cinemas, were segregated and any voice raised in opposition to the state was swiftly silenced while censorship across all forms of media, including films, was strictly enforced. By hiring out films classified for whites only to all races and uncensored movies to anyone who wanted to watch them, Anant was arrested for breaking the laws he refused to recognise as legitimate. He moved on to wider distribution, first to cinemas across Africa and then to the international market, setting up Videovision Enterprises and capturing the home video market and finally putting his heart and soul into producing award winning and important films. This extraordinary memoir is a story of professional relationships and of friendships with mentors including Ahmed Kathrada, Fatima and Ismail Meer and Nelson Mandela, as well as with superstars such as Quincy Jones, Sidney Poitier, Whoopi Goldberg, Amitabh Bachchan, Denzel Washington and Idris Elba. And it is a testament to determination, courage and perseverance to speak up and speak out through the powerful medium of film. **Playboy and the Making of the Good Life in Modern America** Elizabeth Fraterrigo, 2009. In exploring the history of America's most widely read and influential men's magazine, Elizabeth Fraterrigo hones in on the values, style and gender formulations put forth in its pages and how they gained widespread currency in American culture. Produce Your Own Damn Movie! Lloyd Kaufman, 2012-09-10. Often low budget filmmakers get thrown into the position of being not only the director but their own producer. Using tips from the finest washed up has-been producers in the business, this book will give the low budget filmmaker practical tools for getting a movie shoot started and keeping it going until it is supposed to end.
