

What is MLA International Bibliography?

This database is a classified listing and subject index of scholarly books and articles on modern languages, literatures, folklore and linguistics which has been compiled by the Modern Language Association of America since 1926.

Subject coverage

- Modern literatures
- Literary theory and criticism
- Linguistics
- Teaching of language
- Film, television and theater
- Rhetoric and composition
- History of the book
- Folklore

MLA IB contains citations and abstracts only--no full-text (complete) articles. But in some cases, links to the complete article in another database are available.
