Magne, 1997-09-16 Elegant rusticity meets unpretentious luxury in the work of this award winning architecture firm Howard Backen award winning principal of the architecture firm Backen Gillam Kroeger is at the center of a popular movement in home design that emphasizes comfort over pretension and elegant simplicity over complication that tends to serve the ego of architects This volume the first on his work and that of the firm is an artful exploration of that this aesthetic featuring farmhouses in the Napa Valley hilltop homes seaside retreats and lakeside hideaways Throughout the work a sense of intimacy warmth and informality pervades Natural materials such as wood stone and brick form the foundations walls and

ceilings of these subtly luxurious spaces while nature itself plays a considered role that is at once complementary and also intricately conjoined with the work Long vistas open outward toward sun drenched valleys from the window lined wall of a bedroom in one home while more immediate scenes of steeply rising hillsides and hidden lakes appear from just beyond the back stoop and the rough hewn board dock of another Sensitive alluring and wonderfully resonant with the suggestion of invitation the work of Backen Gillam Kroeger is both thrilling to the eye and restorative to the soul **The Early Shortwave Stations** Jerome S.
