Statement of Disbursements of the House United States. Congress. House, 1996 *Statement of Disbursements of the House*, 1997 After the End James M. Scott, 1999-01-21 In the political landscape emerging from the end of the Cold War making U S foreign policy has become more difficult due in part to less clarity and consensus about threats and interests In *After the End* James M Scott brings together a group of scholars to explore the changing international situation since 1991 and to examine the characteristics and patterns of policy making that are emerging in response to a post Cold War world These essays examine the recent efforts of U S policymakers to recast the roles interests and purposes of the United States both at home and abroad in a political environment where policy making has become increasingly decentralized and democratized The contributors suggest that foreign policy leadership has shifted from White House and executive branch dominance to an expanded group of actors that includes the president Congress the foreign policy bureaucracy interest groups the media and the public The volume includes case studies that focus on China Russia Bosnia Somalia democracy promotion foreign aid and NAFTA Together these chapters describe how policy making after 1991 compares to that of other periods and suggest how foreign policy will develop in the future This collection provides a broad balanced evaluation of U S foreign policy making in the post Cold War setting for scholars teachers and students of U S foreign policy political science history and international studies Contributors Ralph G Carter Richard Clark A Lane Crothers I M Destler Ole R Holsti Steven W Hook Christopher M Jones James M McCormick Jerel Rosati Jeremy Rosner John T Rourke Renee G Scherlen Peter J Schraeder James M Scott Jennifer Sterling Folker Rick Travis Stephen Twing Staff, 1975-12 Legislative Branch Appropriations for 1997 United States. Legislative Branch Appropriations for 1997 United States. Congress. House. Committee on Appropriations. Subcommittee on Legislative Appropriations, 1996 The Diversity Paradox Kristin Kanthak, George A. Krause, 2012-04-11 In legislatures group dynamics affect how the legislature operates who is valued enough to play a critical decision making role and what voices matter in determining policy outcomes An increase in a minority group s size within democratically elected legislatures actually leads to the devaluation of individual minority group members The authors assert that representative institutions such as legislatures face a diversity paradox when the size of a minority group increases beyond mere tokenism in representative institutions it tends to create an unintended backlash toward the minority group s members that emanates from both majority and fellow minority group members The inclusion of minority group voices in representative institutions is critical in a wide range of political decisions ranging from legislative gender quotas in the new Iraqi constitution to attempts in the U S to increase minority representation through redistricting **Forthcoming Books** Rose Arny, 1997 **Catalog of Federal Domestic Assistance**, 1993 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs *The Boston Directory*, 1856
