**France in the South Pacific** Denise Fisher,2013-05-23 France is a Pacific power with three territories a military presence and extensive investments Once seen by many as a colonial interloper in the South Pacific by the early 2000s after it ended nuclear testing in French Polynesia and negotiated transitional Accords responding to independence demands in New Caledonia France seems to have become generally accepted as a regional partner even if its efforts concentrate on its own territories rather than the independent island states But Frances future in the region has yet to be secured By 2014 it is to have handed over a set of agreed autonomies to the New Caledonian government before an independence referendum process begins Past experience suggests that a final resolution of the status of New Caledonia will be divisive and could lead once again to violent confrontations In French Polynesia calls continue for independence and for treatment under UN decolonisation procedures which France

opposes Other island leaders are watching so far putting faith in the Noumea Accord but wary of the final stages The issues and possible solutions are more complex than the French Pacific island population of 515 000 would suggest Combining historical background with political and economic analysis this comprehensive study offers vital insight into the intricate history and problematic future of several of Australias key neighbours in the Pacific and to the priorities and options of the European country that still rules them It is aimed at policy makers scholars journalists businesspeople and others who want to familiarise themselves with the issues as Frances role in the region is redefined in the years to come Decisions and Orders of the National Labor Relations Board, V. 336, September 28, 2001, Through December 19, 2001 ,2003-08-12 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Includes the decisions and orders of the Board a table of cases and a cross reference index from the advance sheet numbers to the volume page numbers Labor management attornes labor union attorneys employees human resources personnel and students pursuing law degrees may be interested in this volume Some of the cases cited within this volume include the following 12 19 2001 Issuance Date Concrete Co 15 CA 016039 Case Number 12 14 12201 Issuance Date Alter Barge Lines Inc 26 CA 018645 Case Number 12 14 2001 Issuance Date Ingram Barge Co 26 CA 018649 Case Number 12 14 2001 Issuance Date MJM Studios of New York 34 RC 001881 Case Number 10 31 2001 Issuance Date Pearson Educaiton Inc 25 CA 026182 Case Number 9 28 2001 Issuance Date Wild Oats Community Markets 14 CA 024815 Case Number 9 28 2001 Issuance Date Steelworkers Local 9292 Allied Signal Technical Services 12 CB 004243 Case Number and more Other products produced by the U S National Labor Relations Board NLRB can be found here <https://bookstore.gpo.gov/agency/1076>
