*The Ethics of Tax Evasion* Robert W. McGee, 2011-12-21 Why do people evade paying taxes This is the central question addressed in this volume by Robert McGee and a multidisciplinary group of contributors from around the world Applying insights from economics public finance political science law philosophy theology and sociology the authors consider the complex motivations for not paying taxes and the conditions under which this behavior might be rationalized Applying theoretical approaches as well as empirical research The Ethics of Tax Evasion considers three general arguments for tax evasion 1 in cases where the government is corrupt or engaged in human rights abuses 2 where citizens claim inability to pay unfairness in the tax system paying for things that do not benefit the taxpayer excessively high tax rates or where taxes are used to support an unpopular war and 3 through philosophical moral or religious opposition The authors further explore these issues by asking whether attitudes toward tax evasion differ by country or other demographic variables such as gender age ethnicity income level marital status education or religion The result is a multi faceted analysis of tax evasion in cultural and institutional context and more generally a study in ethical dilemmas and rational decision making

**The Philosophy of Taxation and Public Finance** Robert W. McGee, 2003-12-31 Most public finance books are texts which are aimed at undergraduate or graduate students They are overly technical in nature and appeal only to a narrow range of bureaucrats and academics Books on taxation are written for tax practitioners and usually emphasize either what the law is or how to maneuver through the labyrinth of tax law to minimize taxes for clients Philosophy books on taxation or public finance simply do not exist The Philosophy of Taxation and Public Finance is different It is written in nontechnical language and is aimed to appeal to a wide range of readers including practitioners academics and students in the fields of taxation public finance economics law philosophy and political science as well as general readers who are interested in learning why they are being taxed the way they are The author addresses the major issues and topics in taxation and public finance and injects them with philosophical insights He discusses questions such as What arguments have been used to justify taxation When is tax evasion unethical Are some taxes better than others What are the proper functions of government How much is enough Is the ability to pay concept valid When can punitive taxes be justified
