1st Things 1st

Deborah Wofford

1st Things 1st:

1st Things 1st John Rodgers, 2015-08-25 1st Things 1st is a tad different than most books and programs related to the Law of Attraction LOA as it does not promise results and wild expectations but informs the reader that the efficacy of the LOA is undeniable. Intentional execution is the most elusive undertaking we can dare to attempt. While the philosophy is simple and the performance practically unconscious, there are prerequisites that need to be in place to allow the purposeful unfoldment of desire. These requirements are nothing more than what most religious leaders preach from the pulpit every Sunday. John attempts to show an unmistakable congruence between the teachings of Christ and the New Age philosophy of oneness LOA. This is all presented with no promises or expectations and the humble disclaimer of the struggles the author himself experiences with his journey daily. This is the LOA unedited, real and down to earth. **First Things First** Stephen R. Covey, A. Roger Merrill, Rebecca R. Merrill, 2015-07-14 The New York Times bestselling time management book from the author of The 7 Habits of Highly Effective People. Stephen R. Covey's First Things First is the gold standard for time management books. His principle-centered approach for prioritizing gives you time management tips that enable you to make changes and sacrifices needed in order to obtain happiness and retain a feeling of security. First Things First: The Interactive Edition takes Dr. Covey's philosophy and remasters the entire text to include easy-to-understand infographics, analysis, and more. This time-saving version of First Things First is the efficient way to apply Dr. Covey's tested and validated time management tips while retaining his core message. This guide will help you get more done in less time, develop and retain rich relationships, attain inner peace, create balance in your life, and put first things first. Covey is the hottest self-improvement consultant to hit US business since Dale Carnegie. USA Today: Covey has reached the apex with First Things First. This is an important work. I can't think of anyone who wouldn't be helped by reading it. Larry King CNN: These goals embody a perfect balance of the mental, the physical, the spiritual, and the social. Booklist: Readers should note that this ebook edition differs slightly from the print edition and does not contain all the same materials. **First Things First** Ken Kamau, 2016-06-14 If you want to be a blessing to the kingdom, you have to get the basics right. As the young Ken Kamau devoured books on leadership, he became increasingly aware that they were written by and for people who were way ahead of where he was in his life and ministry. He needed to know how one begins to be a leader, not how one continues to lead a large and successful ministry. First Things First deals with spiritual and practical issues you need to address in the early days of leadership, before the spotlight is on you. Ken writes with humour about learning from mistakes and successes, how to lead as well as how to be led, and how to do it all while building a strong team at home and in the church, even if you don't have a strong budget. This book will speak to pastors and to anyone who wants to live for God. Whether we lead in the church or in the marketplace, we need to make sure we get the basics right. **First Things First** Tom Iselin, 2011-06 All proceeds 100% from the sale of First Things First go to hunger relief organizations and organizations that rehabilitate

wounded veterans To see a list of these organizations or to buy hardcopies of First Things First visit www.tomiselin.com

Lined with bold messages and practical advice First Things First Pelican Lake Press 25 00 223 pp takes readers on an insightful journey of how to build a high performance nonprofit Too often early stage nonprofits want to do what s convenient not what s important says Iselin who has spent the last 20 years building some of the nation s most innovative nonprofits The nonprofit world is filled with passionate people eager to make a difference Their intentions are noble but most leaders of early stage nonprofits lack the experience needed to build a quality organization They tend to take short cuts penny pinch and make hasty decisions The result is costly disruptions operational migraines and in some cases failure First Things First is a guidebook for leaders of early stage nonprofits 0 6 years old and small nonprofits budgets less than 3 million It focuses on a set of governing principles operational structures and practical tactics board members executives and managers should adopt and apply early on in their business lifecycle if they are serious about fulfilling their missions and building sustainable nonprofits of superior quality Each chapter provides a case study example that relates chapter topics to experiences Iselin had during the five years he spent as chief executive at SVAS Readers see how the SVAS staff and board overcame a host of challenging situations to create a pathway for the organization to develop pioneering programming and effective operations that propelled SVAS to national recognition and acclaim What makes First Things First different from other getting started and growing your nonprofit books is that the principles and tactics found in this book are often overlooked and understated or leaders wait too long to adopt and apply them Iselin notes Seasoned leaders know costly mistakes made early on can have long term consequences that can derail the dreams and momentum of fulfilling a worthy mission First Things First shows leaders how to avoid common mistakes and how critical it is to make important decisions early on that might not seem obvious or intuitive In the book readers learn how to hire the best staff and nominate the best board members by identifying a set of uncommon attributes They learn how to efficiently leverage their human capital how to unravel the mysteries of developing a healthy relationship between board members and a chief executive how to develop an engaging culture how to build a brand that captures the attention of national media how to raise big money from major donors using rarely applied fundraising techniques how to dodge the traps of lip service passion and much much more The book provides dozens of practical tactics and tips that leaders can quickly put into practice Most importantly First Things First teaches leaders how to think about the process of building and operating a high performance nonprofit They learn how they do what they do is more important than what they do and just because they can do something doesn t mean they should do it First Things First is receiving praise for its hard hitting yet inspiring analysis Iselin says what many in the nonprofit industry are too afraid to say He addresses sensitive issues such as personal accountability and moral obligations yet his encouraging words and useful advice give readers hope that their nonprofits can become triumphant successes if they are willing to do the right things right from the start

First Things First Audrey Morrow, 2024-09-02 What if you were to think of seeking the Kingdom of

God like going on an adventure to discover and explore everything about God's Kingdom Living and your place in His Kingdom would that change how you read your Bible Life can be very busy with so many things demanding our attention and many are asking how can I prioritize seeking first the Kingdom of God Audrey writes from her testimony with straightforward and practical ways to experience the principles of God's Kingdom in your everyday life Sharing thoughts with you that will be challenging but will help you discover more about the Kingdom of God and your place in His Kingdom We don't just stumble on the secrets and mysteries of this Kingdom we must pursue them wholeheartedly First Things First Brenda

Warner, Kurt Warner, 2010-10-13 Kurt Warner is the two time NFL MVP winning quarterback of the Arizona Cardinals Brenda Warner is an ex Marine turned stay at home Mom who collects coats for low income kids and rocks babies to sleep at a center for chronically ill infants Together they're the parents of seven children going into their thirteenth year of marriage Their formula for success They put First Things First faith family and giving to others it's their family motto and it drives everything they do First Things First is an honest entertaining and insightful look at life inside the Warner house Kurt and Brenda speak candidly about their marriage the values they're working to instill in their kids things they've done right mistakes they've made the importance of giving back and the legacy they hope to leave behind Kurt Warner fans will enjoy this behind the scenes look into the Warner family daily life Includes 16 pages of color photos **First Things First**
