Epistle To the Corinthians Marcus Dods, 2020-07-25 Reproduction of the original The First Epistle To the Corinthians by Marcus Dods **The First Epistle to the Corinthians, Revised Edition** Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses **The First Epistle to the Corinthians** Anthony C. Thiselton, 2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed definitive and distinctive commentary on 1 Corinthians available in English to date One of the world's most respected Christian theologians Anthony Thiselton here provides in depth discussion of the language of 1 Corinthians presents his own careful translation of the Greek traces the main issues of interpretation from the church fathers to the present and highlights topics of theological ethical and sociohistorical interest today including ethics and rights marriage divorce and remarriage headship gender prophecy and many others No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout In his commentary Thiselton indeed addresses virtually every question that thoughtful serious readers scholars students pastors teachers may wish to ask of or about the text of 1 Corinthians His work truly offers a fresh comprehensive and original contribution to our understanding of this major epistle and its contemporary relevance **The First Epistle to the Corinthians** Anthony C. Thiselton, 2000 A new examination of a classic Christian text begins with the Greek text of the Corinthians and outlines the most important theological ethical and

socio historical issues surrounding this seminal book *Commentary on the First Epistle to the Corinthians* F.W. Grosheide, 2019-04-16 New in the Eerdmans Classic Biblical Commentaries collection This classic commentary by F W Grosheide on 1 Corinthians unpacks Paul s letter to the first century Corinthian church and applies his teachings to our own situation with vigor and understanding The volume throughout exhibits Grosheide s fairness to the views of others and his single mindedness to expound fully the inspired text Originally published in 1953 as part of the New International Commentary on the New Testament series Grosheide s Commentary on the First Epistle to the Corinthians in this new format will continue helping pastors teachers students and other Bible readers grasp the aim and major themes of Paul s first Corinthian letter *The First Epistle to the Corinthians* John James Lias, 1885 **The First Epistle to the Corinthians** Marcus Dods, 1891 *A Commentary on the First Epistle to the Corinthians* Charles Kingsley Barrett, 1968 This is another volume in the distinguished series HARPER S NEW TESTAMENT COMMENTARIES Professor Barrett s new contribution to the series will be particularly welcomed because of the scarcity of material on the First Epistle to the Corinthians The author describes in his Introduction the situation in Corinth the relations between Paul and the Corinthian Church the authenticity and integrity of the Epistle and its contribution to the development of theology and to our knowledge of the early Church In the commentary he fully interprets each passage of the Epistle and its message Professor Barrett has provided his own translation of the text to complement his commentary and express as accurately and as clearly as possible what Paul said It is his conviction that the Church today needs to discover the apostolic Gospel and through I Corinthians the relation between this Gospel and its order discipline worship and ethics *The first (second) Epistle to the Corinthians, with notes [&c.] by J.J. Lias* John James Lias, 1892 *St. Paul's First Epistle to the Corinthians* Charles John Ellicott, 1887 **A commentary on the first Epistle to the Corinthians** Thomas Charles Edwards, 1885 **John Calvin's Bible Commentaries On St. Paul's First Epistle To The Corinthians Vol. 2** John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation THE EPISTLES OF PAUL TO THE CORINTHIANS form a most important part of the Sacred Writings Though not so systematic as the Epistle to the ROMANS they contain many passages bearing directly on the fundamentally important doctrines of the Christian system while they are of the highest utility in connection with Practical Theology The disorders that had unhappily crept into the Church at Corinth gave occasion for the Apostle s handling at greater length than in any of his other Epistles various important points as to doctrine and worship while the relaxed state of discipline that had begun to prevail among them rendered it necessary to exhibit more fully the principles which ought to regulate the administration of the Christian Church In this the overruling hand of Him who brings good out of evil is strikingly apparent This volume contains chapters 15 and 16 along with the whole Second Epistle *St. Paul's first Epistle to the Corinthians [Gr. text] with a comm. by C.J. Ellicott*
