

2 Corinthians by Geoffrey B. Wilson

When the author's first treatment of a New Testament epistle in this style was published in 1969, a reviewer in *Floodtide* wrote: 'Mr Wilson has done so well something that has not been tried before that he — and others — should be encouraged to treat other New Testament books in this way.' His first 'digest' on *Romans* was subsequently followed by *Hebrews* and *1 Corinthians* and now by *2 Corinthians* and *Galatians* in the same series. Geoffrey Wilson's paperbacks have achieved popularity because they go beyond a simple devotional comment — they aim at bringing the reader to grips with the thoughts of Scripture. Yet this is done without encumbering the page with those niceties of scholarship which too often make a commentary unenjoyable to the ordinary Christian. By drawing upon the exegetical insights of a wide range of commentators the author provides in brief compass the basis necessary for those who wish to possess a serious understanding of the Word of God.

2 Corinthians A Digest Of Reformed Comment

**Jeffrey Alan David Weima, Stanley E.
Porter**

2 Corinthians A Digest Of Reformed Comment:

Second Corinthians Geoffrey B. Wilson, 1979 *First Corinthians: An Exegetical and Explanatory Commentary* B. Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul's meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today's world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul's opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God 1

Corinthians J. Ayodeji Adewuya, 2019-04-09 New Testament scholars have widely recognized and acknowledged the occasional nature of Paul's first canonical letter to the Corinthians In the letter Paul addresses real problems that were faced by real people in a real world This commentary shows how the church in the twenty first century mirrors the Corinthian Church in many ways It goes further to show how the church in the present day particularly its leaders could benefit from how Paul addressed the situations that the church faced *Exposition of the Second Epistle to the Corinthians* Simon J. Kistemaker, 1997 This set is ideal for pastors and serious Bible students of the Reformed tradition It is the only complete commentary on the New Testament written solely from a Reformed perspective The award winning twelve volume set features verse by verse exegesis and applications critical notes on the Greek text chapter summaries and extensive bibliographies and indexes of authors Scripture and other ancient writings enhance the usefulness of each volume Begun by William Hendriksen Baker's New Testament Commentary has earned the acclaim and respect of Reformed and evangelical scholars and pastors Since Hendriksen's death in 1982 the series has been continued by Simon J Kistemaker Four of the volumes compiled by Kistemaker earned the Gold Medallion Award Hebrews James and 1-3 John Acts and 1 Corinthians 2

Corinthians, Volume 40 Ralph P. Martin, 2017-10-10 Pastors and students will appreciate this new edition with its up to date bibliography and discussion of pertinent issues In this full revision and update of the book of Second Corinthians Dr Ralph P Martin addresses the scholarly questions about the text of the epistle and the significance of Paul's thought for Christian living and ministry In a penetrating analysis of Paul's responses to the various crises within the Corinthian

congregation Dr Martin gives insight into the particular problems of Christianity as expressed in the hedonistic cosmopolitan setting of Corinth He shows how Paul s attempt to clearly distinguish the gospel from Hellenistic Judaism and Hellenistic Jewish Christian ideology results in a moving statement of the Christian message Rather than the theology of glory prevalent in Corinth Paul articulates his theology of the Cross as a theology of weakness of servanthood and ministry What was at stake at Corinth says Dr Martin was nothing less than the essence of the kerygma as in expressed in the way of the cross for proclamation and daily living New sections on the Collection and Rhetoric have been added and the issues of Composition and Social Setting of the letter have been included along with topics such as the Spirit the Opponents Paul s Theology and the Resurrection in this epistle The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

An Annotated Bibliography of 1 and 2 Thessalonians Weima, Stanley E. Porter, 2019-07-01 This bibliography lists some 1300 works germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century Virtually all the works listed are annotated except for commentaries and dictionary articles These annotations do not merely describe the content of each source but attempt to summarize its central thesis or argument The works listed are classified and cross indexed in such a way that the user is able to track down easily the relevant sources on any given topic or passage in the Thessalonian letters

Only the Third Heaven? Paula Gooder, 2006-11-05 Offers a fresh appraisal of the ascent of Christ to the third heaven in 2 Corinthians 12 proposing that it records a failed not a successful ascent into heaven

Studies on 2 Corinthians Reimund Bieringer, Jan Lambrecht, 1994 Peeters 1994

Jew Among Jews Kimberly

Ambrose,2015-11-17 Misunderstanding of Paul had started already in his lifetime and his letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented *Annotated Bibliography of First and Second Thessalonians* Jeffrey Alan David Weima,Stanley E. Porter,1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century *Believer's Bible Commentary* William MacDonald,2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer s Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version Predestination Greg Kame,2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans,2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and

many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike **A Model of Christian Maturity** D. A. Carson, 2007-05-01 We live in a time when leadership and showmanship are seen as far greater virtues than humility and meekness Even the church has often got it backward And in Paul s second letter to the Corinthians he confronts similar problems in the first century church D A Carson believes we can learn valuable lessons from Paul s letter about what it really means to be a mature Christian in the face of adversity In A Model of Christian Maturity he takes the reader step by step through an exposition of 2 Corinthians 10 13 and then helps them apply these Scriptures to everyday life in the church Perfect for pastors students and laypeople this book highlights the power of weakness in the life of the Christian **New Testament Books for Pastor and Teacher: Revised and Updated to 2002** Ralph P. Martin, 2002-07-23 Designed to serve as a companion volume to Brevard S Childs acclaimed Old Testament Books for Pastor and Teacher this convenient reference provides authoritative up to date listings of books in the New Testament field for those in the pastoral ministry as well as for teachers in churches colleges and seminaries Comprehensive in scope it considers basic exegetical tools translations dictionaries encyclopedias introductions histories theological reference works and commentaries Dr Martin gives priority to books in English although he cites exceptional works in German and French This practical book includes a basic list of what the author considers the most valuable current publications along with classic older volumes that should be the nucleus of a good New Testament library Containing a complete bibliography it will help readers of all denominations acquire the basic tools to understand and communicate the message of the New Testament **Del Triunfalismo a la Madurez** Donald A. Carson, 1984 *Reflections of Glory* Linda Belleville, 2015-01-29 Part I of this work determines where Paul is dependent on Jewish and Hellenistic exegesis of the Moses story where he provides a fresh interpretation Part II brings form critical studies of the Greek papyri to bear on the epistolary function of these verses Part III investigates first century homiletic patterns exegetical techniques and material parallels in order to illuminate the sequence of Paul s thought At issue in these verses is Paul s apostolic credibility Paul selectively weaves together text tradition and haggadah using accepted methods of text interpretation and a common Jewish homiletical form to provide his readers with reliable standards of apostolic accreditation and to defend himself against those who sought to discredit him as a failure in reaching his own people **Library of Congress Catalog** Library of Congress, 1974-04 A cumulative list of works represented by Library of Congress printed cards *Reflections of Glory* Linda L. Belleville, 1991 Part I of this work determines where Paul is dependent on Jewish and Hellenistic exegesis of the Moses story where he provides a fresh interpretation Part II brings form critical studies of the Greek papyri to bear on the epistolary function of these verses Part III investigates first century

homiletic patterns exegetical techniques and material parallels in order to illuminate the sequence of Paul's thought. At issue in these verses is Paul's apostolic credibility. Paul selectively weaves together text tradition and haggadah using accepted methods of text interpretation and a common Jewish homiletical form to provide his readers with reliable standards of apostolic accreditation and to defend himself against those who sought to discredit him as a failure in reaching his own people.
