Blick Auf Wein A Look At Vienna:

Wien, wie es isst /23 Birgit Wittstock, 2022-11-03 Der Klassiker unter den Lokalf hrern erschien heuer bereits zum 40 Mal und ist auch dieses Jahr wieder prallvoll mit neuen arrivierten exotischen und traditionellen Beisln Restaurants Bars und Caf s ber 4000 Lokale f r jeden Anlass jede Brieftasch *Musical Life in Biedermeier Vienna. [Illustr.] (1. Publ.) - Cambridge [usw.]: Cambridge Univ. Press (1985). 241 S. 8°* Alice M. Hanson, 1985 This book examines the impact of the daily life political climate and artistic institutions of Vienna on its musicians and musical tastes between 1815 and 1830 Emphasis is given to Beethoven Schubert Paganini and Johann Strauss where their careers reflect typically Viennese musical life and when Viennese conventions may explain important turns in their lives Attention is also paid to the incomes service contracts and welfare of lesser known musicians of the same period An entire chapter is devoted to the regulation of music by the Austrian government secret police and censors since this period coincides with the height of Metternich s political power Although the study is mainly intended for music historians and listeners the book should also interest the Austrian literary theatre and political historian Furthermore the research presented here suggests that many of the intriguing questions and social issues in Vienna at the end of the nineteenth century currently widely discussed by Schorske Toulmin and McGrath are already present in Vienna in 1815 **National Union Catalog** , Includes entries for maps and atlases **Jahresbericht des Sonnblick-Vereines für die Jahre ...** Sonnblick-Verein (Vienna, Austria), 1907 *Meisterwerk der Speisen und Getränke* Paul Martin Blüher, 1893 **The National Union Catalogs, 1963-** , 1964 **His Master's Voice/Die Stimme Seines Herrn** Alan Kelly, Gramophone Company, EMI Music Archive, 1994-05-30 The present volume is one of a series which will cover the output of the Gramophone Company from its beginning in 1898 to 1929 when recording methods had progressed from the primitive trumpet to the sophisticated microphone The Company operated through ten branches and the catalogues of two of these Italy and France have already been published by Greenwood This new volume adds Germany to the list but the coverage extends to Austria Switzerland and Czechoslovakia and to any other country including the United States where there was interest in records whose source or language was German The principal intention of this volume is to produce a complete listing of material within this field and not merely a selection e g operatic records only Thus it lists not only the important recordings from Wagner operas but those from other composers together with all the songs popular and serious recorded by the most important record company of the age Also included are all the instrumental records of the time by pianists violinists cellists and harmonica players as well as military music played by celebrated regimental bands Included with this is a remarkable amount of material where the executant was also the composer an area of unusual interest In previous years most records from this time period were unavailable and there was virtually no chance of ever hearing them particularly where copies were so rare as to exist in only one collection The introduction of the long playing record changed the situation and the invention of the compact disc has improved availability to an extent undreamed of even a few years ago

This volume is intended to provide collectors and archivists with a comprehensive and reliable guide to the contents of their collections **The National Union Catalog, Pre-1956 Imprints** ,1968 **Willing's Press Guide** ,1963 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A
