At First Glance Breeanna Mae Alessandra, 2012-05-23 In a world where time does not exist and cultural structure is fragile at best a life will be changed by a stroke of luck and misfortune Lives lost and lives anew will disrupt the flow of nature twisting reality to the very point of breakage Harlow Grimm is a young beautiful girl living as a poor peasant in a rural of a time that is now forgotten She lives a modest chaste and innocent life every day humming about living day to day with not a particular care in the world She is in love or so she thinks Her mother has a secret but her father is greedy and ruins the plan When Jafar a Prince with a dark lust decides that he wants Harlow neither her mother nor her fianc had the power to overcome the influence of dirty money Harlow s story is complicated By a twist of fate she would meet a man she did not understand and as Harlow begins to discover her true destiny she falls Sometimes losing her mind her journey over a short time brings her to places she never thought she would go In war she conquered In life she shone In love she soared Harlow Grimm is the brightest star Merely a child she faces adult situation and her doomed existence knowing her nemesis is life itself The writing on the wall they say is often seen but we assume that writing is meant for someone else Harlow had to see that it was her writing She was forced to see that she was not just Harlow Grimm of Dash In this story you will see that making judgments and rash decisions will lead you to sure demise Nothing is ever as it seems at first glance

Kingfisher Blues Erik Reece, 2024-11-05 At the intersection of alcoholism and recovery *Kingfisher Blues* brings an unflinching eye and raw wit to one man s battle with addiction Alternating between meditations on the natural world and gritty snapshots of the county jail rehab center and people who occupy these spaces with him from strippers to soldiers Reece ruminates on the thin line between life and death Evocative and unfiltered *Kingfisher Blues* weaves his experiences of Montana prairies Kentucky woods and Cumberland creeks into stories shared with neighbors ancestors former friends and enduring partners These intensely personal yet universal poems boldly confront demons and deities while remaining skeptical about either s existence By conveying the despair and serenity found in the loneliness of the woods and seeking self acceptance in the face of ugly truths this collection offers a visceral encounter with the intertwined forces of nature human struggle and redemption
