Blind Journey:

Dance and the Specific Image Daniel Nagrin, 2015-03-23 After an extraordinary career in dance as a performer choreographer and teacher Daniel Nagrin has now written an extraordinary book In it he explores the roots of his aesthetic philosophy influenced by Stanislavski Helen Tamiris Joseph Chaikin and the Open Theatre and his work on and off Broadway as an actor and dancer *Dance and the Specific Image* includes over one hundred improvisational structures that Nagrin created with his new company the Workgroup and has taught in dance classes and workshops all over the United States Designed primarily for dancers many can be adapted for actors and even musicians In the 1960s at a time when many modern dancers were working with movement as abstraction Nagrin turned instead toward movement as metaphor His passionate belief that dance must speak of people led him to found the Workgroup a small company of dancers who in the early 1970s devoted themselves to the practice and performance of improvisation Nagrin invites the reader into the mind of a dancer totally absorbed in his art one who writes with wisdom and authority about what it means to be an artist

Shimmering Waters of Gold Joyce S. Savage, 2022-09-19 Joyce Savage speaks from the heart in this poetry book which talks about love hope empowerment passion and emotions Open these pages and get comfortable on your couch Feel the emotions and think deeply about the life and the world around you *Shimmering Waters of Gold* s intent is to inspire impress impact and spell bind its readers Trying to exist in a world that is changing daily The author challenges herself and her disappointments and has transformed them into a literary work known as *Shimmering Waters of Gold* When nothing but trepidations engulf And life s source sinks like the day stand A beam your face cannot embrace The lips are frozen in a stance Still I hope you laugh I hope you laugh Because there is always tomorrow *Jet*, 1979-07-05 The weekly source of African

American political and entertainment news **The Six Questions** Daniel Nagrin, 1997-06-15 Writing in *Dance Research Journal* Joellen A Meglin of Temple University called *The Six Questions* a nerve hitting nitty gritty accept nothing bogus action painted account of the dance performance process based on a lifetime of creative performance choreography and teaching Nagrin s second volume focuses on the theory of acting technique for dance performance and includes a workbook of exercises **CEO OF MY TIME FOR BEING A..I** Rajeev Nalawadi, 2023-07-06 Each one of us has a perception of reality that is shaped by a number of factors such as our senses our experiences our beliefs our emotions and our perspectives This book draws from personal experiences culture technology genes philosophy and attempts to reveal a path that systematically unveils the tools to understanding ourselves better and as a result unlock the potential deep within us If we believe that the world is a dangerous place we may be more likely to interpret events in a negative way Conversely if we believe that the world is a friendly place we may be more likely to interpret events in a positive way By creating an awareness of how these perceptions of reality are influential and understanding how our minds work we can become more objective in our thinking and make better informed decisions Technology growth has fueled our communications by helping us stay in touch with

friends and family anywhere in the world collaborate with colleagues clients located anywhere in the world provided accessibility to almost unlimited information and knowledge at the click of a few buttons improved quality of life for people with disabilities wearables to monitor our health and fitness Despite all these life enriching experiences there is a deep sense of anxiety fear and tension that is tied to newer innovations like Artificial Intelligence AI and many other products Embark on this unique transformational journey with author Rajeev Nalawadi to analyze from an engineer's perspective the concepts of I Me Mine You in our lives When we see ourselves as I we are seeing ourselves as separate from the world around us When we see ourselves as me we are seeing ourselves as a collection of thoughts feelings and experiences When we see ourselves as mine we are seeing ourselves as attached to things and people in the material world When we see ourselves as you we are seeing ourselves as connected to all other beings in the universe How can we transform ourselves to chart life's journey to lead a more fulfilling life amidst the wave of breakneck speed innovations about to be introduced Tapping into the field of all possibilities is within reach for all of us it just needs to be explored the right way Rather than being overwhelmed by the blast of technological innovations headed our way we can use some techniques to manage our life's transformations in a way that can instill peace and calmness

An Ethical Novelette A.Prakruthi, The most blissful part of life is reliving the memories concocted with our cherished ones My ink is drained the more I write about it pristine memories also lay the first stone Though it is a past reminiscence my grains are still so fresh Life is full of ethical knowledge but the most exquisite code of conduct is to value the souvenirs given to us by our menage Every drop of ink is the pages of long lasting love With emotions embraced and bruises built is an ethical novelette The Mayans Among Us Ann L. Sittig,Martha Florinda

González,2016-03 The Mayans Among Us conveys the unique experiences of Central American indigenous immigrants to the Great Plains many of whom are political refugees from repressive war torn countries Ann L Sittig a Spanish instructor and Martha Florinda Gonz lez a Mayan community leader living in Nebraska have gathered the oral histories of contemporary Mayan women living in the state and working in meatpacking plants Sittig and Gonz lez initiated group dialogues with Mayan women about the psychological sociological and economic wounds left by war poverty immigration and residence in a new country Distinct from Latin America's economic immigrants and often overlooked in media coverage of Latino and Latina migration to the plains the Mayans share their concerns and hopes as they negotiate their new home culture language and life in Nebraska Longtime Nebraskans share their perspectives on the immigrants as well The Mayans Among Us poignantly explores how Mayan women in rural Nebraska meatpacking plants weave together their three distinct identities Mayan Central American and American

Choreography And The Specific Image Daniel Nagrin,2001-08-15 The world outside has burst into the studio writes the influential dancer teacher and choreographer Daniel Nagrin Many dancers want passionately to confront concrete difficult subjects But their formalistic training hasn't prepared them for what they need to say This book the first on choreography approached through content rather than structure is designed with them in mind

Spiced with wit and strong opinions *Choreography and the Specific Image* explores in nineteen far ranging essays the art of choreography through the life s work of an important artist A career of performance creativity and teaching spanning five decades Nagrin reveals the philosophy and strategy of his work with Helen Tamiris a founder of modern American dance and of Workgroup his maverick improvisation company of the 1970s During an era when many dancers were working with movement as abstraction Nagrin turned instead toward movement as metaphor in the belief that dance should be about something In *Choreography and the Specific Image* Nagrin shares with the next generation of dancers just how that turn was accomplished It makes no sense to make dances unless you bring news he writes You bring something that a community needs something from you a vision an insight a question from where you are and what churns you up In a workbook following the essays Nagrin lays out a wealth of clear effective exercises to guide dancers toward such constructive self discovery Unlike all other choreography books Nagrin addresses the concerns of both modern and commercial show dance choreographers The need to discover the inner life he maintains is what fires the motion This is Nagrin s third book of a trilogy following *Dance and the Specific Image* *Improvisation and The Six Questions* *Acting Technique for Dance Performance* Each focuses on a different aspect of dance improvisation performance and choreography engaging the specific image as a creative tool Part history part philosophy part nuts and bolts manual *Choreography and the Specific Image* will be an indispensable resource for all those who care passionately about the world of dance and the world at large **Moving**

Beyond Boundaries (Vol. 1) Carole Boyce-Davies, Molar Ogundipe-Leslie, 1995-02 V 1 International dimensions of Black women s writing **Pax Athenica** Geoffrey Greer, 2007-09 In the distant future an AI society stands as the sole inheritors of the earth after human activity has annihilated all organic life on the planet including the humans themselves After eight decades of war peace has finally been secured by the victorious city state Athens whose governor Maximilian has realized his lifetime dream of unifying their society However new discord arises when the earth exhibits symptoms of biological regeneration a phenomenon regarded by the ruling class as a threat to their way of life Maximilian cannot see why biological diversity should be important to an entirely robotic society and a separatist movement takes form rallying behind the scholar Isaac which threatens to destroy the peace of Athens and bring the state to civil war Wisconsin Library Bulletin , 1953

The medicine wheel is a compass that helps us find our way using the four directions of east, south, west, and north. Symbolized by the colours yellow, red, black, and white, the four directions hold medicine that teaches us about the four parts of our human being: our emotional, physical, spiritual, and mental realms. By learning to balance our realms of being, we come to see that we ourselves are the guides we seek on the path of life during our earthwalk. At the centre of the medicine wheel, we reach our inner power. Then, rooted like a mighty pine, we begin to grow and ascend higher into an awareness of living with intentional wholeness. Encompassing the beautiful wisdom of Native philosophy, the medicine wheel is a tried and true circle that teaches balance, making harmony meaningful. Explore the nature of your own four directions guided by the medicine wheel. In seeing the true colours of your own spirit, you'll be able to use the good medicine ever present within you to enhance your world.
