Sight Unseen Georgina Kleege, 1999-03-11 This elegantly written book offers an unexpected and unprecedented account of blindness and sight. Legally blind since the age of eleven, Georgina Kleege draws on her experiences to offer a detailed testimony of visual impairment: both her own view of the world and the world's view of the blind. I hope to turn the reader's gaze outward to say not only "Here's what I see" but also "Here's what you see" to show both what's unique and what's universal. Kleege writes: Kleege describes the negative social status of the blind, analyzes stereotypes of the blind that have been perpetuated by movies, and discusses how blindness has been portrayed in literature. She vividly conveys the visual experience of someone with severely impaired sight and explains what she can see and what she cannot, and how her inability to achieve eye contact in a society that prizes that form of connection has affected her. Finally, she tells of the various ways she reads and the freedom she felt when she stopped concealing her blindness and acquired skills such as reading braille as part of a new blind identity. Without sentimentality or clichés, Kleege offers us the opportunity to imagine life without sight.

**Blind Lust** Maurice Gauthier, 1967      **LOVE, SEX, AND STUPIDITY** Edward Esiri Company, 2024-02-12 There is no better way to present and explain the subject Love, Sex, Lust, and Morality to young inquisitive minds than with true life stories, especially of the five young people in this book whom I met at different periods in time many years ago and for the sake of their privacy I have intertwined their stories into one unfortunate teen party and the new girl that came to their school. With the dialogue-driven narrative style of each of the stories of our five friends NGOZI, SARAH, ALEX, TIMOTHY, and BISI, every reader will be able to connect with the characters and their emotions. Through their journeys, we explore the themes of temptation, morality, abusive toxic relationships, rebellion, and the consequences of our actions. Their stories also serve as a reminder that even in the face of darkness, there is hope. **WE SHALL ALSO LEARN THE TRUTH AND ANSWER TO QUESTIONS LIKE:** What signs show that I am in lust and not in love? Is love more than just a feeling? Does Pornography affect the mind? Condoms: do they really work? STDs: how do they operate? What are the signs of a toxic abusive relationship and so much more.      *The Bedtrick* Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger. Meant literally or figuratively, this statement describes one of the best-known plots in world mythology and popular storytelling. In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova, the erudite and irrepressible Wendy Doniger shows us the variety, danger, and allure of the bedtrick or what it means to wake up with a stranger. *The Bedtrick* brings together hundreds of stories from all over the world, from the earliest recorded Hindu and Hebrew texts to the latest item in the *Weekly World News* to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of. Here you will find wives who accidentally commit adultery with their own husbands. You will read Lincoln's truly terrible poem about a bedtrick. You will learn that in Hong Kong, the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis*. And that President Clinton was not the first man to be identified by an idiosyncratic

organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

**Overcoming Spiritual Blindness** James P. Gills,2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah's vision of a day when God's Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God Overcoming Spiritual Blindness emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart Overcoming Spiritual Blindness exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind
