Blockade Runner:

The Narrative of a Blockade-Runner J. Wilkinson, 2018-04-05 Reproduction of the original The Narrative of a Blockade Runner by J Wilkinson **British Blockade Runners in the American Civil War** Joseph McKenna, 2019-04-11 Perhaps more than all the campaigns of the Union armies the Union naval blockade covering all major Southern ports along 3 500 miles of coastline for the duration of the war brought down the Confederacy The daring exploits of Confederate blockade runners are well known but many of them were British citizens operating out of neutral ports such as Nassau Havana and Bermuda Focusing on British involvement in the war this history names the overseas bankers and manufacturers who in critical need of cotton and other Confederate exports financed and equipped the fast little ships that ran the blockade The author attempts to disentangle the names and aliases of the captains many of whom were Royal Navy officers on temporary leave and tells their stories in their own words *The Adventures of a Blockade Runner* William Watson, 1898 Graveyard of the Atlantic David Stick, 2000-11-09 This is a factual account written in the pace of fiction of hundreds of dramatic losses heroic rescues and violent adventures at the stormy meeting place of northern and southern winds and waters the Graveyard of the Atlantic off the Outer Banks of North Carolina *The Civil War Adventures of a Blockade Runner* William Watson, 2001 William Watson published his account of the two years he spent evading Union gunboats and dealing with the sharpers who fed off the misfortune of war in 1892 Using log books personal papers and business memoranda he sought to write a plain blunt account of events just as they happened Instead he wrote a classic adventure tale whose careful description of seafaring in the 1860s gives us a glimpse into a world now closed to us Watson is the protagonist but he shares his story with his ship the Rob Roy a center board schooner whose shallow draft and wide beam made it the ideal vessel for slipping over shoals and dashing in and out of blockaded ports He peoples his account with the good the bad and the unlucky from the likeable and irrepressible Captain Dave McLusky to the loathsome and dishonest Mr R M He takes his reader from Havana where land sharks greeted incoming sailors to Galveston where sharp businessmen and corrupt officials connived to confiscate both profits and ships He stops at Matamora a dusty place on a bare and barren coast and he visits General Magruder in Houston His crew brave gales and a hurricane that drives the Rob Roy back thirty miles and he survives plots against his ship and his life Through it all Watson enjoys himself Blockade running he declares was not unlawful or dishonourable Rather it was a bold and daring enterprise an exciting sport of the higher order like racing yachts and an almost obligatory act of defiance of a blockade maintained by no other right than by the force of arms The commission merchants did better than the blockade runners But Watson recalled his years dodging federal gunboats and outwitting petty officials treacherous crew and dishonest businessmen as much more congenial than the extortions and deceitful wheedling and trickeries of the legitimate trade This is an adventure story held together by the nuts and bolts of sailing Watson's discussion of why sail was superior to steam for running blockades is superb his detailed accounts of surviving gales and

outrunning Federal cruisers are fascinating He takes yellow fever and high sea chases in stride Through it all he maintains his honor and guards his profits For the reader who wants to ply the Gulf of Mexico under sail play the lottery in Havana and visit Texas when it was a new country Watson is the perfect guide to run the blockade that time imposes on posterity *The Adventures of a Blockade Runner* William Watson,1892 **The Blockade and the Cruisers** James Russell Soley,1898

Blockade Runner Harold J. Heagney,1939 **The adventures of a blockade runner; or, Trade in time of war** William Watson (of Skelmorlie.),1892 *Blockade Runner* ,2009 Marcy, the Blockade-runner Harry Castlemon,1891

Charlet,2020-02-15 More than 6 000 ships have met their doom in the waters along the North Carolina coast weaving a rich history of tragedy drama and heroics along these picturesque beaches Men have lost their lives and fortunes and heroes have been made where the combination of mixing currents treacherous coastline and shifting underwater sandbars spells disaster for even the most seasoned sailor These are the stories of daring rescues tragic failures enduring mysteries buried treasure and fascinating legends **House Documents** USA House of Representatives,1872 **BLOCKADE RUNNER.** GILBERT. MORRIS,1999 *Harper's New Monthly Magazine* ,1871 **British Ships in the Confederate Navy** Joseph McKenna,2010-03-08 During the American Civil War British crewed warships harassed Union merchantmen sinking a total value of more than 15 000 000 in ships and cargo Considered pirates by the federal government these ships and crew were at the center of a largely unknown but fascinating
