## **Blood Father:**

James Tucker,2005-07-01 Very few of the titles whether fiction or non take a serious analytical look at the Bible as a biblical scholar or theologian would This is where God s Inferno differs from the majority It utilizes logical rational reasoning to analyze what that Bible actually says not what most have been lead to believe It seriously attacks the present Christian faith as their tenants and doctrines are based on a very faulty interpretation of what the Bible actually says It maintains and proves the god of the Old Testament is not the Supreme God but merely what the Jewish people of Israel pictured their god to be Naturally if he is not the Supreme God then Jesus is not the Son of that Supreme God but may have been the son of that hateful murderous vengeful god of the Old Testament From the founding of Christianity it traces its impact through the first 1500 1600 years of the Catholic Church the keepers of the faith during that time It documents the Crusades the Inquisitions and the Reformation as well as the many married priests Popes who fathered children and under aged leading fathers of the Church Finally it attempts to motivate the indifferent Christian to utilize his God given mind to seriously think about what they actually believe and to conduct their lives according to that belief Tanibus Brad Bell,2022-05-04 The Vatican has

protected the spear of destiny for centuries Very few in the church know of its existence and even fewer know of its true power When the spear is stolen the church vows to do whatever it takes to get it back including kidnapping the family of the greatest warrior to ever walk the earth to force his cooperation in its retrieval Resurrected after a thousand years in hell Tanibus will stop at nothing to get his family back But there is a child and also a crusade that stands between accomplishing his goal Tanibus Warrior of God is the second book in the Tanibus saga and immediately picks up where the first book The Forgotten Disciple ends making for an easy transition for the reader Follow the journey of the man who has walked with Jesus and gave his life to protect him in hell *Above the Clouds* Takie Sugiyama Lebra,1995-03-27 This is an ethnographic study of the modern Japanese aristocracy The author gained entry into the tightly knit kazoku and conducted more than 100 interviews with its members Winner of the Association of American University Presses Hiromi Arisawa Award
