Political Writing: A Guide to the Essentials Adam Garfinkle, David Brooks, 2014-12-18 Writing well and persuasively is not only a discipline that can be learned it is one deeply rooted in the classical arts of rhetoric and polemic This book introduces the essential skills rules and steps for producing effective political prose appropriate to many contexts from the editorial the op ed and the polemical essay to others both weighty and seemingly slight The Oxford Handbook of Undergraduate Psychology Education Dana Dunn, 2015 The Oxford Handbook of Undergraduate Psychology Education provides psychology educators administrators and researchers with up to date advice on best teaching practices course content teaching methods and classroom management strategies student advising and professional and administrative issues

Literature for Today's Young Adults Kenneth L. Donelson, Alleen Pace Nilsen, 2004 Discusses young adults and what they read the history of adolescent literature literary genre using and evaluating literature for the library and classroom and censorship Numerous bibliographies are included 100 First Pages Donald P. H. Eaton, 2007-09 This book is called 100 First Pages because that's what it is Each page in the book is supposed to be the first page of a novel Next to that page on the left are my comments about how the novel might go along with some of my personal thoughts on the subject That's the best part because it is a mini encyclopedia almanac journal and to some extent a blog The book covers a large array of topics and genres When you buy the book and read it you can go to my website listed in the back and vote for your favorite BEGINNING You can also suggest a title for the book I promise that I will write the novel which receives the most votes for publication AND if you are the person who suggests the Best Title i.e. the one I will use you will get a cover credit an entire page inside to write anything you like and one dollar for every copy sold Check out the preview and give it a try
