**Blood Upon the Snow** John Elliot,1977-01-01      **Blood Upon the Snow** John Elliot,1977      **Blood in the Snow** Pamela D. Holloway,2018-12-13 A shot rings out the woman s final thought is that her little girl is safe      *Blood Upon the Snow* Hilda Lawrence,1946      *The Green Book* Mór Jókai,1897      *Blood in the Snow* Tom Henderson,2011-04-26 Vivid characters carry the action in latest book about grisly Metro Detroit murder a page turner from the true crime author of *Darker Than Night* The Detroit News Washington Township Michigan Valentine s Day 2007 Stephen Grant filed a missing person s report on his beloved wife Tara The stay at home father of two was beside himself with despair Why would Tara abandon him and their family Was she involved with another man Stephen s frantic emotional search for Tara made national headlines and the case was featured on Dateline among other television shows and news outlets But key elements in Stephen s story still weren t adding up Why did he wait five days to go to police What was the nature of his relationship with his children s beautiful nineteen year old babysitter Why did Stephen have cuts on his hands and random bruises Then the police made a gruesome discovery Parts of Tara Grant s body started turning up around the woods near the Grant s home The truth was finally coming to light and after a two day manhunt Stephen admitted to having killed Tara first strangling her then cutting her body into fourteen pieces before burying them This is the shocking true story about a bitter cheating husband whose crimes were revealed by the *Blood in the Snow* Please note that the photos that appear in the print edition of the title do not appear in the e book *Blood in the Snow* is the third book about the case but it s also the only one that had police cooperation And that makes all the difference a wild ride of a read that s still compelling Metro Times      **Perceval, Or, The Story of the Grail** Chrétien de Troyes,Chrétien (de Troyes),1985-01-01 In this verse translation of *Perceval or The Story of the Grail* Ruth Harwood Cline restores to life the thematically crucial Arthurian tale of the education of a knight in his search for the Holy Grail Cline s translation faithful to the highly synthetic deliberately ornate nature of medieval French follows Perceval from his home in Wales through his rich and raucous adventures as a member of the fraternity of knights to his climactic meeting with the Fisher King Paralyzed by his first glimpse of the Grail Perceval fails to save the ailing king Distraught the knight begins a new quest for the Grail a journey on the road of penitence and faith Perceval s venture the true test of his knighthood ends without conclusion the death of author Chr tien de Troyes left unsaid and undetermined the success of Perceval s quest      **The Green Book, Or, Freedom Under the Snow** Mór Jókai,1897      **Blood on Snow** Tim Bowler,2004 It seemed just another boring history lesson at a boring castle ruin But without warning Will feels a dreadful presence enter his body and speak through his own mouth Will soon finds himself drawn into a nightmare of revenge that places him in terrifying and mortal danger      *Blood on the Snow* John Elliott,1977-01-01 An aristocratic woman converted into a revolutionary a priest who leads the 1905 rebellion and an officer in the czar s army are central figures in a novel capturing the turbulence of early twentieth century Russia      **The Complete Story of the Grail** Chrétien (de Troyes),2015

The mysterious and haunting Grail makes its first appearance in literature in Chr tien de Troyes Perceval at the end of the twelfth century But Chr tien never finished his poem leaving an unresolved story and an incomplete picture of the Grail It was however far too attractive an idea to leave Not only did it inspire quite separate works his own unfinished poem was continued and finally completed by no fewer than four other writers The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chr tien s poem and its four Continuations which are finally attracting the scholarly attention they deserve Besides Chr tien s original text there are the anonymous First Continuation translated here in its fullest version the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other s work by Manessier and Gerbert de Montreuil Two other poets were drawn to create preludes explaining the background to Chr tien s story and translated here also are their works The Elucidation Prologue and Bliocadran Only in this The Story of the Grail s complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chr tien s theme not least their crucial focus on the knight as a crusader Equally Chr tien s original poem was almost always copied in conjunction with one or more of the Continuations so this translation represents how most medieval readers would have encountered it Nigel Bryant s previous translations from Medieval French include Perlesvaus the High Book of the Grail Robert de Boron s trilogy Merlin and the Grail the Medieval Romance of Alexander The True Chronicles of Jean le Bel and Perceforest
