leads Maggie and Hastiin to investigate an outpost and what they find there will challenge everything they've come to know in this badass The New York Times action packed sequel to Trail of Lightning. It's been four weeks since the bloody showdown at Black Mesa and Maggie Hoskie, Din monster hunter, is trying to make the best of things. Only her latest bounty hunt has gone sideways; she's lost her only friend Kai Arviso, and she's somehow found herself responsible for a girl with a strange clan power. Then the Goodacre twins show up at Maggie's door with the news that Kai and the youngest Goodacre, Caleb, have fallen in with a mysterious cult led by a figure out of Navajo legend called the White Locust. The Goodacres are convinced that Kai's a true believer, but Maggie suspects there's more to Kai's new faith than meets the eye. She vows to track down the White Locust, then rescue Kai and make things right between them. Her search leads her beyond the Walls of Din'tah and straight into the horrors of the Big Water world outside. With the aid of a motley collection of allies, Maggie must battle body harvesters, newborn casino gods, and ultimately the White Locust himself. But the cult leader is nothing like she suspected, and Kai might not need rescuing after all. When the full scope of the White Locust's plans are revealed, Maggie's burgeoning trust in her friends and herself will be pushed to the breaking point, and not everyone will survive.

*Dragon Heir* Bundle Ann Gimpel, 2021-02-14. Over 900 pages of dystopian fantasy. Odin's realm and the Nine Worlds clash with the Celtic gods in an unforgettable trilogy. Dragon's Call: After her Celtic kin proved too big a bunch of bastards to bother with, Rowan sought solace among witches. After the Breaking, not much was left. I assumed it was a case of magic gone bad until I discovered my goddess mother had broken the world. She didn't like it that I'd turned my back on the pantheon. My long tenure among witches rubbed salt into the wound. After a confrontation where Mommy Dearest fessed up and lacked the decency to bat an eyelash about the widespread destruction she'd caused, I was digesting what to do next when a dragon showed up. Yes, a dragon. I was grateful for the help and suspicious as hell. Why a dragon? Why here and why now? More importantly, why was he/she helping me? Part of me didn't want to know, and another part was certain I'd find out anyway.

*Dragon's Blood*: After discovering she's half dragon, Rowan figures it can't be any worse than being related to the Celts. That's the thing about assumptions, though: They come round and bite you in the ass. I'd rather fight than study, but I'm stuck poring over dusty scrolls. I promised I'd learn about the dragon part of my magic, but I'm having a hell of a hard time believing there's some concealed strain of power just waiting for me to kindle it. Meanwhile, my friends, the witches, are playing fast and loose with remaining hidden. My Celtic kin won't bother them anymore, at least I don't think they will. But far worse things rove Earth than the Celtic gods. The Breaking has developed an energy all its own. The longer it runs wild, the harder it will be to contain. Soon, very soon, no magic in the Nine Worlds will be enough to counteract it. Once that happens, the few remaining mortals will go first, but the rest of us won't be far behind them.

*Dragon's Heir*: Rowan hasn't made a dent in coming to terms with her black to his bones dragon father when she gets pregnant. The dragon child isn't even here yet, but everyone's already fighting over his future. I'm being pulled nine ways at once. Brand new mating. Brand new pregnancy. Stronger magic than I'm

used to The Nine Worlds are failing Rot that began on Earth has spread to Vanaheim Odin knows more than he s telling us and no one has any interest in working together The only thing everybody has in common is a sudden weird fascination with my baby The dragons want him raised on Fire Mountain The Celts want us in Inverlochy Castle with them Hel hasn t weighed in but I bet she d like to see her grandson in Niflheim where she can dandle him on her knees every day If it weren t for the catastrophe looming over our heads Bjorn and I would escape to a distant borderworld and never look back It s always an option Good to preserve as many of those as possible Keep your fingers crossed for me And my son See you on the other side
