Blood Sweat And Tears Australians And Sport

Glen Humphries

Blood Sweat And Tears Australians And Sport:

A Sporting Nation Paul Cliff, 1999 A Sporting Nation will appeal equally to the serious sports enthusiast and mainstream reader Its main text comprises excerpts from the Library s oral history recordings with additional features by Olympian Marlene Mathews and Eric Rolls and Marion Halligan Twenty six richly illustrated features present a broad and popular sweep through the nation s sporting culture opening with a recollection of the 1956 Melbourne Olympics and a survey of the Sydney 2000 Games by Marlene Mathews Australian National Bibliography ,1978 **Great Sporting Sites: Australia** Glen Humphries, 2025-07-02 Discover the iconic backdrops of Australia s legendary sporting feats in this fully illustrated hardback book From the fabled MCG to Mount Panorama and the legendary Gabba to Constitution Dock discover the stories legends and moments that make these places sacred A must read for fans history buffs and travellers seeking Australia s sporting soul Great Sporting Sites Australia showcases the iconic fields racetracks and stadiums that reflect the nation s passion for sport From the renowned Melbourne Cricket Ground MCG and Mount Panorama to the legendary Gabba and Constitution Dock explore the stories legends and moments that make these venues sacred This is a must read for fans history enthusiasts and travellers looking to connect with Australia s sporting spirit The Oxford Companion to Australian Sport Wray Vamplew, 1994 The Oxford Companion to Australian Sport appears in a revised updated and greatly expanded new edition Produced by the Australian Society for Sports History this is the first authoritative and encyclopedic reference work on all sports played in Australia It provides a comprehensive overview of the history and character of the innumerable codes that constitute the Australian sporting character All sports are covered not just the major ones like cricket Australian Rules lawn tennis and horse racing The Companion offers succinct and informative entries on famous sportsmen and women and on major institutions competitions and venues The Companion also offers thematic essays on crucial aspects of the history culture and professionalization of sport in Australia For the first time readers have access to biographies of sporting champions from different codes all of whom rub shoulders in this literary pantheon For the second edition the editors have commissioned four major new thematic essays Coaching Disabled Sportsmen and Women Regionalism and the Olympic Winter Games Seven more sports have been added badminton bicycle racing curling fives petanque ring bowls and surfing along with 38 additional clubs The second edition boasts 240 new biographies One of its major features is a list of lists which provides full details about major competitions such as the Stawell Gift Davis Cup finals the Sydney to Hobart Yacht Race the Sheffield Shield Brownlow Medallists to name just a few of the lists contained in this Appendix Greatly expanded and offering a readable cultural history of Australian sport the Oxford Companion to Australian Sport is essential reading for sportsmen and women administrators journalists and sports followers **Sport in Australian History** Daryl Adair, Wray Vamplew, 1997 Australians are often said to be obsessed with sport and playing and watching sport have long been regarded as national pastimes This book is an innovative and exciting study of the political economic social and cultural role that sport

has played in Australia since European settlement

Pioneers & Icons of Australian Motorsport Bill

Pearson, 2025-02-21 The author has captured in words and lavish illustrations many of his own that have never been seen before the stories of over one hundred men and women whose personal motor racing journeys paved the way to establish and explode this sport They did so both locally and overseas showing that Aussies were as good as the world's best when it came to not only skill behind the wheel but also in the design and manufacture of the fastest cars and in organising events of the highest level and regard Most of these names are extremely well known by all Aussie petrol heads household names admired around any backyard barbecue Just the mention of their names brings nods of respect But you will additionally read accounts of some very significant lives and racing achievements you previously knew nothing about and some are quite simply amazing There's our first woman to race commercially overseas Just how she got there is incredible Then you share the exploits of an illegal inter capital record holder who went to New Zealand to break the land speed record the farmers whose sons and grandsons became racing dynasties and the home grown mechanics and car builders whose designs obliterated all competition Strap yourself in and hang on It's gonna be a bloody wild ride

Sport, Technology and the Body Tara

Magdalinski, 2009-01-13 What is the nature of athletic performance This book offers an answer to this fascinating question by considering the relationship between sport technology and the body Specifically it examines cultural resistance to the enhancement of athletes and explores the ways in which performance technologies complicate and confound our conception of the sporting body The book addresses concerns about the technological invasion of the natural body to investigate expectations that athletic performances reflect nothing more than the actual capacity of the untainted athlete By examining a series of case studies including Paralympic sprinter Oscar Pistorius Fastskin swimsuits hypoxic chambers and an array of illicit substances and methods the book distinguishes between internal and external technologies to highlight the ways that performance enhancement and public reaction to it can be read Sport Technology and the Body offers a powerful challenge to conventional views of athletic performance that stand authenticity against artifice integrity against corruption and athletic purity against technological intrusion It is essential reading for all serious students of the sociology culture or ethics of sport

Film, Video and Multimedia Guide Peter Tapp, 1997 Films videos and multimedia products released in Australia in the last 18 months 6 000 titles include feature films documentaries educational titles etc Lists where titles can be borrowed or bought in Australia and New Zealand Has title category i e subject country and director indexes Includes summaries

Australia I. Kepars, 1994 *Australasia and South Pacific Islands Bibliography* John Thawley, 1997-02-20 This selective bibliography of nearly 6 000 items concentrates on monographs published during the last fifty years updating other major bibliographies on the Australasian and South Pacific region
