

Blood For Diamonds

Lillian E. Forman

Blood For Diamonds:

Blood Diamonds in Africa Caroline Mutuku, 2018-06-13 Document from the year 2018 in the subject Economics Industrial Economics grade 1 language English abstract In 2012 CNN broadcasted an analysis on how diamonds fuel conflicts in Africa The story rose out of the trial of Charles Taylor a former President of Liberia at the International Court for crimes against humanity committed in Sierra Leone The civil war in Sierra Leone was funded by the proceeds from the illegal sales of the alluvial diamonds found in Sierra Leone The abundant natural resource was used to kill and main the people it should have benefited The RUF rebel forces as well as the government forces committed horrendous atrocities against the people of Sierra Leone most of whom still live with the scars inflicted by the rebels The gross human rights violation involved the amputations of arms legs noses and ears if the victim was suspected of corroborating with the government The Liberian government was also culpable in the human rights violation for having supported the rebels with arms and logistics From Blood Diamonds to the Kimberley Process Franziska Bieri, 2016-04-15 In the late 1990s several non governmental organizations NGOs focused world attention on the issue of conflict diamonds which funded wars massive death and refugee crises across Central and West Africa Several governments NGOs and key industry players engaged in negotiations under the so called Kimberley Process KP A voluntary global agreement came into effect leading to a substantial decline in illicit diamond trade Despite its importance in international affairs the KP remains understudied in academia Franziska Bieri s book provides the first comprehensive account of the KP and is the first to reveal how NGOs have become critical actors in their own right possessing the ability to directly influence policies and to participate in the decision making and the implementation of global agreements In developing this argument Bieri explains why the NGO campaign to raise awareness was successful why a rapid and comprehensive resolution on such a complex global problem was possible how the tripartite negotiations between states NGOs and industry developed during the implementation of the agreement which is an on going process Based on extensive personal interviews with prominent campaigners leading bureaucrats and industry officials hundreds of KP publications official UN documents industry news and NGO reports this timely book allows for a much needed engagement in contemporary debates about the campaign against conflict diamonds the Kimberley Process and the themes defining today s global governance arena *From Blood Diamonds to the Kimberley Process* Franziska Bieri, 2016-04-15 In the late 1990s several non governmental organizations NGOs focused world attention on the issue of conflict diamonds which funded wars massive death and refugee crises across Central and West Africa Several governments NGOs and key industry players engaged in negotiations under the so called Kimberley Process KP A voluntary global agreement came into effect leading to a substantial decline in illicit diamond trade Despite its importance in international affairs the KP remains understudied in academia Franziska Bieri s book provides the first comprehensive account of the KP and is the first to reveal how NGOs have become critical actors in their own right possessing the ability to directly influence

policies and to participate in the decision making and the implementation of global agreements In developing this argument Bieri explains why the NGO campaign to raise awareness was successful why a rapid and comprehensive resolution on such a complex global problem was possible how the tripartite negotiations between states NGOs and industry developed during the implementation of the agreement which is an on going process Based on extensive personal interviews with prominent campaigners leading bureaucrats and industry officials hundreds of KP publications official UN documents industry news and NGO reports this timely book allows for a much needed engagement in contemporary debates about the campaign against conflict diamonds the Kimberley Process and the themes defining today s global governance arena *Blood Diamonds* Greg Campbell,2012-04-03 First discovered in 1930 the diamonds of Sierra Leone have funded one of the most savage rebel campaigns in modern history These blood diamonds are smuggled out of West Africa and sold to legitimate diamond merchants in London Antwerp and New York often with the complicity of the international diamond industry Eventually these very diamonds find their way into the rings and necklaces of brides and spouses the world over Blood Diamonds is the gripping tale of how the diamond smuggling works how the rebel war has effectively destroyed Sierra Leone and its people and how the policies of the diamond industry institutionalized in the 1880s by the De Beers cartel have allowed it to happen Award winning journalist Greg Campbell traces the deadly trail of these diamonds many of which are brought to the world market by fanatical enemies These repercussions of diamond smuggling are felt far beyond the borders of the poor and war ridden country of Sierra Leone and the consequences of overlooking this African tragedy are both shockingly deadly and unquestionably global Updated with a new epilogue **Dilemma of a Nation** Alpha M Barrie,2014-01-22 Sierra Leone a small country in the west coast of Africa bestowed with numerous mineral resources has been shattered by greed and tribal differences In spite of the abundant resources such as diamond gold bauxite iron ore chromium to name but just a few Sierra Leone remains under developed on to this day **Blood Diamonds** Jon Land,2025-09-23 The West African country of Sierra Leone has long been known as a diamond rich area With civil war ripping the heart out of the country all aspects of life there are unstable Worst of all guerrilla rebels in their lust for the resource rich land have sunk to depravity and terrorism to evict people from the country It s into this maelstrom of political and emotional turmoil that Ben and Danielle must go The leader of the rebels a fanatical and charismatic woman known only as the Dragon is not content with ravaging her own country She plans a final coup that will perfect her power and topple Western governments unless Ben and Danielle can stop her in time At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Blood Diamonds Greg Campbell,2004-02-05 Journalist Greg Campbell leads the reader down the international diamond trail of brutality horror and profit providing an on the ground and in the mines story of global consequence Blood on the Stone Ian Smillie,2010 Africa s diamond wars took four million lives Blood on the Stone tells the story of how diamonds came to be so dangerous describing the great diamond cartel and a dangerous pipeline leading from war torn Africa to the glittering

showrooms of Paris London and New York It describes the campaign that forced an industry and more than 50 governments to create a global control mechanism and it provides a sobering prognosis on its future **The True Story Behind Blood Diamonds** E. Kamara,2017-06-06 The true story behind blood diamond is a chronicle of events in Sierra Leone from 1960 to 2007 which gives an account of the intriguing climate that characterized the socio economic and political nature of the country before during and after independence culminating in a ruthless civil war and the eventual restoration of order and civility **The Lion that Didn't Roar** Nigel Davidson,2016-10-06 In 2017 it will be Australia s turn to chair the Kimberley Process Certification Scheme KP an international organisation set up to regulate the trade in diamonds Diamonds are a symbol of love purchased to celebrate marriage and it is therefore deeply ironic that the diamond trade has become linked with warfare and human rights violations committed in African producer countries such as Sierra Leone the Democratic Republic of Congo and more recently Zimbabwe and Angola In their quest for diamonds or by using diamonds to purchase weapons armed groups in these countries have engaged in recruiting child soldiers amputating limbs and committing rape and murder In response to the problem the international community non governmental organisations and key industry players such as De Beers combined forces to create the Kimberley Process in 2002 The KP uses an export certificate system to distinguish the legitimate rough diamond trade from so called blood diamonds which are also known as conflict diamonds This book considers the extent to which the KP supported by other agencies at the international and national levels has been effective in achieving its mandate In so doing it presents an original model derived from the domain of regulatory theory the Dual Networked Pyramid as a means of describing the operation of the system and suggesting possible improvements that might be made to it **Blood Evidence** Henry Lee, Frank Tirnady,2003-04-17 A startling look at how breakthroughs in DNA testing are having a tumultuous impact on criminal investigations Written specifically for a lay audience Blood Evidence is the first trade book to explore the complexities of DNA testing and the effect it has had on justice systems worldwide

American Poland-China Record American Poland-China Record Association,1896 **Facets of Power** ,2023-01-10 The diamond fields of Chiadzwa among the world s largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwa s diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the country s security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses Facets of Power is the first comprehensive account of the emergence meaning and profound impact of Chiadzwa s diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the mineral s secretive and violent beneficiaries If the lessons of resistance have been mostly

disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them *Blood-money, and other stories* Charles Gibbon,1889

The ragged edge Comtesse Anna de Brémont,1895 *All Diamonds are Blood Diamonds* Penny Hess,2006 *The Tribune* ,2007 Blood from Stones Douglas Farah,2004 Veteran investigative reporter Douglas Farah was the Washington Post s Africa bureau chief focusing on the diamond and illegal arms trade when in the wake of 9 11 he made an explosive discovery indisputable evidence that al Qaeda and other terrorist groups were laundering their cash by trading it for diamonds mined in Sierra Leone and Liberia Probing the shadowy world where corrupt officials diamond and arms merchants vicious rebels drugged child soldiers and the informal Arab network of money changers known as hawalas intersect Farah uncovered a crucial piece of the terrorism puzzle Western intelligence missed the interlocking web of commodities underground transfer systems charities and sympathetic bankers supporting terrorist activities throughout the world Farah s journey into the dangerous and uncharted world of terrorist financing took him across four continents The information he gathered was far ahead of what U S intelligence agencies knew as they scrambled to understand the 9 11 attacks In detail Farah traces the movement of money from the traffickers of blood diamonds in West Africa to the world diamond exchange in Belgium and homegrown money merchants in Saudi Arabia Dubai Karachi and Lahore who turn cash into commodities and commodities into cash He probes charities that siphon off money to pay for such essentials as false identification cards and safe passage for operatives And he reveals how the funding of terrorist activities is integrated into the age old hawala network a trust based system that has operated for generations across Arabia and Southeastern Asia Focusing on this critical aspect of the war on terrorism *Blood from Stones* not only shows how terrorists are able to orchestrate complex and expensive attacks but also makes it clear why the war will be so difficult to win **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved **The Lion That Didn't Roar** Nigel Davidson,2016 In 2017 it will be Australia s turn to chair the Kimberley Process Certification Scheme KP an international organisation set up to regulate the trade in diamonds Diamonds are a symbol of love purchased to celebrate marriage and it is therefore deeply ironic that the diamond trade has become linked with warfare and human rights violations committed in African producer countries such as Sierra Leone the Democratic Republic of Congo and more recently Zimbabwe and Angola In their quest for diamonds or by using diamonds to purchase weapons armed groups in these countries have engaged in recruiting child soldiers amputating limbs and committing rape and murder In response to the problem the international community non governmental organisations and key industry players such as De Beers combined forces to create the Kimberley Process in 2002 The KP uses an export certificate system to distinguish the legitimate rough diamond trade from so called blood diamonds which are also known as conflict diamonds This book considers the extent to which the KP supported by other agencies at the international and national levels has been effective in achieving its mandate In so doing it

presents an original model derived from the domain of regulatory theory the Dual Networked Pyramid as a means of describing the operation of the system and suggesting possible improvements that might be made to it *The Diamond Trade* Lillian E. Forman,2010 This title gives readers a deeper look at the diamond trade and its surrounding conflicts Readers will learn the history of the diamond trade including its social political and economic effects Color photos and informative sidebars accompany easy to follow text Features include a table of contents timeline facts additional resources web sites a glossary a bibliography and an index Essential Viewpoints is a series in Essential Library an imprint of ABDO Publishing Company
