Blood Is Dirt:

Violence and the Body Arturo J. Aldama, 2003-05-28 *Violence and the Body* Race Gender and the State explores the relationship between subalternity the discourse and technology of the body and the rise and proliferation of racial colonial sexual domestic and state violence examining the materiality of violence on the otherized body Grounded in U S Mexico border and Latin American cultural studies the essays in this collection intersect discussions of subalternity violence and discourses of the body in a transethnic feminist and global cultural studies context They provide a global mapping of contemporary modes and acts of physical and representational violence and demonstrate how discourses of otherization are reinforced and interanimated through violence on what Elizabeth Grosz has called the intensities and flows of the body

Blood Is Dirt Robert Wilson, 2004-07 Readers are invited to enter into a treacherous world in West Africa where British expatriate Bruce Medway a clandestine troubleshooter and debt collector finds himself unexpectedly immersed in toxic waste scams and mafia crime when a job for his newest client turns out to involve more than the recovery of two million dollars

Blood Is Dirt Robert Wilson, 2004-07-05 In this fine mystery British expat private investigator in West Africa Medway is as fully realized as Raymond Chandler s Philip Marlowe Publishers Weekly In West Africa s underworld nothing is sacred and no one is safe Even its most experienced denizens can get caught off guard as fixer for hire Bruce Medway discovers when a case gone wrong entangles him in toxic waste scams mafia money and worst of all a quest for vengeance After Napier Briggs hires Medway to help recover money he lost in a scam he winds up dead And the police show little interest in solving the crime But Brigg s daughter Selina isn t interested in justice she s out for revenge And she s willing to do whatever it takes to get Medway on her side Between the lies deceit seduction and murder Medway might finally have met a job that s too dangerous even for him Scintillatingly evokes a world where the scam is a way of life For once a novelist influenced by Raymond Chandler is not shown up by the comparison The Sunday Times A compelling mixture of brutal violence and deadpan wit Kirkus Reviews **The First World War - A Marxist Analysis of the Great Slaughter** Alan

Woods, 2019-06-27 On 28 June 1914 two pistol shots shattered the peace of a sunny afternoon in Sarajevo Those shots reverberated around Europe and shattered the peace of the whole world This was the beginning of the Great Slaughter Could it have been avoided Alan Woods uses the method of Marxism to answer this question He explains that actually whilst individuals play an important role in history to explain events such as wars one must look at deeper causes As well as dealing with the origin of the war Woods traces the conflict through its development looking at the role of all the major actors and their aims He shows how in the midst of the despair of the trenches and the home front a new consciousness was formed He also makes the case that it was the German Revolution that brought the war to an end and how a revolutionary wave swept across Europe The book also looks at the Treaty of Versailles and how the victorious powers imposed the deal not just on Germany but the rest of Europe and the Middle East Given the amount of nationalistic mystification from all sides about the

First World War a history of the subject from the standpoint of the world working class is essential and it is provided by this book *The Jews and the Blues* Thomas Pelham Gross,Doris A. Gross,2003-03 **The Hanging of Hiram the Hoss**

Georgia Lucas,2008-10 Kar ma The sum of a person s actions during the successive phases of his or her existence regarded as determining his or her destiny in future incarnations Karma it s all around us affecting our everyday lives we re absorbed by it It s as real as the air we breathe and the love we share Just like the love we feel and the air we breathe it s going on without being seen No one is more affected by this than Christopher After years of sexual escapades breaking hearts and in the end ruining good women over and over again he thought that he had finally found the ONE There was something different about her she had a certain realness about herself she was special So special in fact that instead of her being head over heels for him like so many others before her it was the complete opposite It was she that had him wide open and in the end it would be him that would have to pick up the pieces of his broken heart and find a way to go on with his existence

Dismantling Glory deals with the poetry written about the honors and horrors of battle by the very soldiers who put their lives on the line Focusing on American and English poetry from World Wars I and II and the Vietnam War Lorrie Goldensohn presents the move from a poetry largely bound to trench warfare to a global war poetry dominated by air power invasion and occupation Civilians prisoners and children enter this poetry in new and compelling ways as do issues of race and gender changing and complicating the representation of war and expanding the scope of antiwar thinking **Visions and**

Revisions Robert Burr,Barry Wallenstein,2001-10-04 This anthology takes a unique approach to the process of poetry Each poem included in the book is followed by at least one earlier draft or version of that poem The reader is thus able to explore the development of the poet s vision and to make a variety of historical aesthetic and intellectual comparisons The poets represented have been chosen both on the basis of the aesthetic strength of their work and on the grounds of the availability of previous versions of their work The inclusion of a number of selections by poets ranging from Dickinson and Yeats to Larkin Plath and P K Page allows readers to focus in some depth on the work of these poets Though the anthology makes no claim to present a selection fully representative of different eras regions or poetic styles the inclusion of a miscellany as a final chapter adds a substantial measure of breadth to the anthology Each chapter includes brief commentary by the editors and questions follow each set of poems
