Blood Judgment:

Blood and Judgement Lars Walker, 2003-12-01 TIMES OUT OF JOINT All Will Sverdrup wanted was to play Hamlet in an amateur production He never counted on getting sucked back in time into the body of the original historical Hamlet in 6 Century Denmark His fellow actors along with the real Hamlet never expected to be transported to an alternate universe where Shakespeare s play was real with them perfectly placed to live and die their parts But that s what happened Now they have to decidedo they play their roles out all the way to the bloodbath at the end or do they try to break the play and save their lives The play may be stronger than they are And if it s not there s always the giant tentacled monster that hitched a ride with them a complication Shakespeare never foresaw At the publisher s request this title is sold without DRM Digital Rights Management Praise for Year of the Warrior by Lars Walker many fierce battles both with men and with sendings from the other gods a Norse saga introspective and bloody VOYA rowdy action and a realistic look at the human and spiritual costs of religious and cultural conversion Florida Today Miracles, Signs, Symbols and Judgment God's Plan for the End Times David G. Brown, 2012-11-07 Through the unique format of this text David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God The following is just a sample If Babylon was destroyed by the Persians how can it be destroyed again How important are truth and justice today But what is justice when it comes to God and us Just what does it mean to fear God Exactly who are the beast and false prophet When one thinks of heaven what is the picture that comes to mind How many people can heaven hold If over 2 000 years have passed without Christs return what assurance is there that He will return **JUDGMENTS OF GOD** Tumisang Mabe ,2024-04-20 What comes to your mind when you think about judgement How do one live with the knowledge that we will be judged by God at the end of time How do we please God to make sure that we secure His good judgement Do you imagine God sitting on His throne and pronouncing judgements to His creation Judgement for me is what brings balance to the imbalance caused by right and wrong What is judgment for you Do you see judgement as some right to do to correct wrong In human society we perceive God not to be a God that can judge or cast one to hell fire All the theories about hell are all speculations in morden minds or in all generations of men We understand the fact that there is life after death but we don t perceive that we can be casted to hell fire because of our sins Do you see hell and heaven as good judgements from God If we believe there is God in heaven then we ought to think that this God should be a person with principles and a way in which He disciplines wrong Hell is a place God created for Satan and those who refuse to accept His offer of mercy on the cross will unfortunately be casted there I have come to believe that when one disciplines for example their children that could be explained as good judgement Is hell a good judgement One of the greatest truth about God is that He is Love God reveals His love to us in different ways We cannot imagine God to be a God that can destroy or bring terrible judgement To be honest most of us know the love side

of God It is good to know the love side of God but we must not forget that God is a judge and as a judge He has to do some things according to justice For example when men sinned and God wanted to judge them three things happened in God the judgements of God says The wages of sin is death Mercy says Mercy prevails over judgement And Love says Man cannot die because you love them According to the justice of heaven these three things must balance Now to balance justice God decide to leave His glory in heaven and wear flesh and die for men whom He had created In dying the claims of divine justice were being satisfied If we can see God as the God of judgement then the place of God in our lives would be honored and greatly appreciated

Water and Blood and the Original Gospel Samuel J. Kim, 2024-11-24 Just because something differs from my thoughts does not mean it is wrong However if something differs from the truth then it is indeed wrong The Epistles of John clearly reveal the Original Gospel Therefore by examining the Words of the Epistles of John we can understand the Original Gospel that Jesus preached to His disciples from the beginning 1 John 2 24 and discern what is a lie from Satan the devil The Epistles of John proclaim that Jesus Christ the Son of God who came by water and blood 1 John 5 6 perfectly removed all our sins Furthermore the Epistles state that our salvation is testified by the witnesses of the Spirit the water and the blood and these three agree as one 1 John 5 8 The Holy Spirit testifies that Jesus is God who came in human flesh The water represents the baptism Jesus received in the water of the Jordan River from John the Baptist the representative of humanity Through baptism by the laying on of hands the sins of the world were transferred to Jesus at once fulfilling all righteousness Matthew 3 15 It is the witness of the water The blood testifies that Jesus perfectly atoned for the sins of the world which He took upon Himself through His baptism by shedding His blood on the cross until He declared It is finished John 19 30 This Gospel which contains all three testimonies is the Original Gospel John s Epistles repeatedly emphasize that Jesus came in the flesh They also declare that anyone who denies this truth is the antichrist While most Christians believe that Jesus is God the Son who came in the flesh born of the Virgin Mary Yet the phrase the spirit that confesses that Jesus Christ has come in the flesh 1 John 4 2 refers to those who understand and believe why Jesus had to come in the flesh Why did the Son of God the Spirit have to come in human flesh Jesus came in the flesh to offer the eternal atoning sacrifice for all humanity becoming the unblemished Lamb In the Old Testament for the atoning sacrifice 1 There had to be an unblemished sacrifice 2 The sinner had to lay hands on the head of the sacrifice to transfer their sin onto it and 3 The sacrifice having taken the sin had to shed blood and die to pay for the sin These atoning sacrifices were a shadow of the good things to come Hebrews 10 1 In God s due time Jesus came in the flesh to offer one sacrifice for sins forever Hebrews 10 12 to save all humanity from sin Therefore those who do not understand the purpose of Jesus coming in the flesh and the redemption accomplished by His water and blood 1 John 5 6 and yet claim to believe in Jesus are those who deny that Jesus Christ has come in the flesh The Gospel in which the witnesses of the water the blood and the Spirit agree as one 1 John 5 8 is the Original Gospel Can it remain complete if we remove even one of these witnesses Think of a brazier with three legs Can it

still stand upright if you cut off one of its legs Indeed not The whole house will burn down as the blazing coals pour down Yet most Christians today believe in a half gospel This different gospel omits the witness of the water baptism from the Original Gospel which Jesus accomplished with the water and the blood As a result they remain Christian sinners with the sin still remaining in their hearts According to the wages of sin is death Romans 6 23 they will face eternal punishment in hell I pray that this expository sermon collection will help all readers understand the Original Gospel of truth and receive the grace of being born again as the righteous

Sacramental Streams Richard Davenport,2025-02-04 The church has long seen baptism as one of the means by which God delivers his grace to his people Many passages in the New Testament detail the value of baptism and indicate its status as one of the primary gifts God gives At the same time Jesus conversation with Nicodemus indicates the benefits of baptism should already be evident The early church understood this and saw that God had been preparing his people for the sacrament from the very beginning This book goes back through the Old Testament to draw on the various themes God has presented to inform and instruct his people about the sacrament he would later institute By examining these themes in detail it is shown that though baptism is a one time event in the life of the Christian the baptized continue to receive its benefits Baptism not only functions as an ongoing means of God s grace but as the means by which God shapes his people into the holy nation he has called them to be
