**My Life, My Diary, My Poems, My Time to Share** Leroy Cooper, 2023-03-28 As It Was Written January 16 2022 02 00 Hours As it was written from the time of my divorce my life began to change and seemed to take its own course As Twenty Clicks into the Wind was written my mother had found and read She called me and told me she cried But I didn't stop I kept writing more instead Every day that I wrote my mother kept note She kept everything that she saved in a file Till one day it built up and I put it in a big pile Kept on writing I did Speaking about the love I had for my son Till one day we strayed away And our bond had come undone Then one day I got into a bind so I came up with a thought To bring my past back up The pages that I've written may someday be bought So as I took a look I made my diary my book My life my diary my poems Now it's my time to share Every line that I've written is now complete and all there Everything that you read is exactly what you're getting While I tell you what was said is as it was written

**Catalog of Copyright Entries**, 1945 **10 Moons And 13 Horses** Gary Short, 2016-06-01 Gary Short's new collection is the work of a mature poet at the peak of his powers confident of his ability to speak of human betrayal and the fragility of life without bitterness or cheap sentiment to find poignancy in loss and exaltation in the outwardly mundane His voice is lyrical tough and capable of touching us profoundly Short knows Nevada's austere landscape its ephemeral beauty and its stoic people as few writers in any genre do He also understands the complexities of the human soul and the contradictions of love So he tells of how his mother dying of cancer revisits a day thirty years in the past when her sons trapped a trout and kept it in their father's horse trough and how now in her mind's eye she carries the boxed-in fish to the stream to release it a moment of having not loss And of how the feathers of a dead owl in a long dead oak tree have blown loose caught and leafed out from each taloned twig and limb each feather a separate flight shining to live This is rich and wondrous poetry deeply moving unforgettable
