

A person with short red hair is seen from the side, sitting on a dark, reflective ledge. They are looking out over a vast, futuristic cityscape at sunset. The city is filled with tall, dark buildings and a large, curved bridge. The sky is a mix of orange, yellow, and blue, with large, billowing clouds. The overall mood is contemplative and serene.

Kemp, Sr.,2021-12-16 *Forgotten Warriors Living with PTSD* By Eddie L Kemp Sr On May 16 1968 in North Vietnam Eddie L Kemp Sr a United States Marine was severely wounded by an artillery attack on his military base The U S Marine Corps notified his mother and family at their home in Texas that he had been killed in action Kemp woke up in what he now believes was the morgue filled with beds of dead Marines under white sheets thinking he was the only survivor This Marine returned home with a severe loss of memory excruciating pains in his body and deep emotional scars affecting him throughout his life Like many veterans of the Vietnam War Kemp returned home from combat to find himself hated by the American people he had volunteered to protect defend and die for abandoned by the Federal Government or Veterans Administration who refused to treat him with the dignity and respect he had earned as an honorably discharged combat veteran and suffering with what he would learn decades later were severe symptoms of Post Traumatic Stress Disorder PTSD a condition that has resulted in the suicide of many of our war veterans at an alarming rate today Kemp candidly recalls numerous problems living with PTSD caused in his life He describes in detail the psychological

and physical suffering he was forced to live alone with for years because he thought no one would understand or people would think he was insane However like the Marine he is Kemp fought the demons every day to live and is still fighting those same demons from hell today This Marine found the courage and strength to tell the suicidal voices of PTSD in his head that he would not become one of their victims After years of trying to make sense of what happened on that tragic day Kemp was connected with two pieces of the puzzle Exactly forty years after that ill fated day in May 1968 two Marines wounded in combat with him reunited with Kemp After weeks of talking to them the flashbacks experienced almost daily began to form complete pictures for him Finally he had someone else who truly understood what living in hell was all about You never know what tomorrow brings but Kemp hopes this book will help veterans and others living with PTSD find a way to cope fight and live another day With the support of those who found a way to love him in spite of today this Marine continues to battle the U S Department of Veterans Affairs for the dignity and respect earned as a United States Marine Realizing this is a major battle for many Kemp s message is especially for veterans struggling with this problem Choosing death should not be the final option Even when you have been made to feel worthless you are irreplaceable and of immeasurable value to those closest to you Kemp encourages you to continue the fight because somebody needs you to stay in the race Semper Fi

to Book 1 This is an epic Christian love story to rival that of Romeo and Juliet A mountain man Shane McQuaid found the love of his life Becky in a Ute village and with the grace and blessing of God marries her This second book begins where book 1 left off as they leave the Indian village that has been Beckys home for many years The newlyweds set out on a dangerous journey to a cabin on the slopes of Buffalo Peaks Shane hasnt seen his folks for over two years and they think he is dead He wants to stop by the ranch and see them on the way to Buffalo Peaks The threat continues as evil men seek to own the horse Shane rides and will do anything to possess this magical mare They succeed in kidnapping Becky and are on their way to Denver where they will turn her over to the head of The Syndicate Lou Blonger He will trade her for the horse or sell her into slavery whichever will make him the most money He would also kill Shane take the horse and keep Becky if that is an option He is the personification of evil The setting for this magnificent story is central Colorado in the latter half of the 1800s before law and order was established and before the railroads brought politicians bankers businessmen lawyers and hoards of people that will eventually be the beginning of the end of the American West Along the way there are other exciting tributaries to the main plot such as an unimaginable flash flood tales of survival death western justice supernatural healing humor hot springs other mountain men a rancher who has no use for politicians or lawyers fur trappers bandits preachers a dog with near human qualities cruelty loneliness unmitigated happiness and more There is even an improbable chess game This book was written by a devout Christian for other Christian believers but will be an unforgettable read for anyone who likes to see good triumph over evil This book will bring tears to your eyes it will make your heart sing This love story is painted against the backdrop of the awesome grandeur that is the Rocky Mountains The author describes in great detail the feeling of standing on top of a 14 000 foot mountain to look down on eagles in flight There is so much more to this book than can be described on one page If you want a book you will cherish and be proud to give to a friend pick this one up and read it You will enjoy reading it more than once It would make a movie the likes of which only comes along once in a lifetime
