The Brightness Around Him Jim W. Strahan, Mike Meeker, 2015-09-22 During the 1950s a seven year old boy from a church going family in a Texas suburb has a night time vision of Jesus In the morning he tells his parents about it They immediately call the minister who visits that very day Best keep it quiet the grown ups all agree So Jim Strahan nurtured his experience grew in his faith and Christian character but always wondered Why me What was he supposed to do Jim didn't go to seminary or start a TV ministry He began a study of Scripture and church history focused on the ultimate destinies of humankind concluding that the predominant beliefs of the day were wrong What he saw in the pages of Scripture and in the writings of many church fathers convinced Jim that Jesus will at long last save every person who ever lived on earth Part autobiography part advocacy The Brightness Around Him is a compelling tale of walking by faith processing a transformative spiritual experience and

fitting in at churches that don't want to hear about your deepest held biblical belief In the end it's about how God's love will one day win it all

The Blue Angel - The Life and Films of Marlene Dietrich David Stuart Ryan, 2013-10-03 The story of Marlene Dietrich's life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography John Lennon's Secret explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of La Belle Epoque when a very feudal and settled order still existed in Europe The Blue Angel transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes The Berliner Luft the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film Some Like It Hot drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene's story Marlene's big break came when she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down The Blue Angel took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich

the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel
