## **Boogers Are My Beat:**

Lessons From Lucy Dave Barry, 2020-11-03 In this little gem Washington Independent Review of Books Pulitzer Prize winning columnist and New York Times bestselling author Dave Barry learns how to age happily from his old but joyful dog Lucy As Dave Barry turns seventy not happily he realizes that his dog Lucy is dealing with old age far better than he is She has more friends fewer worries and way more fun So Dave decides to figure out how Lucy manages to stay so happy to see if he can make his own life happier by doing the things she does except for drinking from the toilet He reconnects with old friends and tries to make new ones which turns out to be a struggle because Lucy likes people a lot more than he does And he gets back in touch with two ridiculous but fun groups from his past the Lawn Rangers a group of guys who march in parades pushing lawnmowers and twirling brooms alcohol is involved and the Rock Bottom Remainers the world's oldest and least talented all author band With each new lesson Dave riffs hilariously on dogs people and life in general while also pondering Deep Questions such as when it's okay to lie Answer when scallops are involved Lessons From Lucy shows you a new side to Dave Barry that's touching and sentimental but there's still a laugh on every page The Sacramento Bee The master humorist has written a witty and affable guide to joyous living at any age *Class Clown* Dave Barry, 2025-05-13 America's most beloved wiseass finally tells his life story with all the humor you'd expect from a man who made a career out of making fun of pretty much everything How does the son of a Presbyterian minister wind up winning a Pulitzer Prize for writing a wildly inaccurate newspaper column read by millions of people In *Class Clown* Dave Barry takes us on a hilarious ride starting with a childhood largely spent throwing rocks for entertainment there was no internet and preparing for nuclear war by hiding under a classroom desk After literally getting elected class clown in high school he went to college where as an English major he read snippets of great literature when he was not busy playing in a rock band it was the sixties He began his journalism career at a small town Pennsylvania newspaper where he learned the most important rule of local journalism never confuse a goose with a duck His journey then took a detour into the business world where as a writing consultant he spent years trying with limited success to get corporate folks to for God's sake get the point Somehow from there he wound up as a humor columnist for The Miami Herald where his boss was a wild man who encouraged him to write about anything that struck him as amusing and to never worry about alienating anyone His columns were not popular with everyone He managed to alienate a vast army of Neil Diamond fans and the entire state of Indiana But he also developed a loyal following of readers who alerted him to the threat of exploding toilets not to mention the fire hazards posed by strawberry pop tarts and Rollerblade Barbie which he demonstrated to the nation on the David Letterman show He led his readers on a crusade against telemarketers that ultimately caused the national telemarketers association to stop answering its own phones because it was getting irony alert too many unwanted calls He has also run for president multiple times although so far without success He became a book author and joined a literary rock band which was not good at playing music but did once

perform with Bruce Springsteen who sang backup to Dave As for his literary merits Dave writes I ll never have the critical acclaim of say Marcel Proust But was Marcel Proust ever on Carson Did he ever steal a hotel sign for Oprah Class Clown isn t just a memoir it s a vibrant celebration of a life rich with humor absurdity joy and sadness Dave says the most important wisdom imparted by his Midwestern parents was never to take anything too seriously This laughter filled book is proof that he learned that lesson well

**A Gentleman from Boynton B-Y-T-E-S Back!** Adrian Price,2006-04 We re fortunate to be able to enjoy the gifts of knowledge and technology Sometimes these do not come problem free for each of you We have inherited some of the silliness and sheer stupidity such progress has imposed In this series of humorous and logical commentaries Gentleman from Boynton B Y T E S back avoids anger or rage and wins your expression I wish I had said that What he has said over his lifetime serving corporate leaders and the major brands you buy today including cars to groceries Made sense and dollars He has worked with Presidents Congressmen celebrities of the entertainment world suspected of their political idiocy and has even made a relationship with functionaries of La Cosa Nostra As marketing creative adman his industry association called on him to replace the nice miracle of binaural sound with a better buzz word He gave them STEREO the word that lives with us today The author is also a musician His music and lyrics brightened amateur entertainment in the shows produced for the army Eleven years with the volunteer department of the Palm Beach Sheriff s Office brought his recent retirement as Captain This writer still does what so many wish they might do He continues to write

During the course of living mumble mumble years Dave Barry has learned much of wisdom actual wisdom not guaranteed and he is eager to pass it on to the next generation the generation after that and to those idiots who make driving to the grocery store in Florida a death defying experience In brilliant brand new never before published pieces Dave passes on home truths to his new grandson and to his daughter Sophie who will be getting her learner s permit in 2015 So you re about to start driving How exciting I m going to kill myself He explores the hometown of his youth where the grown ups were supposed to be uptight fifties conformists but seemed to have a lot of un Mad Men like fun unlike Dave s own Baby Boomer generation which was supposed to be wild and crazy but somehow turned into neurotic hover parents He dives into everything from the inanity of cable news and the benefits of Google Glass You will look like a douchebag to the loneliness of high school nerds You will never hear a high school girl say about a boy in a dreamy voice He s so sarcastic from the perils of home repair to firsthand accounts of the soccer craziness of Brazil and the just plain crazy craziness of Vladimir Putin s Russia He stares at the camera with the expression of a man who relaxes by strangling small furry animals and a lot more besides By the end if you do not feel wiser richer in knowledge more attuned to the universe we wouldn t be at all surprised But you ll have had a lot to laugh about **Best.
