Congress. House Merchant Marine and Fisheries,1951     **ACTS** Ralph Robert Gomez,2022-12-27 This is a Precept Bible Study on the book of Acts which means you will be looking at the Bible one verse at a time to help you understand God s Word so that you can apply it to your daily life The four Gospels described Jesus s life and ended with His death and resurrection The book of Acts continues His story after the resurrection and follows the transition from the Old Covenant into the New Covenant where the Holy Spirit came to live in the heart of the believer This is a twelve week study and is the first of three studies on the book of Acts Acts The Birth of the Church 12 weeks Acts Paul s Three Missionary Journeys 10 weeks Acts Paul s Arrest Trial and

Imprisonment 8 weeks This study is about God's plan to establish His church by empowering His people with the indwelling of the Holy Spirit to proclaim the good news of salvation to a fallen world and save people from the gates of hell God used ordinary people like Peter James Stephen Philip Barnabas and Paul to be the salt of the earth and the light of the world to carry out the great commission You will receive power when the Holy Spirit has come upon you and you shall be My witnesses both in Jerusalem and in all Judea and Samaria and as far as the remotest part of the earth Acts 1:8 NASB The early church faced strong resistance from the religious and political leaders of the day as they tried to intimidate the apostles through lies betrayals violence and murder The book of Acts contains some of the Bible's biggest villains attempting to silence God's people But their bullying did not work God is bigger than any villain and through the power of the Holy Spirit many heroes emerged who overcame their fears and despite great danger they continued to proclaim the good news We cannot stop speaking about what we have seen and heard Acts 4:20 NASB There is even a villain who became a hero after encountering Jesus on the road to Damascus God changed the heart of Saul of Tarsus and used him to plant churches and evangelize most of the Mediterranean world If God can forgive a murderer like Saul and use him to write half the New Testament then God can certainly use you and I for His plan of redemption This study ends with Barnabas and Paul returning to Jerusalem after spending a year discipling the elders in the church at Antioch After Paul and Barnabas returned King Herod beheaded the Apostle James and threw Peter into prison This signified a shift in the way the apostles were being treated and ushered in a new wave of persecution against the believers Buckle up and get ready to experience the power of the Holy Spirit working through the lives of some of God's most faithful servants

### **Corporate Decision-Making in the Church of the New Testament**

Jeffrey Brown,2013-07-23 Debate about church order has gone on for centuries within Christianity and an end is nowhere in sight Perhaps that is good since the debate shows the weaknesses of many ideas that need correction Corporate Decision Making examines church order from a careful exegetical perspective with particular attention to the social world of the New Testament While most works about church government address structure and qualities of leadership Brown deals with the interaction of the people of the church both with their leaders and with one another in setting policy In brief though all believers in the young church of the New Testament revered Christ and his Word as authoritative not all church decisions were top down from earthly leaders On the contrary many were from the bottom up This should come as no surprise to those familiar with Jesus admonition in the Gospels You have one teacher and you are all brothers

*Luke's Missiology* Harold E. Dollar,1996-06-01 How the Gospel Won the World Luke s writings make up over one fourth of the New Testament Yet despite an array of research studies of Luke and Acts frequently miss the missiological contributions that Luke makes to the story of early Christianity Accordingly St Luke s Missiology explores many of the fundamental contributions of Luke s two volume work as he tells how a small Jewish sect became a worldwide movement in just one generation Although this work focuses on Acts part one discusses the essential unity of the two volumes Part two considers key events that shape the church s mission to the Gentiles The final section highlights several applications for missiological practice Luke narrates the history of the Christian movement from a divine perspective His story of how the gospel moves from the particular to the universal gives insight into the missiological dynamics of early Christianity and provides models for the church and missions today
