

Types of Ballads

EnglishLeaflet.com

A ballad is a type of narrative poem that originally was meant to be sung or recited and tells a simple, dramatic story.

Here are six types of ballads. Each briefly discussed with examples.

TRADITIONAL BALLADS

These are anonymous folk ballads passed down orally over generations. These often tell a story.

Examples: "Barbara Allen," "Lord Randall."

LITERARY BALLADS

Ballads that are written by specific authors in imitation of the traditional form.

Examples: "The Rime of the Ancient Mariner" by Coleridge, "La Belle Dame sans Merci" by Keats.

LYRIC BALLADS

These ballads focus on expressing emotion and ideas rather than telling stories.

Examples: "Dream Variations" by Langston Hughes.

NARRATIVE BALLADS

Ballads that relate to events and tell the stories. This type of ballad often featured dialogue and drama.
Examples: "The Ballad of Bonnie and Clyde" by Georgie Fame, "Frankie and Johnny."

COWBOY BALLADS

The ballads originating in the American Old West, often romanticizing the cowboy way of life.
Examples: "The Streets of Laredo," "El Paso" by Marty Robbins.

MURDER BALLADS

Dark ballads are dramatized on violent murders. These are sometimes based on true events.
Examples: "Mack the Knife," "Knoxville Girl."

A Collection of Ballads Andrew Lang, 2025-08-30 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Book of Ballads, [by T. Martin and W. E. Aytoun.] Edited by Bon Gaultier**, 1845 The Book of British Ballads. (The Book of British Ballads. Second Series.) Edited by S. C. H. Samuel Carter Hall, 1842 *The Book of Ballads* Sir Theodore Martin, 1845 **The English Book of Ballads** Various Authors, 2020-09-28 As in Book of English Verse I tried to range over the whole field of the English Lyric and to choose the best so in this volume I have sought to bring together the best Ballads out of the whole of our national stock But the method order balance of the two books are different perforce as the fates of the Lyric and the Ballad have been diverse While the Lyric in general still making for variety is to day more prolific than ever and all cant apart promises fruit to equal the best that particular offshoot which we call the Ballad has been dead or as good as dead for two hundred years It would seem to have discovered almost at the start a very precise Platonic pattern of what its best should be and having exhausted itself in reproducing that it declined through a crab apple stage of Broad sides into sterility Therefore this anthology cannot be brought down to the present day and therefore the first half of it contains far finer poetry than the second But it may be objected that among Ballads no such thing as chronological order is possible and that if it were I have not attempted it Why then did I not boldly mix up all my flowers in a heap and afterwards sit down to re arrange them disregarding history studious only that one flower should set off another and the whole wreath be a well balanced circle I will try to answer this premising only that tact is nine tenths of the anthologist s business It is very true that the Ballads have no chronology that no one can say when Hynd Horn was composed or assert with proof that Clerk Saunders is younger than Childe Maurice or Tam Lin older than Sir Patrick Spens though that all five are older than The Children in the Wood no one with an ounce of literary sense would deny Even of our few certainties we have to remember that where almost everything depends on oral tradition it may easily happen in fact happens not seldom that a really old ballad of the best period has reached us late and in a corrupted form its original gold overlaid with silver and bronze It is true moreover that these pages declining an impossible order decline also the pretence to it I have arranged the ballads in seven books of which the first deals with Magic the Seely Court and the supernatural the second and on the whole the most beautiful with stories of absolute romance such as Childe Waters Lord Ingram Young Andrew the third with romance shading off into real history as in Sir Patrick Spens Hugh of Lincoln The Queen s Marie the fourth with Early Carols and ballads of Holy Writ This closes Part I The fifth book is all of the Greenwood and Robin Hood the sixth follows history down from Chevy Chase and the Homeric deeds of Douglas and Percy to less renowned if not less spirited Border feuds while the seventh and last book presents the Ballad in various aspects of false beginning and decline The Old Cloak which deserved a long line of children but in fact has had few Barbara Allen late but

exquisite Lord Lovel which is silly sooth and The Suffolk Tragedy wherein a magnificent ballad theme is ambled to market like so much butter My hope is that this arrangement while it avoids mixing up things that differ and keeps consorted those the Robin Hood Ballads for example which naturally go together does in round numbers give a view of the Ballad in its perfection and decline and that so my book may be useful to the student as well as to the disinterested lover of poetry for whom it is chiefly intended

A Bundle of Ballads Henry Morley,2022-12-04 Reproduction of the original *A Historical Research Of Chinese Folk Songs* Shulu Chen,2023-12-04 This book advances the study of Chinese folk songs through theoretical innovation in literature based folk songs and methodological innovation in multidisciplinary cross interaction It describes the historical development of folk songs makes an in depth study of the intersection and integration of folk songs with other literature and art as well as the relationship with merchants folk customs and regional culture and analyses the literature of folk songs in previous dynasties It is not only significant for the preservation of cultural heritage but also to the promotion of folk song research and related fields This book is applicable to scholars and researchers who have in depth research on Chinese folk songs

Loss and the Literary Culture of Shakespeare's Time Roslyn L. Knutson,David McInnis,Matthew Steggle,2020-03-26 As early modernists with an interest in the literary culture of Shakespeare s time we work in a field that contains many significant losses of texts of contextual information of other forms of cultural activity No account of early modern literary culture is complete without acknowledgment of these lacunae and although lost drama has become a topic of increasing interest in Shakespeare studies it is important to recognize that loss is not restricted to play texts alone Loss and the Literary Culture of Shakespeare s Time broadens the scope of the scholarly conversation about loss beyond drama and beyond London It aims to develop further models and techniques for thinking about lost plays but also of other kinds of lost early modern works and even lost persons associated with literary and theatrical circles Chapters examine textual corruption oral preservation quantitative analysis translation and experiments in verbatim theater plus much more

The Anglo-American Ballad Dianne Dugaw,2015-12-22 Originally published in 1995 This book s collection of key

essays presents a coherent overview of touchstone statements and issues in the study of Anglo American popular ballad traditions and suggests ways this panoramic view affords us a look at Euro American scholarship s questions concerns and methods The study of ballads in English began early in the eighteenth century with Joseph Addison s discussions which marked the onset of an aesthetic and scholarly interest in popular traditions Therefore the collection begins with him and then chronologically includes scholars whose views mark pivotal moments which taken together tell a story that does not emerge through an examination of the ballads themselves The book addresses debates in tradition orality performance and community as well as national genealogies and connections to contexts Each selected piece is pre empted by an introductory section on its importance and relevance

On The Trail Of Negro Folk-Songs Dorothy Scarborough, 2022-06-02 How often have I overheard alluring snatches of song only to be baffled by denial when I asked for more Kindly black faces smile indulgently as at the vagaries of an imaginative child when I persist in pleading for the rest Nawm honey I wa and n and t singing nothing nothing a tall How often have I been tricked into enthusiasm over the promise of folk songs only to hear age worn phonograph records but perhaps so changed and worked upon by usage that they could possibly claim to be folk songs after all or Broadway echoes or conventional songs by white authors Yet cajolements might be in vain even though all the time I knew by the uncanny instinct of folk lorists that there were folk songs there And even when you get a song started

when you are listening with your heart in your ear and the greed of the folk lorist in your eye you may lose out If you seem too much interested the song retreats draws in like a turtle and s head and no amount of coaxing will make it venture back And there is something positively fatal about a pencil Songs seem to be afraid of lead poisoning Or perhaps the pencil is secretly attached by a cord a vocal cord to the singer and s tongue It must be so for otherwise why has it so often happened that when I distrustful of my tricky memory to hold a precious song have sneaked a pencil out to take notes the tongue has suddenly jerked back and refused to wag again Yet that is not always the case for sometimes the knowledge that his song is being written down inspires a bard with more respect for it and he gives it freely
