**Monckton; Or the Fate of Eleanor. A Novel: To which is Prefixed, a General Defence of Modern Novels. By the Author of Count Di Novini**, 1802 *Summary of Eleanor Herman's Sex with Presidents* Everest Media, 2022-03-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1

Presidents are by their very nature the subjects of copious written material However in many cases the absence of juicy sex stories is not due to the unsullied conduct of the president but because of a dearth of detailed information in the form of love letters autobiographies and newspaper reports 2 Many American presidents have had affairs and many of them have written about them Founding Father Alexander Hamilton wrote a 100 page booklet about his illicit love affair

**Eleanor'S Pursuit** H. Thomas Howell,2014-12-01 When Eleanor Pendleton met Louis M Ream in 1911 it was love at first sight She was a Broadway actress known for her beauty and dancing ability in musical comedy productions during the early twentieth century Louis was tall dark and handsome and as she soon discovered the youngest son and presumptive heir of Norman B Ream one of Americas wealthiest men The problem for Eleanor as she learned after eloping with Louis was her father in laws deep seated aversion to the theatre he regarded all actresses as disreputable After an overnight trip to seek his fathers forgiveness and understanding Louis disappeared A blend of history and melodrama H Thomas Howells Eleanors Pursuit offers the biographical legacy of Eleanor Pendleton It looks beneath the sensational newspaper coverage of 1911 to explore the confrontation between father and son and Eleanors anxious vigil while awaiting the return of her husband When Reams lawyer arrives at her apartment instead of Louis and informs her the marriage is over Eleanor collapses in disbelief The lawyers take center stage displacing the lovers Chronicling one of the biggest celebrity newspaper stories of its day Eleanors Pursuit follows the secret deal making sessions the stage managed travesty of justice and the ultimate courtroom battle These events come to life as the witnesses and lawyers reveal the private details in their own words Howell also tells how the public reacted to the story as it unfolded With surprises at every turn this biography explains the exceptional final stage of Eleanors pursuit

**Inventing Eleanor** Michael R. Evans,2014-09-25 Eleanor of Aquitaine 1124 1204 queen of France and England and mother of two kings has often been described as one of the most remarkable women of the Middle Ages Yet her real achievements have been embellished and even obscured by myths that have grown up over eight centuries This process began in her own lifetime as chroniclers reported rumours of her scandalous conduct on crusade and has continued ever since She has been variously viewed as an adulterous queen a monstrous mother and a jealous murderess but also as a patron of literature champion of courtly love and proto feminist defender of women s rights Inventing Eleanor interrogates the myths that have grown up around the figure of Eleanor of Aquitaine and investigates how and why historians and artists have invented an Eleanor who is very different from the 12th century queen The book first considers the medieval primary sources and then proceeds to trace the post medieval development of the image of Eleanor from demonic queen to feminist icon in historiography and the broader culture
