England has influenced the modern world more than any other country yet the English national identity is being rapidly eroded by an

academic and media sponsored Anglophobia Politicians and those in the public arena promote other cultures but the promotion of an English identity is seen as nationalistic and something to be discouraged at all costs In addition to this mass immigration from the developing world is permanently altering the nature of Britian s urban areas and damaging social cohesion which will lead to ever greater ethnic division This book explains how and why this process has come about and the dangerous consequences that will ensue **The History of England** Rapin de Thoyras (M., Paul),1763 The Women of England: Their Social Duties, and Domestic Habits Sarah Stickney Ellis,2024-09-27 Reprint of the original first published in 1839 *Library of Congress Subject Headings* Library of Congress,1992
