## **Of God For Children:**

A Collection of Hymns of the Children of God in All Ages, from the Beginning Till Now. In Two Parts. Designed Chiefly for the Use of the Congregations in Union with the Brethren's Church United Brethren in Christ, 1754      **Raising God's**

**Children** Ada C. Conway, 2016-12-08 I've often heard it said Children don't come with an instruction manual I beg to differ Children do come with an instruction manual it's called The Holy Bible Raising God's Children is a manual of sorts based on standard traditional and contemporary Christian values and is loaded with both natural and spiritual wisdom offering insight into what has been learned from every available resource including the wisdom of people who have raised      God's Heart for Children Rosalind Tan, Nativity A. Petallar, Lucy Kajidori, 2022-05-31 In the New Testament Jesus is explicit in communicating God's heart for children Yet what does it look like for that heart to encounter the contextual realities of life in the twenty-first century This book explores the theological implications and practical realities of ministry with children in a globalized world Affirming eight core beliefs regarding the place of children in creation that they are created with dignity and intended to be placed in families cared for in community advocated by society secured in hope affirmed in God's church included in God's mission and engaged in creation care this book traces the impact of such far-reaching issues as displacement climate change human trafficking persecution and gender discrimination on childhood development Written by over twenty contributors from around the world each section roots its premise in contextual theology examines the implications for praxis provides a case study and includes questions for discussion and reflection Through each chapter the conversation around childhood development is broadened prioritizing the experiences of children and practitioners to truly reflect the realities of our changing world This is an excellent resource for all those concerned with the current risks facing children especially among the world's most vulnerable populations and what best practice looks like as the people of God work to bring God's heart and hope to children in their communities and beyond      **The Voices of Children in the Bible** Rita B. Hays, 2012-05 THIS

BOOK seeks to lift up the voices of children in both the Old and New Testaments Twelve stories highlight the voices of these children showing ways in which select children play a significant role in the outcome of the biblical narrative Additionally readers receive insights into ways they can relate to children today and also relevant lessons they can learn based upon the biblical text Each chapter offers discussion and reflection questions for individual or group study      **Our haunted world, Spiritual attacks, and God's protection** Dr. Anthony B. Atwam (PhD), 2025-09-22 The struggle for personal success justice freedom righteousness and well-being is a concern of every human being Some liberation movements have rightly located these problems in unjust societal structures such as capitalism colonisation hierarchy human greediness disobedience to God and so on These observations often overlook the impact of the spiritual realm on human life At the global level it leads the world and humanity astray from God-ordained place in the universe We are wrestling against spiritual powers in all seven gates of society government education arts and entertainment economy media family and religion At the personal level many

people do not have peace good health righteousness material prosperity justice and eternal life Most people pay attention to the subject only when they experience it Others dismiss it as myth or unscientific Science does not deal with spiritual issues these belong to the realm of the supernatural which comes under theology or more broadly religion and spirituality The ultimate spiritual protection is from God and He gives it to the righteous People should not be afraid of spiritual attacks One can easily overcome spiritual problems if one faithfully loves God and lives in obedience to God Thus this book examines and contributes to the kind of help people need to understand spiritual attacks how they happen why they happen how God rescues us and what people should do This book is a contribution to a theology of redemption **The New Topical Text**

**Book** R.A. Torrey, 1897 *Listening For the Voice of God!* Cynthia Burton, 2021-07-21 MY NAME IS MRS Cynthia Marie Burton and I am the mother of seven grown children one daughter and six sons and two grown stepdaughters All our children are grown God took care of them but life doesn't go on forever I want to let the whole world know how I actually made it by putting God first That is the key to everything Put God first number one and all will at least go somewhat right for you I will always and forever put God first in my life because God has been good to all of us Sometimes God will allow things to happen for a reason to mold you into who you are and shape you *And Then God Gave Us Kids* Tamara Boggs, 2003 An inspiring invitation for parents to see how the demands of parenting can enrich their relationship with God by seeing God through their kids **The Basis for the Building Work of God** Witness Lee, 2003-10 *Reframing Christian Education for a Global Generation* Heesung Hwang, 2024-09-24 This groundbreaking book serves as a case study delving into the unique challenges faced by the global generation as they navigate the complexities of their hybrid identities Heesung Hwang drawing from her extensive experience as both a minister and theologian presents a compelling vision for religious education inspired by the traditional Korean concept of madang In this open space faith communities gather to engage in communal interaction fostering generative environments where all members are valued and their contributions esteemed Through the lens of madang Hwang invites readers to reimagine religious education as a holistic experience that transcends traditional boundaries encompassing storytelling conversation play and relationship building This transformative work challenges religious educators to embrace innovative approaches that honor the diverse cultural and religious backgrounds of young people ultimately paving the way for redemptive communities that empower the next generation to shape new cultural and religious expressions within society *Reframing Christian Education for a Global Generation* promises to ignite important conversations and inspire meaningful change within faith communities worldwide *Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only

inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

**EXPOSING Lies We Believe About God** James B. De Young, Th.D., 2018-12-05 For years there has been uncertainty regarding Paul Young s The Shack Some have suspected heresy but have been unable to pin down exactly what Paul Young believed James De Young Th D who has known Paul Young for a couple decades wrote Burning Down the Shack to expose Christians to the fact that Paul Young espoused universalism Now the cat is out of the bag In his newest book Lies We Believe about God Young blatantly confesses adherence to universal reconciliation as well as twenty seven other beliefs that are heretical Here are some of Paul Young s unbiblical claims God is not in control of everything God submits to human beings God is a Christian God is a sexual being equally male and female People do not need to get saved Sin and hell do not separate people from God The cross was man s idea not God s People have a second chance to believe after death Everyone is a child of God Universal reconciliation has been accomplished for all people The God of evangelical faith tortured his child Jesus and is the perpetrator of evil Drawing upon his life long teaching of the Bible and the original languages James De Young appeals to the Bible to expose Paul Young as a heretic In appendices he also furnishes proof that Paul Young violates the Nicene Creed and the beliefs of the early church father Athanasius Finally we have a book written by one who is both personally and academically qualified to expose the true nature of Young s writings De Young will empower you to Discover the heresy in Young s book Lies We Believe About God Expand your ability to answer the lies found in universal reconciliation Enhance your capacity to discern between the truth and falsehood Strengthen your confidence in the truth of the Bible
