the life of Grossman's 20-year-old son Uri. Moving, humane, clear-sighted and courageous, these essays on literature and the Holocaust and artistic creation as well as politics and philosophy are a *cri de coeur* from a calm voice of reason at a time of uncertainty and despair.

Israeli Culture between the Two Intifadas Yaron Peleg, 2009-09-15 Over the past two decades profound changes in Israel opened its society to powerful outside forces and the dominance of global capitalism. As a result, the centrality of Zionism as an organizing ideology waned, prompting expressions of anxiety in Israel about the coming of a post-Zionist age. The fears about the end of Zionism were quelled, however, by the Palestinian uprising in 2000, which spurred at least a partial return to more traditional perceptions of homeland. Looking at Israeli literature of the late twentieth century, Yaron Peleg shows how a young urban class of Israelis felt alienated from the Zionist values of their forebears and how they adopted a form of escapist romanticism as a defiant response that replaced traditional nationalism. One of the first books in English to identify the end of the post-Zionist era through inspired readings of Hebrew literature and popular media, *Israeli Culture between the Two Intifadas* examines Israel's ambivalent relationship with Jewish nationalism at the end of the twentieth century.

The Boom in Contemporary Israeli Fiction Alan L. Mintz, 1997 Five essays explore facets of what Mintz calls the complexity of cultural reverberations in Israeli fiction of the past two decades.

Be My Knife David Grossman, 2014-02-13 Impressive, extraordinary and exotic, the finest novel to date by a writer who has been for nearly two decades one of the most original and talented not only in his own country but anywhere. *New York Times Book Review*: Extraordinary lust, frailty and fear are all laid bare, the peeling away of lies and social restraints to disclose the naked soul is gripping. *Daily Mail*: We could be like two people who inject themselves with truth serum and at long last have to tell it the truth. I want to be able to say to myself: I bled truth with her; yes, that's what I want. Be a knife for me and I, I swear, will be a knife for you. An awkward neurotic seller of rare books writes a desperate letter to a beautiful stranger whom he sees at a class reunion. This simple, lonely attempt at seduction begins a love affair of words between Yair and Miriam, two married, middle-aged adults dissatisfied with their lives, yearning for the connection that has always eluded them and eventually reawakened to feelings that they thought had passed them by. Their correspondence unfolds into an exchange of their most naked confessions of desire, childhood tragedies, joys and humiliations. Through the dialogue between Yair, a family man and surprisingly successful adulterer whose guarded letters reveal a life of duplicity, and Miriam, at first deceptively open and warm who fills her life with distraction to avoid a past full of painful secrets, *BE MY KNIFE* explores the nature and the limits of intimacy.

[Signatures of Struggle](#) Oded Nir, 2018-01-01 A Marxist history of Israeli literature tracing the relations between economic, social and aesthetic transformations. *Signatures of Struggle* offers a unique perspective on Israeli literature, bringing Marxist cultural critique to bear on a field from which it has hitherto been absent. Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism, the relation of literature to national ideology. Rather than reproducing the usual narrative in which fiction resists the nation's goals, Nir demonstrates how in each historical moment

literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the haluzim the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoch Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur Nir s mastery of relevant studies on Hebrew literature is impressive as is his erudition when it comes to theoretical works His textual analyses are insightful and original The book makes a tremendous contribution to literary scholarship but it is also one of the most important contributions to the entire field of Israel studies in this century Eran Kaplan author of *Beyond Post Zionism* This is a well written brilliantly conceptualized project I have little doubt it will change the way Zionist historiography and the history of Hebrew literature will be discussed Nitzan Lebovic author of *Zionism and Melancholy The Short Life of Israel Zarchi* *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

[A Moving Feast](#) Hizky Shoham, 2024-12-30 Winner of the Goldberg Family Foundation Award 2021 What is the meaning of the Jewish rites of initiation known as bar and bat mitzvah in the modern age when the concept of mitzvah religious precept or obligation means so little to most Jewish adolescents Hizky Shoham offers a comprehensive anthropological history of the bar and bat mitzvah ceremonies that seeks to understand why not only have these ceremonies been preserved but are in fact celebrated by more Jewish families and demand greater financial psychological and family resources than ever before The book maps and analyzes the transformation of the rituals in the modern age and endeavors to understand their meanings for the celebrants and other participants in the diverse historical contexts in which the ceremony appeared Is it indeed a rite of initiation The book breaks new ground by placing the rise of the bar and bat mitzvah in the context of the general rise during the modern industrial age of a new system of life cycle rituals rituals that mark the passing of time by

latching on to its artificial conventional milestones The child's 12th or 13th birthday functions as a temporal landmark in a personal biography that would otherwise move through homogeneous time **Lovers and Strangers** David

Grossman, 2014-02-13 These two novellas concern love In *Frenzy* Shaul is convinced that his wife is having an affair He feverishly imagines her in every painful detail with her lover Esther has never seen the human side of her aloof brother in law but during a night time journey Shaul unburdens himself recreating an affair he has never witnessed Is he mad Or has he divined the truth In *Her Body Knows* Rotem has spent most of her life being angry with her mother Nilli Now Nilli is dying and Rotem who has finally found happiness in London must return to say goodbye She arrives with a story about Nilli full of accusations empathy love and forgiveness **The Zigzag Kid** David Grossman, 2014-02-13 A hijacked train whisks an

imaginative young boy on an unforgettable adventure in which he makes discoveries about his own family's past and a wild woman who rescued his Israeli policeman father from a vat of chocolate An affecting tale of the triumph of hope over desperate circumstances Napoleon's upbeat colloquial style is extremely readable and the relationship between ZigZag and Singer is treated with as much depth of perception and sensitivity as that of John Steinbeck's Lenny and George Against a backdrop of the dregs of American society and the impotence of social welfare ZigZag is a modern day *Of Mice and Men* The

Times **The Thinking Heart** David Grossman, 2025-01-14 Searing essays from International Booker Prize winning Israeli author and long time peace activist David Grossman carry us up to and through the cataclysm of Oct 7th and what followed We know David Grossman's voice of ringing moral clarity from way back since the late 1980s and *The Yellow Wind* his classic work on the urgency of the two state solution and the price paid by both occupier and occupied he has been criticizing his country's government and pushing for paths to a lasting peace Just after October 7th 2023 he retreated inwards to ask himself anew these difficult and necessary questions about his beloved nation How could this massacre have happened How could the Netanyahu government tangled in its web of scandals have failed to protect its citizens And did October 7 and the war that followed take with it the last hope of a two state solution In these eleven essays which appeared in newspapers and journals at key moments when Grossman wanted to hold the government to account he traces the failures leading up to that day and the ensuing war enabled and abetted by a morally bankrupt party clinging to power He documents the struggle being fought on both sides between those committed to conflict and the many who want to live in peace and equality with their neighbors He asks what the meaning and purpose of a Jewish state can be when the core values of Judaism with its reverence for the dignity of each human life are cast aside and how his people so accustomed throughout history to being in the minority have not proved able to exist as a majority with the dignity and humanity that the job demands Ultimately Grossman arrives at the most important question of all Will there ever be a lasting peace in the region **American**

Constructing Realities Marilyn Charles,2004 One of the challenges in psychoanalytic work is to find ways to enliven the space when working with individuals whose thinking is highly constrained and who have little capacity for play This incapacity often signals a split between valued and devalued aspects of self In cases such as these self protection becomes paramount and may profoundly impede growth as whatever is not known is perceived as dangerous rather than being a challenge that invites further development For the therapist who must create aliveness within the consulting room we are caught by the very real threat that this aliveness poses to the defensive structures on which the patient s equilibrium rests Movement thus can be quite precarious In this volume Marilyn Charles considers how notions of play and myth as brought into the literature by Winnicott and Bion can help to provide an interim space in which impossible realities can be constructed at a safe enough reserve that we can more actively consider them and thereby create possibilities rather than foreclosing on them

Grammatical Competence and Parsing Performance Bradley L. Pritchett,1992-11 How does a parser a device that imposes an analysis on a string of symbols so that they can be interpreted work More specifically how does the parser in the human cognitive mechanism operate Using a wide range of empirical data concerning human natural language processing Bradley Pritchett demonstrates that parsing performance depends on grammatical competence not as many have thought on perception computation or semantics Pritchett critiques the major performance based parsing models to argue that the principles of grammar drive the parser the parser furthermore is the apparatus that tries to enforce the conditions of the grammar at every point in the processing of a sentence In comparing garden path phenomena those instances when the parser fails on the first reading of a sentence and must reanalyze it with occasions when the parser successfully functions the first time around Pritchett makes a convincing case for a grammar derived parsing theory
