

THE BOOK OF MAMMON

A BIBLICAL THEOLOGY OF WEALTH

Robert Harding Morris

Of Mammon The A Biblical Theology Of Wealth

John Hosking

Of Mammon The A Biblical Theology Of Wealth:

The Book of Mammon Robert Harding Morris, 2005-03-28 Everyone yearns for the good life where children are reared in a loving stimulating environment where youth are prepared for their future where adults achieve satisfaction through personal relationships and meaningfully rewarding work and where seniors find peace in their golden years Typically it entails economic sufficiency Yet when this universal hope becomes reality many Christians confront a disturbing faith challenge Jesus taught his followers to postpone earthly satisfactions until the next life In the present world their blessings will be found in poverty hunger sorrow and persecution Woe to those with wealth full stomachs laughter and popularity Christ practiced and demands self denial not self satisfaction Entry into Jesus severe life style is difficult and the path is arduous Multitudes are called but only a select few actually follow the way to eternal life that requires crucifixion of one self This book is a thought provoking biblical analysis of the gospel s opposition to wealth One cannot serve both God and money The Christian dilemma is that practical faith absolutely requires compromise Money is necessary for daily life and future needs How is it possible to follow Christ in this money driven society The Book of Mammon searches the Bible for the surprising resolution

The Elements of Christian Theology, Philosophy, Morals, & History; Or, Christianity Stated and Defended John Hosking, 1894

The Power of Money Ola Zaccheus, 2020 Money is critical and important for survival The Scriptures say money is a defence Ecclesiastes 7 12 Money therefore is a powerful instrument It is either you control money or money controls you Money does not control you directly It controls you through the things it can do for you Due to the ability that money has to control it therefore follows that if you don t make a conscious decision to submit money to God it will usurp God out of your life and take the place of God In this book the author gives a great deal of insight on money and how it can be used as a positive instrument in changing lives

Treatise on the Apparitions of Spirits and on Vampires Antoine Augustin Calmet, 2023-12-23 Antoine Augustin Calmet s Treatise on the Apparitions of Spirits and on Vampires is a pioneering exploration of supernatural phenomena blending rigorous historical analysis with a deep philosophical inquiry into the nature of the spectral and the uncanny In this seminal work Calmet meticulously investigates accounts of apparitions vampires and the beliefs surrounding them drawing upon folklore religious texts and contemporary case studies Written in the early 18th century amidst the Enlightenment s rationalism Calmet s style oscillates between empirical observation and theological reflection inviting readers to engage with the interplay between faith and reason A Benedictine monk and biblical scholar Calmet s extensive academic background and his position within a monastery exposed him to both the lore of the common people and the doctrines of the Church significantly influencing his views on the supernatural His unique perspective allowed him to approach the subject with both skepticism and curiosity leading him to produce one of the earliest comprehensive studies on these haunting subjects in a period characterized by a clash between science and superstition This treatise is a must read for those intrigued by the intersections of history theology and folklore Calmet s eloquent prose and

methodical examination breathe life into the mysterious enticing readers to ponder their beliefs about the metaphysical and the enduring legacy of these tales in contemporary culture In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read **Theology of**

Debt Hollis Phelps,2025-07-25 This book focuses on the various ways in which debt functions at theological and moral levels to create subjects with chapters on the biblical jubilee tradition and usury the gospels Saint Paul atonement theories in the early church Anselm s satisfaction theory of atonement and contemporary discussions of debt as a subjective mechanism Phelps shows that debt and atonement as theological concepts are bound together so to undermine debt as a subjective mechanism we need to undermine atonement theory as well by desacralizing the latter The goal of this book is to disrupt the sovereignty of debt over the creation and maintenance of subjectivity so that we can think otherwise than and outside of the creditor debtor relationship both morally and theologically but also economically Ultimately the analysis presented over seven chapters incites us to rethink community and what form social life should take **Christians in an Age of Wealth**

Craig L. Blomberg,2013-11-26 What does the Bible say about money material possessions and stewardship In Christians in an Age of Wealth Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian s life He points to the goodness of wealth as God originally designed it but also surveys the Bible s many warnings against making an idol out of money Taking a close exegetical look at this topic as it s discussed in Scripture Blomberg answers the toughest questions about Christianity and wealth Is there any one key to keeping possessions in their proper God intended perspective Are there limits on how rich we should become or on how poor we should allow others to get What does a truly Christian economic system look like How does the Bible s teaching on wealth fit into the gospel Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness He expands on the concept of giving generously even sacrificially to those who are needier demonstrating how Christians can participate in God s original good design for abundance and demonstrate the world altering gospel of Christ _____ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical understanding and reflection The Challenges of Religious Literacy Tuula Sakaranaho,Timo Aarrevaara,Johanna Konttori,2020-07-24 This open access book presents religious literacy as the main explanatory factor when dealing with certain ethnic groups that attract stereotypes which gloss over other personal factors

such as age class gender and cultural differences It discusses freedom of religion and the Christian revival movement It examines religious literacy and religious diversity in multi faith schools It looks into the role of Mosques and Islamic divorce Finally it discusses the prevention of violent radicalization and extremism in Finland Using recent data on Finnish secular society the book promotes a new understanding which is needed with respect to popular and media portrayal of religion or with respect to public discussion about religion It addresses actors in civic society public servants and higher education

Imagining the Academy Susan Huddleston Edgerton,2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Christian Ethics** Larry Chouinard,David A. Fiensy,George F. Pickens,2010-04-01 Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind Then you will be able to test and approve what God s will is his good pleasing and perfect will Romans 12 2 NIV What are your goals in life What goals should you pursue in your life Every day you make decisions concerning moral issues Moral evaluation implies that there is a standard of judgment Christian ethics is the study of how we live a life that conforms to the will of God When we look at life from a biblical perspective our goals actions and standards should be the result of asking the question What is God calling me to do and be Christian Ethics takes a fresh look at a multitude of ethical issues through the lens of God s Word This important new resource will help provide guidance into knowing God s will for your life Contributors are in alphabetical order Dr Lee Camp David Lipscomb University Dr Larry Chouinard Kentucky Christian College Dr James Estep Lincoln Christian Seminary Dr David Fiensy Kentucky Christian College Dr Gary Hall Lincoln Christian College Dr John Mark Hicks David Lipscomb University Dr Ronald Highfield Pepperdine University Dr Robert Hull Lincoln Christian College Dr Leonard Knight Kentucky Christian College Dr Mark Krause Puget Sound Christian College Dr Gregory Linton Great Lakes Christian College Dr Rick Marrs Pepperdine University Margaret McLaughlin MSW CSW Kentucky CC Dr David Musick University of Pennsylvania Dr George Pickens Kentucky Christian College Dr Paul Prill David Lipscomb University Dr Gregory Rutecki Evanston Hospital Gail Wise RN Kentucky Christian College Readings in Christian Ethics David K. Clark,Robert V. Rakestraw,1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action

Asian Theology of Liberation Aloysius Pieris,1988-03-09 Pieris confronts two of the most urgent and complex questions facing Christians today so many poor people and so many religions He believes that the approaches of the Christian Churches to these questions will determine whether Christianity will continue to have any relevance for Asia or not

Global Bible Commentary Teresa Okure,2004 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions These scholars have approaches and concerns that often are poles apart Yet they share two basic convictions biblical interpretation always matters and reading the Bible with others is highly rewarding Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book Written for undergraduate and seminary students and

their teachers as well as for pastors priests and Adult Sunday School classes it introduces the users to the main features of the biblical book and its content Yet each short commentary does more It also brings us a precious gift namely the opportunity of reading this biblical book as if for the first time By making explicit the specific context and the concerns from which she he reads the Bible the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked Need more info Download Global Bible Commentary Marketing Brochure PDF Free Adobe Acrobat Reader If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation this is it Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting In so doing they shed eye opening light on the biblical texts The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social political cultural and economic dynamics of our world today This collection can change the way you read the Bible scholars and students clergy and laity alike

Jacques Ellul and the Bible Jacob Marques Rollison, 2022-05-26 The hermeneutic contribution of the French theologian and sociologist Jacques Ellul is given new prominence in this striking collection of essays revealing him to be one of the twentieth century's most creative and insightful interpreters of the Bible With a breadth of contributors ranging from established biblical scholars and theologians to pastoral practitioners from top Ellul scholars to emerging voices and including six first time English translations of Ellul's own articles this volume not only provides a detailed overview of Ellul's biblical approach but also constitutes a crucial moment in Ellul's theological reception The essays gathered here represent a clear demonstration that the full potential of Ellul's theological interpretation of Scripture to rejuvenate and reconfigure contemporary biblical hermeneutics has yet to be seen

Theology of Hope Sang Yun Lee, 2018-08-01 This book digs deep into Yonggi Cho's teaching of the Threefold Blessing salvation financial prosperity and healing expressing the biblical concept of hope in the Korean Pentecostal context Ironically hope always begins situations where it is lacking The Threefold Blessing was the most urgent and eager hope in the desperate socio economical and political situation following the Korean War Cho's theology successfully contextualized became deeply lodged in the Korean Pentecostals lives which resulted in the growth of strong churches in Korea But the context has now changed in part due to the gospel's successful penetration of

Korean culture and the Threefold Blessing must be reinterpreted and theologically recontextualized The original Threefold Blessing emphasized the wellbeing of the individual person The new Threefold Blessing must expand its theological perspectives to include social and ecological matters This book suggests ways for its recontextualization for present and future of Korean Pentecostals

Ford's The Modern Theologians Rachel Muers, Ashley Cocksworth, 2024-02-21 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study

Moving Beyond the Impasse S. Wesley Ariarajah, 2018-10-01 Interfaith dialogue in a plural world This volume is based on the belief that both the ecumenical and interfaith movements are looking for new orientations for their future The forces of globalization communications revolution and massive population movements challenge some of the theological assumptions and presuppositions on which they were built The entry of deep and divisive religious sentiments into the public space and the rise of militant forms of religious expression call on the interfaith movement to move beyond traditional forms of dialogue the challenge is to enter into a deeper engagement on the purpose and role of religious traditions in society The

impasse facing these movements can only be overcome by new orientations as they look to the future This volume is not specifically on this problem However the collection of essays included in this volume although first given as lectures or written as articles traces past developments identifies the challenges these movements face today and suggests fresh theological moves to regain the initiatives to bring human communities closer together Biblical Counsel ,1993

Theological Ethics in a Neoliberal Age Kevin Hargaden,2018-10-31 Throughout his ministry Jesus spoke frequently and unabashedly on the now taboo subject of money With nothing good to say to the rich the New Testament indeed the entire Bible is far from positive towards the topic of personal wealth And yet we all seek material prosperity and comfort How are Christians to square the words of their savior with the balances of their bank accounts or more accurately with their unquenchable desire for financial security While the church has developed diverse responses to the problems of poverty it is often silent on what seems almost as straightforward a biblical principle that wealth too is a problem By considering the particular context of the recent economic history of Ireland this book explores how the parables of Jesus can be the key to unlocking what it might mean to follow Christ as wealthy people without diluting our dilemma or denying the tension Through an engagement with contemporary economic and political thought aided by the work of Karl Barth and William T Cavanaugh this book represents a unique and innovative intervention to a discussion that applies to every Christian in the Western world *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,1891 **The Cave and the Butterfly** Paul S. Chung,2011-01-01 This study offers an intercultural theory of interpretation and religion It does so by bringing Western and East Asian traditions into dialogue regarding the nature of interpretation The result of this innovative study is a theory of interpretation which integrates the socially embodied dimension of human life with the study of hermeneutics and religion in post foundational and cross cultural perspective Toward this end Paul Chung offers a constructive theology of divine speech acts in a manner more amenable to the social public sphere than other proposals In all of this he deeply considers intercultural horizon of interpretation between West and East and its implications for a theology of interpretation The result is a truly theological theory of interpretation that takes seriously the issues of intercultural studies and their intersection with Christian doctrine

The Enigmatic Realm of **Of Mammon The A Biblical Theology Of Wealth**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
