President.1985 the legal position and conditions of detention of persons detained by international criminal tribunals particularly as regards their internal legal position their rights and duties inside the remand facility. The primary purpose of this book is to set out the law governing the detention of persons detained under the tribunals jurisdiction. The book provides a detailed account of this area of international criminal law It sets out the applicable law including the law's underlying principles and focuses on a number of specific procedural and substantive legal issues As to procedural issues it examines the available complaints and disciplinary procedures as well as procedures applicable to the designation of States for the enforcement of the tribunals sentences In respect of substantive law it examines the detainees right to contact with the outside world including contact with their relatives with their lawyers and with the media The book will be an extremely useful guidance for practitioners in applying the law and principles of the tribunals detention law particularly because it is the first monograph written on the Monthly Catalogue, United States Public Documents ,1985-05 The U.N. Convention on Torture and the topic **Prospects for Enforcement** A. Boulesbaa, 2021-09-27 This text assesses the suitability of the UN Convention against torture and other cruel inhuman or degrading treatment or punishment hereinafter referred to as the Torture Convention as a means of protecting and enforcing the right to be free from torture Evaluation of the Convention's ability to attain these ends is undertaken through a critical commentary on its substantive and enforcement provisions and on other human rights Calendars of the United States House of Representatives and History of Legislation United States. instruments *United States Code: Organic laws; Title 1-General provisions to Title 5-Government organization* Congress.
