**Book Of Revelations, The** George Starr White,2003-04 A true narrative of life on many planets How our earth was created and inhabited This book is a condensed history of the earth from its creation to the present time as recorded in the master book of life on the golden planet Gods Wisdom Unfolds as One Becomes Acquainted With Him Man is the Product of His Thoughts      *Revelations from Revelation* Patrick M. Jones,2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you      The book of Revelations ... explained and corroborated by history Veritas,1891      **The Little**

**Book of Revelation** Eli of Kittim,2013-02 This book is a fascinating study in search of the real Jesus The author concludes that scripture is essentially a collection of prophecies not a record of past events Jesus did not say Blessed is he who heeds the words of the history of this book but rather Blessed is he who heeds the words of the prophecy of this book Thus the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions The book s argument is that Christ s visitation has not yet occurred in the world of time since it is a future event and that his origin will be derived from the Greeks not the Jews when he does appear      *The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed* ,1814      *Charts on the Book of Revelation* Mark Wilson,2007 This first of its kind charts book

does not seek to support specific interpretations of end times prophecies Instead it depicts the literary historical and theological backgrounds of Revelation arguably the New Testament s most challenging book Includes seventy nine charts timelines and maps All charts are reproducible for classroom use      Revelations of St. Bridget, on the Life and Passion of Our Lord, and the Life of His Blessed Mother Saint Bridget (of Sweden),1862      **Understanding the Book of Revelation:**

**The Mystery of the Book of Revelation is Finally Revealed** Ph. D. Donald E. Mbosowo,Professor Donald E. Mbosowo,2010-09 This book is about the truth revealed from the mystery hidden in the Book of Revelation The Book of Revelation is about the missing information revealed to John because there was no record in the Bible about what happened to the perfect creation in Genesis 1 1 There was no record about Adam created by the I AM as the first God and his generations before this present world The Bible has not recorded the lineage of Jesus from the I AM in order to present to the world who is Jesus This is the truth that must be known The Book of Revelation had been misunderstood because of the

political interpretation of its images In John 8 32 Jesus says And you shall know the truth and the truth shall make you free Here the truth refers to Jesus who has power to set humanity free from the bondage of the God of this world Jesus declares in John 14 6 that He is the Truth After the gospel had been preached for thousands of years humanity is still in captivity of the God of this world Many people keep asking why a good God can allow these types of suffering This shows that Jesus the Truth is not yet known Confessing Jesus as a Savior is different from knowing Him This has been done for thousands of years and the world is getting worst When Jesus the Truth is known He will set humanity free from this spiritual enslavement The revealed truth from the mystery in the Book of Revelation presented here is a divine journey toward knowing Jesus the Truth I encourage everyone to read this book

Revelation, the Rapture, and What Jesus Says Brian Davis,2024-04-08 When it comes to the last days God has provided believers with everything we need to know about what is coming This includes the order of events to take place and even at what point the rapture will occur When teaching on these subjects Jesus goes as far as telling us But take heed behold I have told you everything in advance Mark 13 23 Brian Davis examines the words of Jesus and compares His teachings directly to scriptures in the Old and New Testaments with a focus on the timing of the rapture the day of the Lord and how they relate to events in the book of Revelation Having maintained particular attention to scriptural harmony throughout the study it is possible for anyone to see the undeniable consistency in end time events discussed by Jesus the apostles and Old Testament prophets The result provides answers to many questions including What did Jesus teach about end time events How do His teachings compare to events as described in the rest of the Bible What is the day of the Lord Are the seals a part of God s wrath How do our beliefs today align with what Jesus the prophets and the apostles taught Using simple language and biblical insights Revelation the Rapture and What Jesus Says is tailored for both beginners and those who have studied prophecy for years to help understand critical teaching in the Bible that details what the world may soon be about to face

**An exposition of the book of Revelation, the substance of 44 discourses** Henry Gauntlett,1821 Notes on the book of Revelations John Nelson Darby,1839 The Prophecies of Daniel and the Revelations of St John Carl August Auberlen,2023-11-23 Reprint of the original first published in 1856 **The Book of Revelation the Spiritual Exodus** Sandra D. Brown-Jackson,2007-07-30 The church in the last days will not receive understanding of the consequences of

worshipping the anti Christ the beast or his image and of taking the mark of the beast Many shall do so without hesitation thinking that they are good Christians conforming to the world for the sake of survival instead of trusting in Christ The consequences of this ignorance will be disastrous in the last days Jesus will use the seal trumpet and vial judgments to cleanse and purify the compromising church and shall present the church to his father holy and blameless in the end

*Discernment of Revelation in the Gospel of Matthew* Frances Shaw,2007 In the biblical tradition revelation from God is frequently mediated through certain gifted individuals Disclosure and hiddenness are both integral to revelation and this study explores how Matthew presents Jesus as a true discerner of revelation and how he seeks to persuade his readers to accept the truth of his claim Discernment of revelation is a significant motif running through Matthew s Gospel relating closely to other aspects of his theological dynamic This is explored by examining the background in the Old Testament and early Jewish literature model discernment Jesus fragile discernment Peter and failed discernment opponents A general composition critical approach is taken although insights from literary criticism are also used especially to explore literary devices familiar in the apocalyptic and wisdom traditions which Matthew uses as persuasive tools      **Notes, Explanatory and Practical, on the Book of Revelation** Albert Barnes,1852
