A Path of Stones Nathan Boutwell, 2017-01-03 Newly initiated wizardess Aura Lockhaven has a strange power within her that enables her to perform miracles The path of the enchantress offers her hope to harness that power before it kills her To discover more she visits the Valley of the Mystic Moon the home of the Order of Enchanters The Order is not so enchanting however A monster wants Aura's soul A vengeful ghost wants her head A renegade lawman wants both A mad noblewoman believes Aura is the fulfillment of a prophecy Finally there is something about her mother's maiden name that attracts the wrong kind of attention Aura may not survive walking a Path of Stones

The Love of Stones Tobias Hill, 2013-11-07 I am following the traces of a great jewel All its owners are dead and the jewel is lost Precious stones are thousands of years old They pass through the hands of owners and smugglers merchants and thieves Often the hands leave no trace but they are there all the same they leave impressions invisible like atoms of hydrogen drawn to the surface of a diamond The Love of Stones charts three lives linked by one such jewel Katherine Sterne searches the goldsmiths quarters and hidden archives of contemporary London Tokyo and Istanbul following the trail of a long lost jewel a brooch of rubies diamonds and pearls once worn by Queen Elizabeth I Two hundred years earlier a pair of Iraqi Jewish brothers travel to London their fortunes made by an unearthed jar of mysterious and priceless stones An epic story spanning two continents and six centuries The Love of Stones follows three very different people each in their own way consumed by the same desire At the heart of their lives is the Three Brethren the legendary jewel that binds them together in a narrative as clear and irresistible as the facets of a diamond
