

Of The Labour Party

Rhiannon Vickers

Of The Labour Party:

A Short History of the Labour Party Henry Pelling, 1993-10-15 Providing an introductory account of the Labour Party from its foundation this book covers the whole period up to the General Election of 1992 and the subsequent choice of John Smith to succeed Neil Kinnock as party leader It also discusses the role of labour unions within the party

The Politics of the Labour Party Dennis Kavanagh, 2013-04-15 It would be difficult to think of any political party whose internal problems have been so publicly scrutinised as have those of the Labour Party in recent years The authors of *The Politics of the Labour Party* were not specifically asked to consider the question why Labour There has been no shortage of published views on that subject Instead they were invited to look at certain themes and topics of longer term significance With a focus on contemporary problems whose consequences are still unfolding *The Politics of the Labour Party* promotes an understanding of the context in which those problems occurred and will develop with its main theme being change Chapters included focus on power in party the developing incompatibility of intra party democracy and parliamentary democracy and the changing styles of political leadership Noted contributors such as the late Robert Mackenzie Colin Crouch and Dennis Kavanagh raise important questions about the changes in the relationship between the party and the trade unions remind us about the scale of Labour's recent decline in electoral support and investigate the party's ideas of representation and asks if Labour is still the workers party *The Politics of the Labour Party* provides simply the most authoritative analysis of the longer term tensions which lie behind the immediacy of day to day events

The People's Party Anthony Wright, Tony Wright, Matt Carter, 1997 In the introduction to this history of Labour Tony Blair reminds us that it is a young party only as old as the 20th century and unlike other political parties Labour was born as a people's party growing out of the world of friendly societies chapels trade unions co operative societies clubs and causes

Short History of the Labour Party Henry Pelling, 1972-09-07 *Report of the ... Annual Conference of the Labour Party* Labour Party (Great Britain). Conference, Labour in the City Declan McHugh, 2006 The Labour leadership responded to the introduction of universal suffrage in 1918 by embarking on a plan of reorganization aimed at transforming the organization from a trade union pressure group into an independent national political party It equipped the party with a comprehensive political program and determined to create a national network of local branches based on a mass membership This study assesses how the Labour leadership's plan of reconstruction fared at grass roots level by examining its organizational and electoral development between 1918 and 1931 in Manchester the quintessential modern industrial city

A Short History of the Labour Party H. Pelling, A. Reid, 1996-06-05 Now in its eleventh edition this book provides a concise introductory account of the Labour Party from its foundation up to Tony Blair's leadership and the subsequent redrafting of the party's statement of aims in its constitution It describes the main groups involved in the foundation of the party and the main influences on its changes of policy It also describes the role of the trade unions within the party and their relations with the parliamentary leadership and the rank and file members It concludes by

discussing the problems Labour has faced in gaining an effective parliamentary majority and the solutions which have been devised by successive generations of the party's leadership. This book thus provides the essential background for an understanding of current politics.

The Labour Party in Perspective C. R. Attlee, 2008-11 Originally published in 1937 this is a fascinating account of the early days and growth of the Labour party by one of its leading lights. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality modern editions using the original text and artwork.

Contents Include: Historical Retrospect, Trade Union and Co-Operative Movements, Constitution, Labour Party Method, Socialist Objective, Short Programme, Foreign Policy, The Commonwealth and The Empire, Labour and Defence Prospect.

A Century of Labour Keith Laybourn, 2001 This work provides an illustrated history of the Labour Party, concentrating on the major personalities and crises. It tells the whole story from its working class roots to Blairism and New Labour.

Labour Inside the Gate Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes. Its campaigning cartoon, which gives this book its title, showed the party wielding an axe towards the gates of Parliament, cutting through the special interests protecting the old system to aid the working classes. What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force. The inter-war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government. At the end of the Great War, 1914-1918, Labour had a developing national organisation and a fledgling constitution. By 1922 it rivalled the war-ravaged Liberals as the party of opposition, a fact that was affirmed with the formation of the first minority Labour government in January 1924. The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression, but the organisational basis of the party remained solid, allowing Labour to reinvent itself over the 1930s. By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945. Matthew Worley has written the first study dedicated solely to this crucial period in Labour's development. In an accessible style, he provides a comprehensive account of all aspects of the movement. Using a wide range of sources, he explores this often marginalised period in Labour's history, both looking at the parliamentary party and the growing network of constituency parties. Worley's approach unites high politics and issues that cross local and national boundaries. He combines policy, social history and economics with broader themes such as gender and culture. *Labour Inside the Gate* will appeal to students and scholars as well as all those interested in Labour's history. Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government.

The Rise of the Labour Party 1880-1945 Paul Adelman, 2014-09-25 This popular study covers two major topics: the formation of the Labour Party and its emergence as the main rival to the conservatives. This transformation of the British political scene has been accounted for in a variety of ways. Dr Adelman examines these

explanations and concludes that while there is a consensus about the reasons for the creation of the Labour Party there is no agreement about why it rose to such prominence *The Labour Party since 1945* Kevin Jefferys,1993-08-17 What caused the strange death of Labour Britain Why did the party that swept to power in 1945 and governed for half of the next twenty five years falter so badly in the 1970 s and 1980 s Here the author weighs up the conflicting arguments and also takes a broader look at the interaction of policy ideology and organisation in Labour s history By drawing together these themes Dr Jeffreys provides a wide ranging introductory study the first historical overview of the Labour party to cover the whole period between the eras of Clement Attlee and John Smith **The Foundations of the British Labour Party** Matthew

Worley,2016-12-05 Interest in the Labour Party remains high particularly following the unprecedented election of a third successive Labour government and amidst the on going controversies that surround the New Labour project Increasingly the ideological basis of the Labour Party has come under scrutiny with some commentators and party members emphasizing progressive traditions within the party whilst others refer back to the trade union foundation of Labour This volume brings together a group of scholars working within the field of labour history to consider the various elements that influenced the early Labour Party from its formation into the 1930s The party s association with the trade union movement is explored through the railwaymen and mineworkers unions while further contributions assess the different ways in which the Independent Labour Party the co operative movement liberalism Christianity and the local party branches helped lay the foundations for Labour s growth from a parliamentary pressure group to a party of government *Education and Politics, 1900-1951* Rodney Barker,1972 **Strange Death of Labour Scotland** Gerry Hassan,2012-06-20 Analyses the last 30 years of Scottish Labour from the arrival of Thatcherism in 1979 to the aftermath of the party s defeat in the 2007

Labour's Economic Ideology Since 1900 Christopher Kirkland,2022-09-20 This book traces the economic ideology of the UK Labour Party from its origins to the current day Through its analysis the book emphasises key crises including the 1926 General Strike the 1931 Great Depression the 1979 Winter of Discontent and the 2007 2008 economic crisis In analysing this history the ideology of the Labour Party is examined through four core themes the party s definition of socialism the role of the state in economic decision making the party s understanding of inequalities and its relationship with the trade union movement The result is a systematic exploration of the drivers and key ideas behind the Labour Party s economic ideology In demonstrating how crises have affected the party s economic policy the book presents a historical analysis of the party s evolution since its formation and offers insights into how future changes may occur **The Struggle for Labour's Soul**

Matt Beech,Raymond Plant,Kevin Hickson,2004-08-02 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper s Polly Toybee discuss the Labour Party s political philosophy and address key topics like globalization constitutional reform equality and the third way *The Labour Party and the world, volume 1* Rhiannon Vickers,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This is the first

comprehensive study of the political ideology and history of the Labour Party's world view and foreign policy. It argues that the development of Labour's foreign policy perspective should be seen not as the development of a socialist foreign policy but as an application of the ideas of liberal internationalism. The first volume outlines and assesses the early development and evolution of Labour's world view. It then follows the course of the Labour party's foreign policy during a tumultuous period on the international stage including the First World War, the Russian Revolution, the Spanish Civil War, the build up to and violent reality of the Second World War and the start of the Cold War. This highly readable book provides an excellent analysis of Labour's foreign policy during the period in which Labour experienced power for the first time. The Rise of the Labour Party G. D. H. Cole, Labour Party, 1946 **Parliamentary Debates** New Zealand. Parliament, 1922

Right here, we have countless ebook **Of The Labour Party** and collections to check out. We additionally present variant types and after that type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily within reach here.

Of The Labour Party Introduction

In the digital age, access to information has become easier than ever before. The ability to download Of The Labour Party has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Of The Labour Party has opened up a world of possibilities. Downloading Of The Labour Party provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Of The Labour Party has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Of The Labour Party. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Of The Labour Party. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Of The Labour Party, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Of The Labour Party has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Of The Labour Party Books

What is a Of The Labour Party PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Of The Labour Party PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Of The Labour Party PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Of The Labour Party PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Of The Labour Party PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
