Of The Twelve Prophets Commonly Cal:

Berit Olam: The Twelve Prophets Marvin A. Sweeney, 2016-03-16 There is generally no common material that binds together the works of the individual prophets that comprise the Twelve but through Sweeney's commentary they stand together as a single clearly defined book among the other prophetic books of the Bible. The Book of the Twelve Prophets is a multifaceted literary composition that functions simultaneously in all Jewish and Christian versions of the Bible as a single prophetic book and as a collection of twelve individual prophetic books. Each of the twelve individual books Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi begins with its own narrative introduction that identifies the prophet and provides details concerning the historical setting and literary characteristics. In this manner each book is clearly distinguished from the others within the overall framework of the Twelve. By employing a combination of literary methodologies such as reader response criticism canonical criticism and structural form criticism Sweeney establishes the literary structure of the Book of the Twelve as a whole and of each book with their respective ideological or theological perspectives. An introductory chapter orients readers to questions posed by reading the Book of the Twelve as a coherent piece of literature and to a literary overview of the Twelve. Sweeney then treats each of the twelve individual prophetic books in the order of the Masoretic canon providing a discussion of each one's structure theme and outlook. This is followed by a detailed literary discussion of the textual units that comprise the book.

The Prophetic Literature Prof. Marvin A. Sweeney, 2010-10-01 Biblical Studies Biblical texts create worlds of meaning and invite readers to enter them. When readers enter such textual worlds which are often strange and complex they are confronted with theological claims. With this in mind the purpose of the Interpreting Biblical Texts series is to help serious readers in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers. Although these books of the prophets are based upon the careers and experiences of some of the most talented and provocative individuals of their times the books must be read first as literature. Each book displays its own unique organization literary characteristics and theological outlook in presenting the prophets. In the case of Jeremiah interpreters must even consider two distinctive forms of the book in the Hebrew Bible and the Greek Septuagint. By guiding the reader through the literary structure and language of each of the prophetic books as well as the social roles of the individual prophets this volume opens the reader to greater understanding and appreciation of the prophets of Israel and Judah. Fact packed and crystal clear Marvin Sweeney's Interpreting Biblical Texts: The Prophetic Literature invites readers to tour the landscape of ancient Israel's Latter Prophets corpus. Sweeney serves as a first rate guide equipping readers with basic knowledge to grasp and grapple with the literary legacies of the canonical prophets. True to the series title he interprets texts with an eye to major dynamic themes in Jewish

and Christian traditions The volume proves a reliable guidebook for readers wishing not only to survey but also to engage in dialogue with ancient Israel's canonical prophets Kathryn Pfisterer Darr Professor of Hebrew Bible Boston University The aim of the series *Interpreting Biblical Texts* is pedagogical This well written easy to follow and coherent book serves its purpose well More importantly it certainly invites and guides its readers in the enterprise of interacting with the prophetic books in a way that is informed by recent academic scholarship on this literature Ehud Ben Zvi History and Classics Interdisciplinary Program of Religious Studies University of Alberta This is a new and interesting approach to the prophetic literature which will be illuminating for theological reflection in our own post Holocaust era John J Collins Holmes Professor of Old Testament Yale Marvin A Sweeney is Professor of Hebrew Bible Claremont School of Theology and Professor of Religion at Claremont Graduate University *The Book of Common Prayer ... With Notes and Annotations; Also a Companion to the Altar. The Hebrew Bible in Light of the Dead Sea Scrolls Armin Lange, Kristin De Troyer, Shani Tzoref, Nóra Dávid, 2013-06-11 Until recently most non biblical manuscripts attested in the Qumran library were regarded as copies of texts that were composed after the books of the Hebrew Bible were written Students of the Hebrew Bible found the Dead Sea Scrolls therefore mostly of interest for the textual and interpretative histories of these books The present collection confirms the importance of the Dead Sea Scrolls for both areas by showing that they have revolutionized our understanding of how the text of the biblical books developed and how they were interpreted Beyond the textual and interpretative histories though many texts attested in the Qumran library illuminate the time in which the later books of the Hebrew Bible were composed and reworked as well as Jewish life and law in the time when the canon of the Hebrew Bible developed This volume gives important examples as to how the early texts attested in the Dead Sea Scrolls help to better understand individual biblical books and as to how the later texts among them illustrate Jewish life and law when the canon of the Hebrew Bible evolved In order to find an adequate expertise for the seminar The Dead Sea Scrolls and the Hebrew Bible the editors invited both junior and senior specialists in the fields of Hebrew Bible Second Temple Judaism Dead Sea Scrolls and Rabbis to Rome
