ps5, invitation, invite, thank you amazon, award

Transaction process went smoothly and delivered on time and without issue.

This came in great packaging, big box so no one knew what it was. In box was more protective wrapping, and in middle was the ps5 box, which was also packed well inside that.

Probably my 17th one from Amazon.

PS5 arrived early and set up was of course typical.

Placed in the cart, pay and ship.

As for the invitation it took me several times to requested to get it.
