Of Mark The Story Of Jesus:

Mark as Story David M. Rhoads, Joanna Dewey, Donald Michie, 2012-04 For thirty years *Mark as Story* has introduced readers to the rhetorical and narrative skill that makes Mark so arresting and compelling a story Rhoads Dewey and Michie have helped to pioneer our appreciation of the Gospels and Mark in particular as narratives originally created in an oral culture for oral performance New in this edition are a revised introduction and an afterword describing the significant role *Mark as Story* has played in the development of narrative criticism Mark Ernest Best, 1983 *Mark's Story of Jesus* Werner H. Kelber, 1979 The primary objective of this book is an interpretative retelling of Mark's story of the life and death of Jesus Mark's Gospel is viewed as a dramatically plotted journey of Jesus Mark invites the reader to follow Jesus on His travels unexpected experiences and crises The reader who follows Jesus journey to the end will be shown a way out of the crisis

The Beginning of the Gospel of Jesus Christ According to Mark Cullen I K Story, 2004-11 Mark's gospel relates the beginning of the good news of Jesus with an implied continuity through disciples then and now The original text is made perceptible and exciting for English Bible students *Mark as Story* Kelly R. Iverson, Christopher W. Skinner, 2011 This volume celebrates *Mark as Story* and offers critique engagement and exploration of the new hermeneutical vistas that emerged in the wake of this pioneering study *Mark's Story* Tim LaHaye, Jerry B. Jenkins, 2007-10-09 The thrilling new novel of the Jesus Chronicles from the authors of the multi million bestselling *Left Behind* series The phenomenal multi million selling *Left Behind* series has won legions of fans Now Tim LaHaye and Jerry Jenkins give us the second book in their bestselling Jesus Chronicles biblically inspired novels that bring to life the story of Jesus as never told before Mark's Story is a thrilling account that vividly depicts the last day before Jesus crucifixion and the danger that early believers faced as they boldly proclaimed him Christ the Lord Readers will discover firsthand the growth of the early Church the struggles of Jesus followers the persecution they endured and their bravery and passion which laid the foundation for the Christian Church and still reverberates throughout the world today **Mark** Dennis M. Sweetland, Sweetland Dennis, 2007 NCP Biblical Commentaries Resources for Pastoral Ministry NCPs biblical commentaries present the best of contemporary exegetical and theological scholarship in a clear readable inclusive style The series provides readers with resources to better understand and integrate scriptural teachings with their own personal social spiritual and ecclesiastic lives Each volume provides an introduction to one or more books of the Bible including an overview of the time place and circumstances of composition and the main issues addressed by the sacred writers The biblical text is accompanied by an exposition of the issues and questions it raises for readers Further insights from the history of its interpretation and practical applications for its significance today follow The volumes in this series are designed for committed Christians women and men interested in deepening their faith and understanding of the importance of the scriptures to their daily life They also help readers develop a scriptural basis for their personal spirituality as well as their commitment to the ecclesiastic community of faith **The End of Mark's Story**

Danove,2022-07-04 This volume generates a narrative grammar which unites linguistic structuralistic rhetorical and reader response methods and then uses it to investigate the textual indicators for interpreting the ending of the Gospel of Mark The first part of this book generates the narrative grammar in response to significant contemporary writings on methods of narrative analysis The second part provides a detailed analysis of the Gospel s larger narrative units The analysis isolates narrative units according to a consistent set of criteria grounds the interpretation on a limited number of qualifications of the implied reader indicates the centrality of the literary and rhetorical traditions of the Hebrew Bible for interpretation clarifies the model of irony used in the narrative and accounts for the negative presentation of the disciples on narrative grounds

The Gospel of Mark Francis J. Moloney,2002 The Gospel of Mark addressed to an early Christian community perplexed by failure and suffering presents Jesus as suffering Messiah and Son of God Recognizing that failure and suffering continue to perplex Christians Francis Moloney marries the rich contributions of traditional historical scholarship with the

contemporary approach to the gospels as narrative to bring the Gospel s story to life for readers today Reading the Gospel of Mark as a Novel Geert Van Oyen,2014-11-12 The world is flooded with novels about secret messages or hidden texts They all pretend to reveal the ultimate truth of Jesus In this book Geert Van Oyen goes back to the oldest gospel and explores its story as a challenging and revolutionary message for any reader By employing a narrative critical approach Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist Jesus Along the way readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience Who can remain indifferent when they hear the paradox at the heart of the gospel Whoever wishes to become great among you must be your servant and whoever wishes to be first among you must be slave of all **Meeting Jesus in Mark** Marcus Borg,2011-02-18

Marcus Borg is an internationally respected expert on the Gospels Here he offers the fruit of a lifetime s research and reflection on the Gospel of Mark This book is ideal both for new Christians and for those who would like a fresh perspective on Mark s portrait of Jesus It includes thoughtful questions for group study or private reflection The Christology of Mark's Gospel Jack Dean Kingsbury,1983 This important work represents a major methodological advance in the study of the Gospels The result is a significant reassessment of Mark s Christology and a stunning new interpretation of the secrecy motif

The Turning Point in the Gospel of Mark Gregg S Morrison,2015-02-26 Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter s confession 8 27 38 and the Transfiguration 9 2 13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author s main focus the identity of Jesus and the significance of that reality for his disciples Peter s confession of Jesus as Messiah faces backward toward the Prologue 1 1 13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the

images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow

The Gospel of Mark John P. Keenan, 2005-02-03 John Keenan's *The Gospel of Mark* is a radically new reading of this most intriguing of the Synoptic gospels a remarkable feat in the face of the explosion of Markan scholarship over the last twenty years Keenan accomplishes this by approaching Mark as no other scholar has done through the lens of Mahayana Buddhist philosophy This view stresses the emptying of all preconceived notions of how to begin reading as well as reclamation of such notions in terms of dependent co arising and Jesus assault on the validity of conventional religiosity *The Gospel of Mark* displays an alternative hermeneutical procedure one generated by the Mahayana understanding of the function of text and doctrine and informed by Mahayana philosophy Part One of *The Gospel of Mark* provides an overview of different interpretive techniques in Markan scholarship It describes and argues for the validity of a Buddhist approach to this charter document of the Christian Gospel Here the author demonstrates a profound grasp not only of scriptural scholarship but of Mahayana philosophy Keenan discusses themes such as Mark's elliptical style and the journeying that provides the impetus for the narrative and explores them through the lens of emptiness and dependent co arising which are the focal points of a Mahayana reading In Part Two Keenan gives the reader truly fresh insights into the paradoxical world of Mark's Jesus Through a Buddhist lens the text offers startling and new perspectives on Jesus himself the experience of the Kingdom miracle stories and parables the passion and death the resurrection and return

The Spirituality of Mark Mitzi Minor, 1996-01-01 Author Mitzi Minor offers a reading of the Second Gospel that emphasizes the book's instruction for a life of faith Mark provides guidance to Christians on how to live authentically that life of faith

The Theological Intentions of Mark's Literary Devices Dean B. Deppe, 2015-10-22 What sets *The Theological Intentions of Mark's Literary Devices* apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day

The Gospel of Mark Ben Witherington, 2001-01-08 This book offers the first sustained attempt to read the Gospel of Mark both as an ancient biography and as a form of ancient rhetoric Ben Witherington applies to Mark the socio rhetorical approach for which he is well known opening a fresh new perspective on the earliest Gospel Written when the fledging Christian faith was experiencing a major crisis during the Jewish war Mark

provides us with the first window on how the life and teachings of Jesus were presented to a largely non Jewish audience According to Witherington the structure of Mark demonstrates that this Gospel is biographically focused on the identity of Jesus and the importance of knowing who he is the Christ the Son of God This finding reveals that Christology stood at the heart of the earliest Christians faith It also shows how important it was to these earliest Christians to persuade others about the nature of Jesus both as a historical figure and as the Savior of the world *The Origins of Mark* Dwight N. Peterson,2000 The book discusses and criticizes the practice of constructing a community behind the Gospel of Mark and by implication other Gospels and using that community to control appropriate interpretation of Mark It converses with particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark *The Gospel of Mark* John R. Donahue,Daniel J. Harrington,2005 In *The Gospel of Mark* Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark s Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e g archaeological data Intertextuality is used to note the links of the text of Mark s Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today *The Gospel of Mark Made Easy* Patrick J. Flanagan,1997 This is a fascinating introductory book for studying the Gospels It includes a simple presentation of contemporary scriptural interpretation of Mark s Gospel resource notes and compelling new insights for clergy biblical readers and study groups
