Gilliss, 2002-01-01 This practical book for use in Reformed worship boasts a collection of highly engaging prayers written by current Presbyterian pastors and theologians Unique amidst most prayer books the language of these prayers is conversational in tone rather than formal and their concerns represent a diversity of approaches Divided into sections by seasons of the liturgical year *Let Us Pray* includes prayers of confession petition intercession and thanksgiving as well as assurances of pardon litanies and calls to worship **Grace from Heaven** Robert Elmer, 2024-08-14 Raise our minds heavenward and upward to think on your true glory Grace from Heaven now has a home next to my Bible and I trust it ll find a home in your heart too Joni Eareckson Tada Pray with the Protestant Reformers Find prayers for your need and season Gain inspiration from great Christians of the past Includes prayers by Marguerite de Navarre John Wycliffe William Tyndale John Knox Martin Luther John Calvin Heinrich Bullinger Huldrych Zwingli The Reformation was an extraordinary time of profound spiritual fervor Grace from Heaven collects prayers from influential Protestant voices of the Reformation that express deep longings theological richness and a burning desire for God s grace The prayers are arranged by topic and time from praise to petition morning to evening so that your prayer life can be interwoven with the rich tapestry of prayers of faithful Christians from the past By praying along with Martin Luther John Calvin Marguerite de Navarre William Tyndale and many others we join the chorus of Reformation believers in prayer and contemplation **Prayers of the Eucharist** R.C.D. Jasper, G.J. Cuming, 2018-11-27 This classic work previously edited by Ronald Jasper and Geoffrey Cuming has been a staple source in teaching liturgy to generations of students in colleges seminaries and universities It has now been comprehensively revised for future generations of liturgical scholars Updates include New introductions that take into account the substantial changes in recent scholarship New groupings of the various prayers into liturgical families in order to make their relationships clearer Plus new bibliographies The Patristic Roots of Reformed Worship Hughes Oliphant Old, 2023-12-29 The first part of this work describes the development of Reformed Worship from 1500 1542 The story begins with liturgical reforms of the Christian Humanists in Alsace continues through the establishment of the first Protestant worship services in the Swiss cities of Zurich and Basel joins with the currents of French evangelical thought flowing from Meaux and finally reaches Geneva with the publication of Calvin s first psalter Reformed worship is presented as the fruit of an inner church liturgical renewal movement begun well before the Reformation which was then cultivated by the Rhineland Protestant Reformers In order that we might be clear about how patristic literature

affected this process we turn next to discover what the Reformers knew about the church fathers We show evidence of the impressive patristic knowledge of such men as Zwingli Brucer Hedio Oecolampadius and Calvin An extensive bibliography of patristic editions known and used by the Reformers concludes the second part of the book Finally we analyze each element of Reformed worship to show its development and to indicate its scriptural and particularly its patristic roots The Prayer of Confession the Prayer of Intercession the Communion Invocation and the Benediction are studied to show their liturgical purpose How the Reformers understood their use of the lectionary the sermon psalmody and hymnody is presented in the light of their understanding of the practice of the ancient church

'Family prayer book': plain family prayers for six weeks, with Baxter's Reformed liturgy, adapted by an elder Family prayer book,1858 *Reformation of Prayerbooks* Chaoluan Kao,2017-11-13 In her study Chaoluan Kao offers a comprehensive investigation of popular piety at the time of the European Reformations through the study of sixteenth and seventeenth century Protestant prayerbooks It pursues a historical contextual approach to spirituality by integrating social and religious history in order to yield a deeper understanding of both the history of Christian piety and of church history in general The study explores seven prayerbooks by German authors and seventeen English prayerbooks from the Reformation and post Reformation as well as from Lutheran Anglican and Puritan traditions examining them as spiritual texts with social and theological significance that helped disseminate popular understandings of Protestant piety Early Protestant piety required intellectual engagement emphasized a faithful and heartfelt attitude in approaching God and urged regular exercise in prayer and reading Early Protestant prayerbooks modeled for their readers a Protestant piety that was a fervent spiritual practice solidly grounded in the social context and connections of its practitioners Through those books Reformation could be understood as redefining the meanings of people's spiritual lives and re-discovering of a pious life In a broader sense they functioned as a channel of historical and spiritual transition which not only tells us the transformation and transmission of Reformation historically but also signifies the development of Christian spirituality The social historical study of the prayerbooks furthers our understanding of continuity change and inter-confessional influence in the Christian piety of early modern Europe
