wipfandstock.com **Angel Veneration and Christology** Loren T. Stuckenbruck, 1995 **The Metaphor of the City in the Apocalypse of John** Eva Maria Räßle, 2004 Throughout history the vision of a new city the heavenly Jerusalem coming down from heaven has inspired human beings to dream about community society and the world Acting as an incentive to turn unsatisfied longing into utopian ideas and ultimately action the language of the Apocalypse of John has long inspired human imagination in a highly effective manner This fact has contributed to its controversial role in the history of New Testament interpretation its bizarre often paradoxical language seems to veil rather than reveal its message Interestingly the Apocalypse has never ceased to be an inspiration for artists unlike conceptual language art does not restrict interpretation but has the power to incite the reader or audience to imagine Using artistic expression as paradigm this book examines a central image the city as metaphorical material investigating the dynamic interpretive process from text to imagination

Like a Bride Adorned Lynn R. Huber, 2007-06-10 This book engages one set of conceptual metaphors in relation to Revelation's literary and social historical milieu **Revelations of the End** Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *"Those Who Call Themselves Jews"* Philip L. Mayo, 2006-08-01 The nature of Jewish Christian relations at the end of the first century has been a subject of serious study and considerable debate The time between 70 and 150 CE is held to be a volatile time in that Jewish Christian relations were quickly although not uniformly deteriorating This is a time referred to as the partings of the ways when the church was emerging as a religion apart from Judaism Although it has often been neglected in this study of particular interest is the Apocalypse of John since it was written in this dark and turbulent time in Jewish Christian relations John who is a Jewish Christian is writing to what are likely predominantly Gentile churches At first he appears to deny the very name Jew to his ethnic kin while accusing them of belonging to Satan 2 9 3 9 Nevertheless he does not abandon his own Jewish background and theology He makes broad use of the Hebrew Scriptures and Jewish cultic imagery while maintaining a Christian understanding that Jesus is the fulfillment of God's redemptive plan What is of particular interest is how he adopts and adapts this imagery and language and applies it to the church It is John's mix of Jewish imagery with a Christian message that may provide some insight into his perspective on the relationship between these two increasingly polarized sects What exactly this perspective constitutes the subject of the present

Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book

Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic

Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text's central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance

Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New

Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John's Gospel walking through Acts and the letters and completing with the book of Revelation. One's theological presuppositions will of course affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet undoubtedly *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions. This well-written book will serve its readers effectively by sharpening or challenging their views. If not both, Dr. John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary, this substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition. *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study. Kim's exposition is scholarly rigorous and articulate. He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation. *Perseverance and apostasy in the New Testament* is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike. Dr. Peter A. Lillback, president, Westminster Theological Seminary, Philadelphia, "The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted. For example, the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification. In response to these criticisms, challenges and distortions, this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts. Dr. Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ. This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy." Dr. Sung Wook Chung, Professor of Christian Theology, Denver Seminary, "Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not. Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy? Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture? Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers. He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy. He challenges himself and his readers to allow the New Testament itself to revise and refine our theological presuppositions and working definitions. Kim is also aware of the error of selective evidence. To avoid it, he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy. Kim's book is new essential reading for everybody."
