[The Victorian Novel On File](#) Priyanka Anne Jacob, 2024-09-16

The Victorian Novel On File argues that the nineteenth-century information explosion shapes the novel form. In a world teeming with data, the novel is a storage medium cluttered with detail and accumulating more than it can use. The fictional things that have been read as insignificant should be seen instead as vessels of information, embedding the text with potential. This study weaves together a formal account of the novel with media and information studies, as well as new materialist approaches to objects. Information took material form in the nineteenth century; in Victorian literature, data can be located in bric-a-brac, folded-up papers, semi-precious stones, and rubbish heaps. Yet this information may never be transmitted as knowledge. Instead, the novel offers indefinite storage, gesturing toward the future while holding action and accountability in abeyance. Fallen by the wayside of plot are documents left on file, containers left unopened, stock left on the shelf, and secrets left untold. Enacting this study argues the Victorian novel's aesthetics of deferral. In readings of works by Charles Dickens, George Eliot, Mary Elizabeth Braddon, Wilkie Collins, and Rudyard Kipling, this study illustrates the formal effects of cultural questions about value and meaning, longevity, and history, abundance and overwhelm, and keeping and discarding. It closes by showing how these same

questions animate the twenty first century s information culture as well **Secrets** Jacqueline Wilson,2007 India lives in a large luxurious house with a mum she can t stand and a dad she adores though he hasn t had much time for her recently She seeks solace in her journal which she keeps in sincere imitation of her heroine Anne Frank Treasure lives on t **Secrets of Prague - Exploring the Novel's Locations** Lubor Matěj,2025-09-29 Discover the places that inspired Dan Brown Prague is a city that never fails to enchant Its hidden corners and stories carved in stone even captivated a world famous author who chose to set the plot of his latest novel here After dozens of titles published in the Mateo Guides series known for original and engaging travel companions we decided to bring you closer to these remarkable locations along with others that complete their unique atmosphere Inside you ll find the stories of saints artists rulers and architects along with a curated TOP 10 of Charles Bridge s baroque statues and the most fascinating sites of Prague Castle We also share tips for alternatives to crowded attractions such as the baroque libraries of Strahov Monastery every bit as impressive as the famous Klementinum Designed for comfortable reading on your phone and enriched with audio commentary in audiovisual editions this guide also features more than 270 stunning photographs revealing hidden or normally inaccessible places Get ready for a unique journey through a city whose magical atmosphere continues to inspire Disclaimer This guide is not officially affiliated with Dan Brown or the publishers of The Secret of Secrets It is an independent title inspired by the novel s storyline **The SECRET Novel Collection** Mirika Mayo Cornelius,2015-03-28 THE SECRET NOVEL COLLECTION Secret Colored Lily Poppa Took My Innocence and Paton are three complete novels in one emotionally packed family saga with dramatic events taking place in the deep south lined in secrets bursting from betrayals and written in reverse order Read about each book in this collection below and enjoy SECRET In a small southern town there is a scorned secret that has ripped through homes Accursed is the woman that it came from people around town say but to a sassy country girl named Secret that s not all to it She asks herself what curse and what does it have to do with me That s when Secret takes matters into her own hands and attempts to solve the terrifying mystery of her family that roots from her own mother Will she ever uncover the curse that lives behind her name or will Secret discover that all the hatred aimed her direction is truly deserved COLORED LILY Poppa Took My Innocence What would a daughter want more from her father than his love However in a small town a teenage girl called by the name of Jocie finds out how the love she once adored from her poppa can become twisted and feel so much like hatred causing hell grown wounds Going on a search for the love that she yearns so deeply Jocie winds up with worse than she bargained for and without an escape ends up in the midst of death darkness and a cold conception while gripping the darkest secret that only God in heaven can know and forgive PATON After witnessing the ruthless murder of his best friend while his own life hung in the balance the many demons Paton Jones spends a lifetime trying to suppress begin to emerge Armed with an evil before its time Paton s life becomes a thick fog of deadly secrets hidden betrayal and overt lies that carve a relentless path of revenge and destruction against anyone who crosses him Before Secret there was innocence Before

Dostoevsky's Secrets Carol Apollonio Flath,2009-01-14 When Fyodor Dostoevsky proclaims that he is a realist in a higher sense it is because the facts are irrelevant to his truth And it is in this spirit that Apollonio approaches Dostoevsky s work reading through the facts the text of his canonical novels for the deeper truth that they distort mask and ultimately disclose This sort of reading against the grain is Apollonio suggests precisely what these works with their emphasis on the hidden and the private and their narrative reliance on secrecy and slander demand In each work Apollonio focuses on one character or theme caught in the compromising self serving or distorting narrative lens Who she asks really exploits whom in Poor Folk Does White Nights ever escape the dream state What is actually lost and what is won in The Gambler Is Svidrigailov of such ill repute in Crime and Punishment in fact an exemplar of generosity and truth Who in Demons is truly demonic Here we see how Dostoevsky has crafted his novels to help us see these distorting filters and develop the critical skills to resist their anaesthetic effect Apollonio s readings show how Dostoevsky s paradoxes counter and usurp our comfortable assumptions about the way the world is and offer access to a deeper immanent essence His works gain power when we read beyond the primitive logic of external appearances and recognize the deeper life of the text
