Er T Washington W E B Du Bois And The Struggle For Racial Uplift:

Booker T. Washington, W.E.B. Du Bois, and the Struggle for Racial Uplift Jacqueline M. Moore, 2003 The beginning of the twentieth century was a critical time in African American history Segregation and discrimination were on the rise Two seminal African American figures began to debate on ways to combat racial problems Booker T Washington and W E B Du Bois developed different strategies for racial uplift as they actively competed for the support of the black community In the process Washington and Du Bois made a permanent mark on the debate over how blacks should achieve equality in America Although other books address the Washington Du Bois conflict this text provides a detailed overview of the issues in a brief yet thorough narrative giving students a clear understanding of these two influential leaders Jacqueline Moore incorporates the latest scholarship as she examines the motivations of Washington and Du Bois and the political issues surrounding their positions Accompanying documents allow students to see actual evidence on the issues Moore contextualizes the debate in the broader terms of radical versus accommodationist strategies of racial uplift Washington an accommodationist believed economic independence was most important to racial equality W E B Du Bois adopted more radical strategies arguing that social and political equality not just economic opportunity were essential to racial uplift This book traces the argument between these two men which became public in 1903 when Du Bois published The Souls of Black Folk which included an attack on Washington his association with Tuskegee Institute's industrial education program and accommodationism The clash between Du Bois and Washington escalated over the next 12 years Du Bois was a founding member of the National Association for the Advancement of Colored People NAACP an organization that often opposed Washington's gradualist approach Although the NAACP became the major civil rights organization after Washington's death in 1915 the same issues Washington and DuBois debated surfaced in the 1960s Civil Rights Movement and the debate raged once again between accommodationists and radicals In time both men s ideals faded until the same issues surfaced again in the 1960s and the debate raged once again between accommodationists and radicals within the Civil Rights Movement Booker T Washington W E B Du Bois and the Struggle for Racial Uplift is an excellent resource for courses in African American history race relations and minority and ethnic politics Booker T. Washington, W.E.B. Du Bois, and the Struggle for Racial Uplift Jacqueline M.
