beautiful choice adoption I was blessed to have been adopted at birth and I wanted to share my stories in the hope that they will touch people's hearts. The main reason I began writing was to promote adoption and let people know about the help that is available. Each story is unique and special in its own way and reflects my pro-life mission. If you are looking for something heartwarming, funny, or just true to life, you will find it in this book. If you are looking for some type of guidance or help that is here too. My faith in God, my family, and my pro-life work are the main topics in these stories. The words come from my heart with a sincere desire to help others. Whether the stories are fun and upbeat or of a more serious nature, I always pray that God will guide my hands and give me the right words. Included in this book is a sweet story about my adoption as well as stories about my boisterous family life as a wife, mother, and grandmother of ten. There are some really touching stories about the people I have met while helping at the Sack Lunch Ministry at my parish as well as from the past four 40 Days for Life campaigns that have been held in our parish courtyard. Blessings to you and yours. Bye for now, Sharla.

Homes with Heart Ruth Frost, 2025-07-30 So much of our world today is crying out for welcome, refuge, and belonging. Homes with Heart is both inspiration and guide for people to create home in the world, first through their own living spaces, second within families of choice, and third through supportive communities. While author Ruth Frost includes elements of home design, she also delves deeply into making home in the world through the power of love in community and offers practical tools to help people overcome obstacles associated with home living, such as homes obstructed by clutter, homes associated with traumatic events, or homes that need to support families in transition. Sharing both from Frost's own life experience and that of others, including children, refugees, trauma survivors, and home hospice patients, Homes with Heart extends well beyond bricks and mortar; it deals with who we are and how we live in the world within and beyond the walls that shelter us, inspiring laughter and tears in equal measure.
