Dowdy-Trabke, 2016-06-13 **Winds in the Sail** Robin Dinnanauth, 2019-08-20 Who has seen the wind Where does it come from and where does it go In this book I have shared a few of the many references of winds in the Bible 1 The South wind In Bible land the South wind is perhaps the most pleasant of all winds but it is also the most dangerous 2 The North wind what is your message And the North wind answer I am the wind of judgement and the justice of God When the prophets Jeremiah Isaiah Ezekiel and others foretold the judgements coming upon Israel they almost always came from the North from Babylon and Assyria the rod of God's anger For example Ezekiel 13 13 3 The East wind We ask East wind what is your message And

the East Wind replies I am the wind of affliction and trial I have found the east wind to be the most penetrating the most uncomfortable of all the winds 4 The West wind mentioned in a very strange place in the Bible Exodus 10 When Pharaoh refused to let the people of Israel go we are told that God smote the land with 10 plagues *From Gratitude to Blessings and Back* Marilyn Price, David A. Teutsch, 2017-09-13 An exquisite combination of Judaism's common blessings stories from everyday life and tales and wisdom from Jewish tradition this book is a source of inspiration and a cause for self reflection A resource of over fifty blessings in addition to thoughts about gratitude this slim volume opens the door for readers to acknowledge the opportunities for thankfulness as they reflect on their personal history and their day to day lives Seeing opportunities for blessings can lead the way to seeing the beauty in their lives The authors a storyteller and a scholar who are long time friends have brought their diverse skills insights and experiences to help people discover the blessings in their own lives and connect afresh to their religious paths Every person's life is comprised of stories Each story provides an opportunity for insight into the human condition as well as a chance to think about the deeper meaning in our lives Connecting our personal stories our joys troubles and triumphs to messages from the world's great religions can repair links that for some have long been broken Many of the book's stories are warm light and humorous glimpses into treasured moments like the ones in the lives we all lead **The Book Of Enoch** Efrén Gamboa, 2018-08-31 The book of Enoch was the first book ever written in any language The language was described as the heavenly language which today we know it as Hebrew Hebrew was also the language of the first humans and all living things before the fall of man at the Garden of Eden But because of the distribution of languages during the Tower of Babel Hebrew was forgotten until the lifetime of Abraham Abraham was taught the language by angels of God and he revived the Heavenly language upon the Earth So now days there will be other languages that will test more ancient than Hebrew through discoveries of things that have a written language upon it that can be carbon tested for age unless we can find the original books of Enoch but until now only translations of the book have been found in other languages In the Dead Sea scrolls the book of Enoch was found within the books revered as the books of the old testaments that were dated from 404 to 203 BCE What they found was only a copy of the book and not the original According to what language the manuscript is found the rewriters gave the God of their religion the credit of being God creator but the world knows that only the God of Israel had angels with the name of Michael Gabriel and Ariel All others have been copycats and have tried to include the names of what they call their own angels and gods and beliefs into the book of Enoch *Quiver*, 1890 V 12 contains The Archer Christmas 1877 *Mother's Advice* Sunny Abakwue, 2015-04-14 Mothers Advice is a book of poems These poems are the light of true living A great house is built on the solid foundation From the solid foundation are the strong pillars The poems in this book are arranged in subsets known as pillars These pillars are the living virtues of human existence **Talks with men, women and children** David Davies, 1895 **25 Miles to Touching the Heart of God** Christel Lim, 2010 25 Miles to Touching the Heart of God is an easy to read
